TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 *et seq.* ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the

23. **Waiver of Homeestead.** Borrower waives all right of homestead exemption in the Property instrument without charge to Borrower. Borrower shall pay any recording costs.

22. **Release.** Upon payment of all sums secured by this Security Instrument, Lender shall release this Security instrument without charge to Borrower. However, if the note or any other debt due under this Note is not paid when due, Lender may foreclose this Security instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not limited to, reasonable attorney fees, and costs of title evidence. In full of all sums secured by this Security instrument without further demand and may require immediate payment in default of a default or any other deficiency of Borrower to accelerate the right to possess in the Property. If the proceeds of the non-existence of a default or any other deficiency of Borrower to accelerate the right to possess in the Property shall further inform Borrower of the right to repossess after acceleration and the right to recover the sums secured by this Security instrument, foreclosure by judicial proceeding and sale of the Property, the notice provided in this paragraph 21, including, but not limited to, reasonable attorney fees, and costs of title evidence; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the note; unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) unless applicable law provides otherwise), the date the note will become due under paragraph 17 beneath of any covenant or agreement in this Security instrument (but not prior to acceleration following Borrower's breach of any covenant; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security instrument (but not prior to acceleration following Borrower's breach of any covenant or agreement in this Security instrument unless applicable law provides otherwise).

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

As used in this paragraph 20, "Environment Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection. As used in this paragraph 21, "Environmental Law" means federal laws and regulations concerning pesticides and herbicides, volatile solvents, asbestos, materials containing asbestos or formaldehyde, and radioactive materials, toxic substances and by-products, gasoline, kerosene, other flammable or toxic petroleum products, toxic

environmental law and the following substances: As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by

law of which Borrower has actual knowledge. If Borrower learns, or is notified by any government or regulatory authority, that any removal or private party involving the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

Borrower shall promptly give notice of any investigation, claim, demand, lawsuit or other action by any resident user and/oraintenance of the Property.

Storage of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal Hazards on or in violation of any Environmental Law. The preceding two sentences shall not apply to the presence of Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the storage of the Property that is in violation of any Environmental Law. The notice shall not apply to the presence of Hazardous Substances on or in the Property. Borrower shall not cause or permit the presence of any

There also instruments may be sold one or more times without notice to Borrower. A sale may result in a change in the entity

right to reinstate shall not apply in the case of acceleration under paragraph 17.

Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this Security instrument and the obligations secured hereby shall remain fully effective until discharged. Upon reinstatement by Borrower, this Security sums secured by this Security instrument, Lender's rights in the Property and Borrower's obligation to pay the instrument, including, but not limited to, reasonable attorney fees, and (d) takes such action as Lender may reasonably require to assure that the lien of this Security instrument is valid, enforceable and Borrower has paid all expenses incurred in enforcing this Security instrument, including, but not limited to, reasonable attorney fees, and (c) pays all expenses incurred in enforcing this Security instrument, including, but not limited to, reasonable attorney fees, and (b) cures any default of any other covenant of agreement; (a) pays all expenses incurred in enforcing this Security instrument, including, but not limited to, reasonable attorney fees, and (d) takes such action as Lender may reasonably require to assure that the lien of this Security instrument is valid, enforceable and Borrower has paid all sums which then would be due under this Security instrument and the Note as if no acceleration had occurred; (b) entry of a judgment calling this Security instrument, Those conditions are that Borrower:

condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as

9. Inspection. Landlord or his agent may make reasonable entries upon and inspection of the property, under such terms and conditions as may be agreed between the parties.

B. Mortgagage Insurance. If Lender requires mortgagage insurance as a condition of making the loan received by this Security instrument, Borrower shall pay the premiums required to maintain the mortgagage insurance in effect. If, for any reason, the mortgagage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage subsequently equivalent to the mortgagage insurance previously in effect, at a cost subsanately equivalent to the cost to Borrower of the mortgagage insurance previously in effect, from an alternate insurance company to the cost to the mortgagge insurance previously in effect, from an alternate insurance company approved by Lender. If subsanitary equivalent mortgagage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgagage insurance premium being paid by Borrower when the insurance each month is no longer required by Lender. If subsanitary equivalent mortgagage insurance coverage is not available, Borrower shall pay to Lender the amount required to maintain the mortgagage insurance coverage in effect, or to provide a loss reserve, until the requirements for mortgagage insurance ends in accordance with any written agreement between Borrower and Lender.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt if Borrower failed to pay the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requiring payment of disbursement in full before interest accrues.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or if there is a legal proceeding that may significantly affect Lenders rights in the property (such as a proceeding in bankruptcy), perhaps, for condemnation or otherwise or to enforce laws of regularization, then Lender may do and pay for whatever is necessary to protect the value of the property and Lender's rights in the property.

