agreement under which title is reserved in the vendor of any apparatus, fixtures or equipment placed in or upon any buildings or improvements on said property.

B. This mortgage contract provides for additional advances which may be made at the option of the Mortgagee and secured by this mortgage, and it is agreed that in the event of such advances the amount thereof may be added to the mortgage debt and will increase the unpaid balance of the note hereby secured by the amount of such advance and will be a part of said note indebtedness under all of the terms of said note and this contract as fully as if a new such note and contract were executed and delivered.

C. That in case of failure to perform any of the covenants herein, or in the Note and Construction Loan Agreement referred to above, Mortgagee may do on Mortgagor's behalf everything so covenanted; that said Mortgagee may also do any act it may deem necessary to protect the lien hereof; that Mortgagor will repay upon demand any moneys paid or disbursed by Mortgagee for any of the above purposes and such moneys together with interest thereon at the highest rate for which it is then lawful to contract will become so much additional indebtedness secured by this mortgage with the same priority as the original indebtedness and may be included in any decree foreclosing this mortgage and be paid out of the rents or proceeds of sale of said premises if not otherwise paid; that it will not be obligatory upon the Mortgagee to inquire into the validity of any lien, encumbrance or claim in advancing moneys as above authorized, but nothing herein contained will be construed as requiring the Mortgagee to advance any moneys for any purpose nor to do any act hereunder; and the Mortgagee will not incur any personal liability because of anything it may do or omit to do hereunder;

D. That it is the intent hereof to secure payment of said note and obligation whether the entire amount has been advanced to the Mortgagor on the date hereof, or at a later date, and to secure any other amount or amounts that may be added to the mortgage indebtedness under the terms of this mortgage contract and to secure the Mortgagor's prompt performance under the terms of the Construction Loan Agreement referred to above.

E. **DUE-ON-SALE CLAUSE.** The balance of principal and interest then due under and by virtue of any and all notes secured by the mortgage of which this due-on-sale clause is a part, will, at the election of the holder or holders of said note or notes, become immediately due and payable, upon the occurrence (without the prior written consent of the holder or holders of said note or notes) of any one or more of the events hereinafter listed, each of which said events is considered to be an "event of sale," for purposes of this due-on-sale clause.

1. Said "events of sale" are as follows:

- a. A transfer of title to the mortgage premises, or any interest therein, either legal or equitable, to or by a person, persons or entity other than the original mortgagor or mortgagors;
- b. Execution of an agreement to sell the mortgaged premises, or any interest therein;
- c. Sale of a majority or controlling interest in an owner or mortgagor which is a land trust, corporation or other legal entity in a single transaction or in a series or group of transactions, where title to the mortgaged premises, or the effective beneficial use or control of the same is then held in said land trust, corporation or other legal entity;
- d. The granting of a lease which contains, or is granted in conjunction with, an option to purchase the mortgaged premises, or the exercise of any option otherwise granted; or any lease for a term in excess of three years;
- e. Any one or more acts which would, when consideration is given to all surrounding facts and circumstances by a reasonable person, be considered to constitute an effective transfer of beneficial use, ownership or control from the then owner or owners of the premises, to a new person or persons;

2. Each person or entity which succeeds to the ownership, control or beneficial use of the mortgaged premises will succeed to the same, with notice of this due-on-sale clause, and will be bound by its terms and conditions;

3. To the extent that this due-on-sale clause contradicts the terms and conditions of the mortgage of which it is a part, this clause will be considered an amendment thereof, and will prevail over the terms and conditions otherwise therein contained.

F. That time is of the essence hereof and if default be made in performance of any covenant herein contained, or contained in the Construction Loan Agreement, or in making any payment under said note or obligation or any extension or renewal thereof, or if proceedings be instituted to enforce any other lien or charge upon any of said property, or upon the filing of a proceeding in bankruptcy by or against the Mortgagor, or if the Mortgagor makes an assignment for the benefit of his creditors or if his property be placed under control of or in custody of any court, or if the Mortgagor abandon any of said property or upon the sale or transfer of the mortgaged property or an assignment of the beneficial interest in said property without the written consent of the Mortgagee, or upon the death of any maker, endorser or guarantor of the note secured hereby, or in the event of the filing of a suit to condemn all or a part of the said property, then and in any of said events, the Mortgagee is hereby authorized and empowered, at its option and without affecting the lien hereby created or the priority of said lien or any right of the Mortgagee hereunder, to declare without notice, all sums secured hereby immediately due and payable, whether or not such default be remedied by Mortgagor, and apply toward the payment of said mortgage indebtedness any indebtedness of the Mortgagee to the Mortgagor, and said Mortgagee may also immediately proceed to foreclose this mortgage, and in any foreclosure a sale may be made of the premises EN MASSE without offering the several parts separately;

G. That the Mortgagee may employ counsel for advice or other legal service at the Mortgagee's discretion in connection with any dispute as to the debt hereby secured or the lien of this instrument, or any litigation to which the Mortgagee may be a party on account of this lien or which may effect title to the property securing the indebtedness hereby secured or which may affect said debt or lien and any reasonable attorney's fees so incurred will be added to and be a part of the debt hereby secured. Any costs and expenses reasonably incurred in the foreclosure of this mortgage and sale of the property securing the same and in connection with any other dispute or litigation affecting said debt or lien, including reasonably estimated amounts to conclude the transaction, will be added to and be a part of the debt hereby secured. All such amounts will be payable by the Mortgagor to the Mortgagee on demand, and if not paid will be included in any decree or judgment as a part of said mortgage debt and will include interest at the highest contract rate, or if no such contract rate then at the legal rate. In the event of a foreclosure sale of said premises there will first be paid out of the proceeds

thereof all of the aforesaid amounts, then the entire indebtedness then due and payable by the terms hereof or not and the interest due thereon up to the time of such sale, and the excess, if any, will be paid to the Mortgagor, and the purchaser will not be obliged to see to the application of the purchase money.

