**GRANT OF MORTGAGE.** For valuable consideration, Grantor mortgages, warrants, and conveys to Lender all of Grantor's right, title, and interest in and to the following described real property, together with all existing or subsequently erected or affixed buildings, improvements and fixtures; all easements, rights of way, and appurtenances; all water, water rights, watercourses and ditch rights (including stock in utilities with ditch or irrigation rights); and all other rights, royalties, and profits relating to the real property, including without limitation all minerals, oil, gas, geothermal and similar matters, located in DuPage County, State of Illinois (the "Real Property"):

The Real Property or its address is commonly known as 5032 Lavergne Ave, Chicago, IL 60638. The Real Property tax identification number is 18-09-227-029.

Grantor presently assigns to Lender all of Grantor's right, title, and interest in and to all leases of the Property and all Rents from the Property. In addition, Grantor grants to Lender a Uniform Commercial Code security interest in the Personal Property and Rents.

**DEFINITIONS.** The following words shall have the following meanings when used in this Mortgage. Terms not otherwise defined in this Mortgage shall have the meanings attributed to such terms in the Uniform Commercial Code. All references to dollar amounts shall mean amounts in lawful money of the United States of America.

**Credit Agreement.** The words "Credit Agreement" mean the revolving line of credit agreement dated July 30, 1992, between Lender and Grantor with a credit limit of \$25,000.00, together with all renewals of, extensions of, modifications of, refinancings of, consolidations of, and substitutions for the Credit Agreement. The maturity date of this Mortgage is August 1, 1997. The interest rate under the revolving line of credit is a variable interest rate based upon an index. The index currently is 8.000% per annum. The interest rate to be applied to the outstanding account balance shall be at a rate 1.000 percentage points above the index for balances of \$24,999.99 and under and at a rate 1.000 percentage points above the index for balances of \$25,000.00 and above, subject however to the following maximum rate. Under no circumstances shall the interest rate be more than the lesser of 18.000% per annum or the maximum rate allowed by applicable law.

**Existing Indebtedness.** The words "Existing Indebtedness" mean the indebtedness described below in the Existing Indebtedness section of this Mortgage.

**Grantor.** The word "Grantor" means Dolores M. Lehman. The Grantor is the mortgagor under this Mortgage.

Specifically, without limitation, this Mortgage secures a revolving line of credit and shall secure not only the amount which Lender has presently advanced to Grantor under the Credit Agreement, but also any future amounts which Lender may advance to Grantor under the Credit Agreement within twenty (20) years from the date of this Mortgage to the same extent as if such future advance were made as of the date of the execution of this Mortgage. The revolving line of credit obligates Lender to make advances to Grantor so long as Grantor complies with all the terms of the Credit Agreement and Related Documents. Such advances may be made, repaid, and remade from time to time, subject to the limitation that the total outstanding balance owing at any one time, not including finance charges on such balance at a fixed or variable rate or sum as provided in the Credit Agreement, any temporary overages, other charges, and any amounts expended or advanced as provided in this paragraph, shall not exceed the Credit Limit as provided in the Credit Agreement. It is the intention of Grantor and Lender that this Mortgage secures the balance outstanding under the Credit Agreement from time to time from zero up to the Credit Limit as provided above and any intermediate balance.
