This instrument is given to secure payment of the principal and interest on a certain loan evidenced by a TWENTY SEVEN THOUSAND and no/100ths Dollars (\$27,000.00) Installment Note of even date herewith, which is also secured by a Trust Deed of said date to said THE FIRST COMMERCIAL BANK recorded in the Recorder's Office of the above named County, conveying the real estate and premises hereinabove described. This instrument shall remain in full force and effect until said loan and the interest therein, and all other costs and charges which may have accrued or may hereafter accrue under said Trust Deed have been fully paid.

This assignment shall not become operative until default exists in the payment of principal or interest or in the performance of the terms or conditions contained in the Trust Deed herein referred to and in the Note secured hereby.

Without limitation of any legal rights of Assignee as the absolute assignee of the rents, issues and profits of said real estate and premises above described, and by way of enumeration only, it is agreed that in the event of any default under the said Trust Deed above described, whether before or after the note secured by said Trust Deed is declared to be due in accordance with the terms of said Trust Deed, or whether before or after the institution of any legal proceedings to foreclose the lien of said Trust Deed, or before or after any sale thereunder, Assignee shall be entitled to take actual possession of the said real estate and premises hereinabove described, or any part thereof, personally or by agent or attorney, as for condition broken, and may, with or without force, and with or without process of law, and without any action on the part of the holder or holders of the indebtedness secured by said Trust Deed, enter upon, take, and maintain possession of said real estate and premises hereinabove described, and may hold, operate, manage and control the said premises. Assignee may, at the expense of the mortgaged property, from time to time, cause to be made all necessary or proper repairs, replacements, useful alterations, additions, betterments and improvements to the said real state and premises as may seem judicious, and may insure and reinsure the same, and may lease said mortgaged property for such times and on such terms as may seem fit. Assignee shall be entitled to collect and receive, revenues, rents, and income from the property. After deducting the expenses of conducting the business thereof and of all maintenance, repairs, replacements, alterations, betterments, and improvements, and all payments which may be made for taxes, assessments, insurance, and prior or proper charges on the said real estate and premises, or any part thereof, including reasonable compensation for the services of the Assignee and of the Assignee's attorneys, agents and other employed by Assignee in connection with the operation, management, and control of the mortgaged property, the Assignee shall apply any and all moneys arising as aforesaid to the payment of the following items in such order as said Assignee seems fit:

- (1) interest on the principal and overdue interest on the note secured by said Trust Deed, at the rate therein provided;
- (2) interest accrued and unpaid on the said note;
- (3) the principal of said note from time to time remaining outstanding and unpaid;
- (4) any and all other charges secured by or created under the said Trust Deed above referred to; and
- (5) the balance, if any to the Assignor.

This instrument shall be assignable by Assignee, and all of the terms and provisions hereof shall be binding upon and inure to the benefit of the respective executors, administrators, legal representatives, successors and assigns of each of the parties hereto.