H. In case the mortgaged property, or any part thereof, is taken by condemnation, the Mortgagee is hereby empowered to collect and receive all compensation which may be paid for any property taken or for damages to any property not taken and all condemnation compensation so received will be forthwith applied by the Mortgagee as it may elect, to the immediate reduction of the indebtedness secured hereby or to the repair and restoration of any property so damaged, provided that any excess over the amount of the indebtedness will be delivered to the Mortgagor or his assignee.

I. All easements, rents, issues, and profits of said premises are pledged, assigned and transferred to the Mortgagee, whether now due or hereafter to become due, under or by virtue of any lease or agreement for the use or occupancy of said property, or any part thereof, whether said lease or agreement is written or verbal, and it is the intention hereof (a) to pledge said rents, issues, and profits on a parity with said real estate and not secondarily and such pledge will not be deemed merged in any foreclosure decree, and (b) to establish an absolute transfer and assignment to the Mortgagee of all such leases and agreements and all the avails thereunder, together with the right in case of default, either before or after foreclosure sale, to enter upon and take possession of, manage, maintain and operate said premises, or any part thereof, make leases for terms deemed advantageous to it, terminate or modify existing or future leases, collect said avails, rents, issues, and profits, regardless of when earned, and use such measures whether legal or equitable as it may deem proper to enforce collection thereof, employ renting agents or other employees, alter or repair said premises, buy furnishings and equipment therefor when it deems necessary, purchase adequate fire and extended coverage and other forms of insurance as may be deemed advisable and in general exercise all powers ordinarily incident to absolute ownership, advance or borrow money necessary for any purpose herein stated to secure which a lien is hereby created on the mortgaged premises and on the income therefrom which lien is prior to the lien of any other indebtedness hereby secured, and out of the income retain reasonable compensation for itself, pay insurance premiums, taxes and assessments, and all expenses of every kind, including attorney's fees and management fees, incurred in the exercise of the powers herein given, and from time to time apply any balance of income not, in its sole discretion, needed for the aforesaid purposes, first on the interest, late charges and advancements and then on the principal of the indebtedness hereby secured, before or after any decree of foreclosure, and on the deficiency in the proceeds of sale, if any, whether there be a decree **IN PERSONAM** therefor or not. Whenever all of the indebtedness secured hereby, is paid, and the Mortgagee, in its sole discretion, feels that there is no substantial uncorrected default in performance of the Mortgagor's agreements herein, the Mortgagee, on satisfactory evidence thereof, will relinquish possession and pay to the Mortgagor any surplus income in its hands. The possession of Mortgagee may continue until all indebtedness secured hereby is paid in full or until the delivery of a deed pursuant to a decree foreclosing the lien hereof, but if no deed be issued, then until the expiration of the statutory period during which it may be issued. Mortgagee will, however, have the discretionary power at any time to refuse to take or to abandon possession of said premises without affecting the lien hereof. Mortgagee will have all powers, if any, which it might have had without this paragraph. No suit will be sustainable against Mortgagee based upon acts or omissions relating to the subject matter of this paragraph unless commenced within sixty days after Mortgagee's possession ceases.

J. That upon the commencement of any foreclosure proceeding hereunder, the court in which such bill is filed may at any time, either before or after sale, and without notice to the Mortgagor, or any party claiming under him, and without regard to the solvency of the Mortgagor or the then value of said premises, or whether the same can be occupied by the owner of the equity of redemption as a homestead, appoint a receiver with power to manage and rent and to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and the statutory period of redemption, and such rents, issues and profits, when collected, may be applied before as well as after the sale, toward the payment of the indebtedness, costs, taxes, insurance or other items necessary for the protection and preservation of the property, including the expenses of such receivership, or on any deficiency decree whether there be a decree therefor **IN PERSONAM** or not, and if a receiver be appointed he will remain in possession until the expiration of the full period allowed by the statute for redemption, whether there be redemption or not, and until the issuance of deed in case of sale, but if no deed be issued, until the expiration of the statutory period during which it may be issued and no lease of said premises will be nullified by the appointment or entry in possession of a receiver but he may elect to terminate any lease junior to the lien hereof.

K. That each right, power and remedy herein conferred upon the Mortgagee is cumulative of every other right or remedy of the Mortgagee, whether herein or by law conferred, and may be enforced concurrently therewith, and no waiver by the Mortgagee of performance of any covenant herein or in said obligation contained will thereafter in any manner affect the right of Mortgagee to require or enforce performance of the same of any other of said covenants; that wherever the context hereof requires, the masculine gender, as used herein, includes the feminine and the neuter and the singular number, as used herein, includes the plural; that all rights and obligations under this mortgage extend to and are binding upon the respective successors and assigns of the Mortgagor, and the successors and assigns of the Mortgagee; and that the powers herein mentioned may be exercised and often, as occasion therefor arises.

L. This mortgage secures a certain note, of even date, and Construction Loan Agreement, all of the terms and conditions of which are, by reference, made a part of this mortgage.

IN WITNESS WHEREOF, the Mortgagor has executed this Mortgage this 4TH day of SEPTEMBER, 1992.