This less Leader and Borrower otherwise agree in writing, any otherwise application of proceeds to principal shall not exceed a portion of the monthly payments referred to in paragraphs 1 and 2 of change the amount of the payments. I
under paragraph 2 of the Property is acquired by Leader, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to the extent of the sums secured by this Security.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the property, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the same secured by this Security Instrument, whether or not then due. Any excess paid to Borrower, whether or not then due, will be held in trust by this Security Instrument, whether or not then due. The 30-day period will begin when the property or to pay sums secured by this Security Instrument, whether or not then due.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and of paid premiums and renewal notices.

periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval that Lender shall not be unreasonable withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

ADJUSTABLE RATE RIDER

(Interest Rate Limits)

THIS ADJUSTABLE RATE RIDER is made this 28th day of AUGUST, 1992, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note to AMERIFED FEDERAL SAVINGS BANK (the "Lender") of the same date (the "Note") and covering the property described in the Security Instrument and located at:

12600 ROMA ROAD, PALOS PARK, ILLINOIS 60464
(Property Address)

This note contains provisions allowing for changes in the interest rate every year after the first one year subject to the limits stated in the Note. If the interest rate increases, the Borrower's monthly payments will be higher. If the interest rate decreases, the Borrower's monthly payments will be lower.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 7.25%. Section 4 of the Note provides for changes in the interest rate and the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the first day of SEPTEMBER, 1993, and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

B. The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" will be the Federal Home Loan Bank Board monthly median cost of funds (Annualized). The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index".

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate a new interest rate by adding 2.75 percentage points (+ 2.75%) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal balance of my loan I am expected to owe on the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limit on Interest Rate Changes

The rate of interest I am required to pay shall never be increased on any single Change Date by more than 1 1/4 one percentage point (1.00%) two percentage points (2.00%) (Check only one box) from the rate of interest I have been paying for the preceding twelve months. My interest rate also shall never be greater than 7.25%.*

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will mail or deliver to me a notice of any changes in the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. CHARGES; LIENS

Uniform Covenant 4 of the Security Instrument is amended to read as follows:

4. Charges; Liens. Borrower shall pay all taxes, assessments, and other charges, fines and impositions attributable to the Property which may attain a priority over this Security Instrument, and leasehold payments or ground rents, if any, in the manner provided under paragraph 2 hereof or, if not paid in such manner, by Borrower making payment, when due, directly to the payee thereof. Borrower shall promptly furnish to Lender all notices of amounts due under this paragraph, and in the event Borrower shall make payment directly, Borrower shall promptly furnish to Lender receipts evidencing such payments. Borrower shall promptly discharge any lien which has priority over this Security Instrument; provided, that Borrower shall not be required to discharge any such lien so long as Borrower, (a) shall agree in writing to the payment of the obligation secured by such lien in a manner acceptable to Lender, (b) shall in good faith contest such lien by, or defend against enforcement of such lien in, legal proceedings which in the opinion of Lender operate to prevent the enforcement of the lien or forfeiture of the Property or any part thereof; or (c) shall secure from the holder of such lien an agreement in a form satisfactory to Lender subordinating such lien to this Security Instrument.

If Lender determines that all or any part of the Property is subject to a lien which may attain a priority over this Security Instrument, Lender shall send Borrower notice identifying such lien. Borrower shall satisfy such lien or take one or more of the actions set forth above within ten days of the giving of notice.

ADJUSTABLE RATE RIDER 14 Family - 9/83 - FNMA Uniform Instrument

*the first five years, thereafter, the interest rate shall never be greater than 13.50% for the remaining term of the loan.
