Lender's and Borrower's covenants and agreements under this paragraph 2 are subject to applicable state and federal law.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2 and any sums payable by Borrower to Lender in accordance with the provisions of paragraph 8, in lieu of the payment of mortgage insurance premiums; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices or amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the

payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard of Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance including floods or flooding, whether or not identified or existing at the time the loan is made. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with Paragraph 7.

All insurance policies and ringwals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the politics and renewals. If Lender requires, Borrower shall promptly give the Lender all receipts of paid premiums and renewal notice. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender, Lender may make proof of loss if the made promptly by Borrower.

Insurance proceeds shall be applied to rectoration or repair of the Property damaged if, in Lender's sole determination, the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lend r that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the per ceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred o in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borro ver's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security

Instrument immediately prior to the acquisition.

- 6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrow reprincipal residence for at lease one year after the date of occupancy, unless Lender otherwise agrees in writing, which con lent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property Barrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that, in Lender's good faith judgment, could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument. Lender's Security Interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrove's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security in cost. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to the Lender (or failed to provide Lender with any material information) in connection with the Lagrentian evidenced by the Notes including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Barrower acquires fee title 2. to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in well ag-
- 7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorney's fees and paying fees for periodic inspection of the Property. In addition to these actions Lender may enter on the Property to make repairs, change locks, replace or board-up doors and windows, drain pipes, eliminate building code violations or dangerous conditions, turn utilities on or off, or undertake whatever else is necessary to protect the value of the Property and Lender's rights in the Property. Although Lender may take action under this Paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment. In addition, subject to applicable law, Borrower agrees to pay Lender interest at the Note rate on all other sums secured by this Security Instrument which are due and unpaid.

8. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect. If for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If subtantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to

Property of County Clerk's Office

one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of the Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and

shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abin loned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for Lamages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the

sums secured by this Security has homent, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the month payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forb ar ince By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearence by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

Modifications of any of Borrower's or Lender's corenants or agreements under this Security Instrument or the Note shall not: (i) act as a satisfaction, release or novation; (ii) change or impair Lender's security interest or lien priority in the Property; (iii) affect Lender's rights to prohibit or restrict future n odification requested by Borrower; or (iv) affect Lender's rights or

remedies under this Security Instrument of the Note.

- 12. Successors and Assigns Bound; Joint and Several L'ability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument: (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or an Note without that Borrower's consent.
- 13. Loan Charges. If the loan secured by this Security Instrument is subject 10 a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.
- 14. Notices. Any notice to Borrower provided for in this Security Instrument shall be giver, by personal delivery or by sending it by; (i) first class mail postage prepaid, or (ii) prepaid overnight delivery service, or (in) any similar common or private carrier or delivery method generally accepted in the locality where the property is located unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender, Any notice to Lender shall be given by first class mail postage prepaid to Lender's address stated herein of any other address. Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.
- 15. Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.
  - 16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.
- 17. Transfer of the Property of a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as

Property of Cook County Clark's Office

applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorney's fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occured. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

19. Sale of Note: Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to the sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

#### ADJUSTABLE RATE RIDER

I Year ARM (Convertible)

Ref.No.: 010081251

THIS ADJUSTABLE RATE RIDER is made on July 16, 1992, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to

Citibank, Federal Savings Bank

(the "Lender") of the same date and covering the property described in the Security Instrument and located at:

#### 1414 Maple Avenue, Evanston, Illinois 60201

(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S ADJUSTABLE INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM ADJUSTABLE RATE THE BORROWER MUST PAY. THE NOTE ALSO CONTAINS THE OPTION TO CONVERT THE ADJUSTABLE RATE TO A FIXED RATE.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further coverant and agree as follows:

#### A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 6.3750%. Section 4 of the Note provides for changes in the adjustable interest rate and the monthly payments, as follows:

#### 4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on August 1, 1993, and on that day every twelfth (12th) month thereafter. Each date on which my interest rate could change is called a "Change Date".

(B) The Index

Beginning on the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of one year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date (5 cays before each Change Date is called the "Current Index".

