[Property Address]

The interest rate stated on the Note is called the "Note Rate." The date of the Note is called the "Note Date." I understand the Lender may transfer the Note, Security Instrument and this Rider. The Lender or anyone who takes the Note, the Security Instrument and this Rider by transfer and who is entitled to receive payments under the Note is called the "Note Holder."

ADDITIONAL COVENANTS. In addition to the covenants and agreements in the Security Instrument, Borrower and Lender further ovenant and agree as follows (despite anything to the contrary contained in the Security Instrument or the Note):

1. CONDUTIONAL FIGHT TO REFINANCE

At the maturity sine of the Note and Security Instrument (the "Maturity Date"), I will be able to obtain a new Ioan ("New Loan") with a new Maturity Date of July Olst , 20-22 interest rate equal to the "New Note Rate" determined in accordance with Section 3 below if all the conditions provided in Sections 2 and 5 below are met (the "Conditional Refinancing Option"). If those conditions are not met, I understand that the Note Holder is under no obligging to refinance or modify the Note, or to extend the Maturity Date, and that I will have to repay the Note from my own resources or find a lender willing to lend me the money to repay the Note.

2. CONDITIONS TO OPTION

If I want to exercise the Conditional Ratinancing Option at maturity, certain conditions must be met as of the Maturity Date. These conditions are: (1) I must still be be owner and occupant of the property subject to the Security Instrument (the "Property"); (2) I must be current in my monant; payments and cannot have been more than 30 days late on any of the 12 scheduled monthly payments immediately promoting the Maturity Date; (3) no lien against the Property (except for taxes and special assessments not yet due and payable) other than that of the Security Instrument may exist; (4) the New Note Rate cannot be more than 5 percentage points above the Note Rate; and (5) I must make a written request to the Note Holder as provided in Section 5 below.

5. CALCULATING THE NEW NOTE RATE

The New Note Rate will be a fixed rate of interest was to the Federal National Mortgage Association's required net

The required net yield shall be the applicable net yield in effect on the date and tibe of day that the Note Holder receives notice of my election to exercise the Conditional Refinancing Option. If this copired net yield is not available, the Note Holder will determine the New Note Rate by using comparable information.

4. CALCULATING THE NEW PAYMENT AMOUNT

Provided the New Note Rate as calculated in Section 3 above is not greater than 5 percentage points above the Note Rate and all other conditions required in Section 2 above are satisfied, the Note Holder will determine the amount of the monthly payment that will be sufficient to repay in full (a) the unpaid principal, thus (b) accrued but unpaid interest, plus (c) all other sums I will owe under the Note and Security Instrument on the Majariay Date (assuming my monthly payments the are current, as required under Section 2 above), over the term of the New Note. The New Note Rate in equal monthly payments. The result of this calculation will be the amount of my new principal and interest payment every month until the payments. The Note Holder will provide my payment record information, together with the name, title and address of the person representing the Note Holder that I must notify in order to exercise the Conditional Refinancing Ontion.
