If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MINIMUM AND MAXIMUM RATES I MUST PAY. IF THE INTEREST RATE INCREASES, THE MONTHLY PAYMENTS WILL BE HIGHER. IF THE INTEREST RATE DECREASES, THE MONTHLY PAYMENTS WILL BE LOWER. ON THE DATE(S) SPECIFIED BELOW, I MAY CONVERT THE ADJUSTABLE RATE LOAN INTO A DIXED RATE, LEVEL PAYMENT, FULLY AMORTIZING LOAN.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANCES

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of one (1) year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date forty-five (45) days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding two and three quarters pecentage points (2.75%) ("the Margin") to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limitations in Section 4(D) below, this rounded amount will be my new interest rate with the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpoid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new

amount of my monthly payment.

(D) Limits of Interest Rate Changes

or decreased on any single Change Date by more than two percentage points (2,00%) from the rate of interest I have been paying for the preceding (12) months.

The interest rate over the entire term of the soan will not exceed 12%, and will never decrease to a rate less than the Margin. If a change in the Current Index would otherwise cause the new interest rate to exceed the two percentage points (2,00%) rate adjustment limitations, or the 12% maximum interest rate, the unused portion of such increase or decrease will not be carried forward and applied to change the rate in future years. My interest rate will never be greater than 12% or less than the Margin, even if I exercise my option to convert to a fixed rate.

(E) Effective Date of Changes

My now interest rate will begins effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to ms a notice of any changes in my interest rate and the amount of my monthly paymont before the ottective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who with answer any questions I may have regarding the notice. If I may convert my loan as provided in Section 5 of the Note, the notice will also include the following information regarding conversion on the Change Date:

the fixed interest rate I will pay if I choose to convert my loan to a fixed interest rate (i)

(ii)

the amount of my new monthly payment at the fix a rate of interest; and the date by which I must execute and deliver to the Note Holder all documents that the Note Holder requires to effect the conversion.

The first five notices will also remind me of my option to convert to a fixed rate on the first day of any month starting with the first Change Date through and including the fifth Change Date. I may call the Lender fifteen (15) or more days before the first day of any month at (800) 553-1536, to give notice of my intention to exercise my option to convert, as long as the conversion date to the first day of a month between the first and fifth Change Dates. The information specified in clauses (i), (ii) and (iii) above will be given to me at that time.

CONVERSION TO FIXED INTEREST RATE

The Note also provides the Borrower an option to convert the adjustable rate loan, into a fixed interest rate loan as follows:

FIXED INTEREST RATE OPTION. 5.

(A) Option to Convert to a Fixed Rate

I have a "Conversion Option" which I can exercise if I satisfy the conditions described in this Section 5(A) and I am not in default. The Conversion Option is my option to convert the interest rate I am required to pay under Sections 2 and 4 of the Note from an adjustable rate to a fixed rate.

The conversion can only take place on the first Change Date or on the first day of each month thereafter until and including the fifth Chango Date. The date on which my interest rate converts from

an adjustable rate to fixed rate is called the "Conversion Date."

If I want to exercise the Conversion Option, I must first meet certain conditions. conditions are that: (a) I must give the Note Holder notice that I am doing so at least fifteen (15) days before the Conversion Date; (b) on the Conversion Date, I am not in default under the Note or Security Instrument; (c) by the Conversion Date, I must pay the Note Holder a conversion fee of \$250.00; and (d) I must sign and give the Note Holder any documents the Note Holder requires to effect the conversion.

(B) Calculation of Fixed Rute

My pay, fixed interest rate will be equal to the Federal National Mortgage Association's required Not Yield for THRTY (30) year, fixed rate mortgages covered by sixty (60) day mandatory delivery commitments the year in offect as of the date forty-five (45) days before the Conversion Date, plus fiveeighths of one percent (0.625%) (or seven-eighths of one percent [0.875%) if the original loan unount is over \$202,300 on a single family home, or if the property is a cooperative apartment, or one and oneeighth [1,125%] on all loans over \$1 million) rounded to the nearest one-eighth of one perpentage point (0.125%).

Information about this Not Yield is available through the Federal National Mortgage Association, 3900 Wisconsin Avenue, N.W., Vastington, D.C., 20016. If this required Net Yield is not available, the Note Holder will choose a new index which is based upon comparable information to determine the fixed interest rate.

(C) Determination of New Paymer, Amount

If I choose to exercise the Conversion Option, the Note Helder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe at the Conversion Date in full on the maturity date at My slow fixed interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay too new amount of my monthly payment until the maturity date.

TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST C.

Uniform Covenant 17 of the Security Instrument is amended to read as follows:

Until 1 exercise my Conversion Option under the conditions stated in Section 5 of the Note, (Λ) Uniform Covenant 17 shall be as follows:

Transfer of the Property or a Beneficial Interest.

If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest is sold or transferred) without immediate payment in fall of all sums secured by this Security Instrument, Londer may call all such sums immediately due and payable.

If Lender exercises this right, Lender shall give Borrower notice of week ration. notice shall provide a period of not less than thirty (30) days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

(a) Borrower causes to be submitted to Lender Lender shall not exercise this right if: information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferce; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Londer.