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding **THREE AND ONE QUARTER** percentage points ( 3.2500 %) to the Current tridex. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125 %). This rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal balance that I am expected to owe on the Change Date in [12] on the maturity date at my new interest rate in substantially equally payments. The result of this calculation is called the "12. Payment Amount", and it will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

My interest rate is subject to the following limits if the appropriate box is checked:

The rate of interest I am required to pay shall never be increased or decreased on a ly single Change Date by more than TWO percentage points ( 2.0000 %) from the rate of interest I have been paying for the preceding 12 months.

My interest rate will never be greater than 13.0000 %.

The interest rate limits of this Section 4(D) will not apply if I exercise my Conversion Option under Section 5 of this Note.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my adjustable interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any questions I may have regarding the notice.

#### B. FIXED INTEREST RATE OPTION

The Note provides for the Borrower's option to convert from an adjustable interest rate with interest rate limits to a fixed interest rate, as follows:

#### 5. FIXED INTEREST RATE CONVERSION OPTION

(A) Option to Convert to Fixed Rate

I have a Conversion Option which I can exercise unless I am in default or this Section 5(A) will not permit me to do so. The "Conversion Option" is my option to convert the interest rate I am required to pay by this Note from an adjustable rate with interest rate limits to the fixed rate calculated under Section 5(B) below.

The conversion can only take place on a date specified by the Note Holder during the period beginning on the first Change Date and ending on the fifth Change Date. Each date on which my adjustable interest rate can convert to the new fixed rate is called the "Conversion Date". I can convert my interest rate only on one of these Conversion Date(s).

If I want to exercise the Conversion Option, I must first meet certain conditions. Those conditions are that: (i) My adjustable rate mortgage payments are current on the date the Note Holder receives my Notice of Conversion and conversion fee; (ii) I am not otherwise in default or foreclosure under this Note or the Security Instrument on the date the Note Holder receives my Notice of Conversion and conversion fee; (iii) I have not been assessed more than one (1) late charge in the twelve

37,555,46

Property of County Clerk's Office

### INOFFICIAE CO

CITIBANCO

(12) months immediately preceeding the date the Note Holder receives my Notice of Conversion and conversion fee; (iv) Within the time specified by the Note Holder, I obtain from Note Holder the information necessary to complete the Notice of Conversion; (v) the Note Holder must receive my properly completed Notice of Conversion and conversion fee of \$ 250.00 within the time specified by the Note Holder; (vi) I have not exercised any Assumption Feature; and (vii) I must give the Note Holder any additional documents and meet any additional requirements which may be necessary for Conversion.

(B) Calculation of Fixed Rate

My new fixed interest rate will be determined as of the close of the Federal National Mortgage Association's last business day of the month immediately preceding the month in which I return my Notice of Conversion and conversion fee and will be equal to FNMA's 30-year A/A 60-day delivery required net yield for fixed rate mortgages as quoted with no commitment fee, plus 0.6250 %, rounded to the nearest one-eighth of one percentage point (0.125%). My new fixed interest rate will not exceed a maximum rate of 13.0000 %. If the FNMA required net yield cannot be determined because the applicable commitments are not available, the Note Holder will determine my interest rate by using comparable information.

(C) Effective Date of Fixed Interest Rate.

If I satisfy all of the conditions for exercising the Conversion Option described in Section 5(A) above, the new fixed interest rate will go into effect on the first day of the month following the Note Holder's receipt of the Notice of Conversion and conversion fee. This date is called the "Conversion Date". If I do not satisfy all of these conditions, any attempt at exercise of the Conversion Option will be null and void. If I have satisfied all of the conditions to convert, I cannot cancel the Conversion after the Note Holder receives the conversion fee and the Notice of Conversion. After the Note Holder receives my Notice of Conversion and conversion fee by the date it is due, Conversion becomes final. Any attempt by me to cancel the Conversion prior to the time Conversion becomes final will cause the Conversion Option to expire and my lean will remain an adjustable rate loan until maturity.

(D) New Paymont Amount and Effective Date.

If I choose to exercise the Conversion Option, the Note Holder will determine the amount of the monthly payment that would be sufficient to regay the unpaid principal I am expected to owe on the Conversion Date in full on the maturity date at my new fixed interest rate in sustantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new amount as my monthly payment until the maturity date.

#### C. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

1. Until Borrower exercises the Conversion Option under the conditions stated in Section B of this Adjustable Rate Rider, Uniform Covenant 17 of the Security Instrument is amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower, If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its or aon, require immediate payment in full of all sums secured by this Security Instrument.
