DEFINITIONS. The following words shall have the following meanings when used in this Mortgage. The interest rate under the revolving line of credit is a variable interest rate based upon an index. The index currently is 6.000% per annum. The interest rate to be applied to the outstanding account balance shall be at a rate 0.500 percentage points above the index, subject however to the following maximum rate. Under no circumstances shall the interest rate be more than the lesser of 18.000% per annum or the maximum rate allowed by applicable law.

The revolving line of credit obligates Lender to make advances to Grantor so long as Grantor complies with all the terms of the Credit Agreement and Related Documents. Such advances may be made, repaid, and remade from time to time, subject to the limitation that the total outstanding balance owing at any one time, not including finance charges on such balance at a fixed or variable rate or surcharge provided in the Credit Agreement, any temporary overages, other charges, and any amounts expended or advanced as provided in this paragraph, shall not exceed the Credit Limit as provided in the Credit Agreement. EXPENDITURES BY LENDER. If Grantor fails to comply with any provision of this Mortgage, including any obligation to maintain Existing Indebtedness in good standing as required below, or if any action or proceeding is commenced that would materially affect Lender's interests in the Property, Lender on Grantor's behalf may, but shall not be required to, take any action that Lender deems appropriate. Any amount that Lender expends in so doing, will bear interest at the rate charged under the Credit Agreement from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses, at Lender's option, will: (a) be payable on demand; (b) be added to the balance of the credit line and be apportioned among and be payable with any installment payments to become due during either: (i) the term of any applicable insurance policy or; (ii) the remaining term of the Credit Agreement, or; (c) be treated as a balloon payment which will be due and payable at the Credit Agreement's maturity. In the event any action or proceeding is commenced that questions Grantor's title or the interest of Lender under the Mortgage, Grantor shall defend the action at Grantor's expense. Grantor may be the nominal party in such proceeding, but Lender shall be entitled to participate in the proceeding and to be represented in the proceeding by counsel of Lender's own choice, and Grantor will deliver, or cause to be delivered, to Lender such instruments as Lender may request from time to time to permit such participation.

Grantor shall reimburse Lender for all expenses incurred in perfecting or continuing the security interest. Upon default, Grantor shall assemble the Personal Property in a manner and at a place reasonably convenient to Grantor and Lender and make it available to Lender within three (3) days after receipt of written demand from Lender.
