TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurteñances, fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security-Instrument. All of the foregoing is referred to in this Security-Instrument as the "Property". BORROWER COVENANTS that Borrower is lawfully seized of the same hereby conveyed and has the right to mortgage, build and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record. THIS SECURITY INSTRUMENT combines uniform coverages for national use and non-national coverages with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower regarding payment. 8. Mortgagee Insurance. If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgagee insurance coverage required by Lender ceases to be in effect, Borrower shall pay the premiums required to obtain coverage subsequently equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to that of the previous coverage. Lender may require Borrower to maintain the mortgage insurance in effect until such time as Lender has received payment in full of all amounts due under this Note and all other amounts due under this Note, plus interest thereon at the rate of 10% per annum, plus costs and expenses of collection, including attorney's fees.

7. Protection of Lenders' Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument that may significantly affect Lenders' rights in the Property (such as a proceeding in bankruptcy, probate, or condemnation or forfeiture or to regulate laws or regulation), then Lenders may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lenders may do and pay for what they may reasonably believe necessary to make repairs. Although Lender may take action under this paragraph, Lender does not have to do so.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Lender's
Borrower shall occupy, establish, and use the Property as Borrower's principal residence within thirty days after the execution of
this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for as long as
Lender occupies the Property, unless Lender otherwise specifies in writing, which consent shall not be unreasonably withheld, or unless
any circumstances exist which are beyond Borrower's control. Borrower shall not damage or impair the Property,
allow the Property to deteriorate, or commit any tortious act against the Property. Borrower shall be in default if any tortious act
proceeding, whether civil or criminal, is brought that in Lender's judgment could result in forfeiture of the Property or
otherwise materially impair the lien created by this Security Interest or Lender's security interest. Borrower may cure such a
default and resume all rights and remedies as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in
Lender's good faith determination, precludes forfeiture of the Property or other material impairment of
Lender's security interest. Lender's security interest shall also be in default if Borrower, during the period of
the lien created by this Security Interest, fails to pay taxes or assessments to Lender (or failed to provide Lender with
loan application process, gave materially false or inaccurate information or documents to Lender (or failed to provide Lender with
any material information) in connection with the loan evidence by the note, including, but not limited to, representations
concerning Borrower's occupancy of the Property as a principal residence. If this Security Interest is on a leasehold, Borrower
shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall
not merge under either party's right to the merger in writing.

Otherwise, shall pay the premiums required to maintain mortgagee insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Leader or applicable law.

9. Inspection. Leader or its agent may make reasonable entries upon and inspections of the Property. Leader shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award of claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and

The notice shall further inform Borrower to accelerate after acceleration and the right to collect late fees and foreclosure. 19. Sale of Note; Change of Loan Service. The Note or a partial interest in the Note (together with this Security) may be sold to more times without prior notice to Borrower. A sale may result in a change in the entity (now or later) holding the Note.

18. Borrower's Right to Retain. If Borrower meets certain conditions, Borrower shall have the right to have unencumbered possession of this Security instrument at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specifically allow consideration), before sale of the property pursuant to any power of sale contained in this Security instrument; or (b) entry of a judgment against this Security instrument if those conditions are met. (a) pays Lender all sums which Lien would be due under this Security instrument and the Note as if no acceleration had occurred; (b) pays all expenses incurred in enforcing this Security instrument to any power of sale contained in this Security instrument, or (c) pays all other costs and expenses incurred in connection with this Security instrument; (c) pays all expenses incurred in connection with this Security instrument; (d) makes such action as Lender may reasonably take to recover the amount of the sum due under this Security instrument; (e) pays all attorney fees and costs of suit; and (f) pays all costs of collection, including reasonable attorney fees.

If Leader exercises this option, Leader shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument.

16. Borrower's Copy. Borrower shall be given one countermade copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. ADJUSTABLE RATE RIDER
(1 Year Treasury Index - Rate Caps)

THIS ADJUSTABLE RATE RIDER is made this 28th day of February , 1992 , and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to THE HUNTINGTON MORTGAGE COMPANY (the "Lender") of the same date and covering the property described in the Security Instrument and located at:
899 SOUTH PLYMOUTH CT., CHICAGO, COOK County, IL, 60605
(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 5.6250 %. The Note provides for changes in the interest rate and the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the first day of March , 1993 , and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date".

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent index figure available as of the date 45 days before each Change Date is called the "Current Index". The initial interest rate for this loan is based on an index figure of 4.1400 %.

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes → Two and Seven-Eighths

92543472

Before each Change Date, the Note Holder will calculate my new interest rate by adding * percentage points (2.8750 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 7.6250 % or less than 3.6250 %. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceding twelve months. My interest rate will never be greater than 11.6250 %.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Uniform Covenant 17 of the Security Instrument is amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.
