UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

- 1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.
- 2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in lieu of the payment of merigage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 et seq. ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shill be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender it connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or self the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

- 3. Application of Payments. Unless applicable law provides otherwise, all pot ments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note, second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.
- 4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground sees, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of attracts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Londer and shall include a standard mortgage charse. Leader shall have the right to hold the policies and renewals. If Leader requires, Barrower shall promptly give to Leader all reveipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt netice to the insurance carrier and Leader, Leader may make proof of loss if not made promptly by Borrower.

Unless Londer and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Londer's security is not tessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the same secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Londer may use the proceeds to repair or restore the Property or to pay same secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Legiter and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the two date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 2) the Property is acquired by Londer, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

Borrower shall not desirny, damage or impair the Property, all by the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith Judgment could result in forfeiture of the Property or otherwise importally impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and robustate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a rating that, in Londer's good faith determination, precludes forfeithre of the Borrower's interest in the Property or other material impairment of the lieu created by this Security Instrument or Londer's security interest. Borrower shall also be in default if Borrower, during the lean application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender wide any material information) in connection with the foan evidenced by the Note, including, but not limited to, representations or seeming Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borroy exchall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.
- 7. Protection of Lender's Rights in the Property. If Borrower fails to be form the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly rifect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's lights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appointing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower accured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall be interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN INTEREST RATE AND TOP MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MINIMUM AND MAXIMUM RATES I MUST PAY. IF THE INTEREST RATE PAYMENTS WILL BE HIGHER. THE MONTHLY INCREASES. INTEREST RATE DECREASES. THE MONTHLY **PAYMENTS** ON THE DATE(S) SPECIFIED BELOW, I MAY CONVERT THE ADJUSTABLE RATE LOAN INTO A FIZED_RATE, LEVEL PAYMENT, FULLY AMORTIZING LOAN.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree vs. follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of one (1) year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date forty-five (45) days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding two and three quarters pecentage points (2.75%) ("the Margin") to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limitations in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpuid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of any monthly payment.

(D) Limits of Interest Rate Changes

or decreased on any single Change Date by more than two percentage points (2,00%) from the rate of interest I have been poyner for the preceding (12) months.

The interest rate over the entire term of the loan will not exceed 12%, and will never decrease to a rate less than the Margin. If a change in the Current Index would otherwise cause the new interest rate to exceed the two perceitage points (2.00%) rate adjustment limitations, or the 12% maximum interest rate, the unused portion of such increase or decrease will not be carried forward and applied to change the rate in future years. My interest rate will never be greater than 12% or less than the Margin, even if I exercise my option to convert what fixed rate.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective and of any change. The notice will include: information required by law to be given me and also the afte and telephone number of a person who will. answer any questions I may have regarding the notice. If I may convert my loan as provided in Section 5 of the Note, the notice will also include the following information regarding conversion on the Change Date:

- the fixed interest rate I will pay if I choose to convert my loan to a fixed interest rate (i)
- (ii)
- the amount of my new monthly payment at the fixed rate of interest; and the date by which I must execute and deliver to the Note Helder all documents that the (iii) Note Holder requires to effect the conversion.

The first five notices will also remind me of my option to convert to a fixed rate on the first day of any month starting with the first Change Date through and including the lifth Change Date. I may call the Lender fifteen (15) or more days before the first day of any month at (800) 533-4525, to give notice of my intention to exercise my option to convert, as long as the conversion date is the first day of a month between the first and fifth Change Dates. The information specified in clauses (i), (ii) and (iii) above will be given to me at that time.

CONVERSION TO FIXED INTEREST RATE

The Note also provides the Borrower an option to convert the adjustable rate loan into a fixed interest rate loan as follows:

FIXED INTEREST RATE OPTION 5.

(A) Option to Convert to a Fixed Rate

I have a "Conversion Option" which I can exercise if I satisfy the conditions described in this Section 5(A) and I am not in default. The Conversion Option is my option to convert the interest rate I am required to pay under Sections 2 and 4 of the Note from an adjustable rate to a fixed rate.

The conversion can only take place on the first Change Date or on the first day of each month thereafter until and including the fifth Change Date. The date on which my interest rate converts from an adjustable rate to fixed rate is called the "Conversion Date."

If I want to exercise the Conversion Option, I must first meet certain conditions. conditions are that: (a) I must give the Note Holder notice that I am doing so at least fifteen (15) days before the Conversion Date; (b) on the Conversion Date, I am not in default under the Note or Security Instrument; (c) by the Conversion Date, I must pay the Note Holder a conversion fee of \$250.00; and (d) I must sign and give the Note Holder any documents the Note Holder requires to effect the conversion.

(B) Celculation of Fixed Rate

My new fixed interest rate will be equal to the Federal National Mortgage Association's required commitments that was in offect as of the date forty-five (45) days before the Conversion Date, plus fiveeighths of one percent (0.625%) (or seven-eighths of one percent (0.875%) if the original loan amount is over \$202,300 on a single family home, or if the property is a cooperative apartment, or one and oneeighth [1,125%] on all loans by a \$1 million) rounded to the nearest one-eighth of one percentage point (0.125%).

Information about this New Yield is available through the Federal National Mortgage Association, 3900 Wisconsin Avenue, N.W., Washington, D.C., 20016. If this required Not Yield is not available, the Note Holder will choose a new inder, which is based upon comparable information to determine the fixed interest rate.

(C) Determination of New Payment A nount

If I choose to exercise the Conversion Olston, the Now Holder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe at the Conversion Date in full on the maturity date at my new fixed interest rate in substantially equal payments. The result of this calculation will be the new amount of riv monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new amount of my monthly payment until the maturity date.

TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST C.

Uniform Covenant 17 of the Security Instrument is amended to read as follows:

Until I exercise my Conversion Option under the conditions stried in Section 5 of the Note, Uniform Covenant 17 shall be as follows:

Transfer of the Property or a Beneficial Interest.

If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest is sold or unnsferred) without immediate payment in full of all sums secured by this Security Instrument, Lender may call all such sums immediately due and payable.

If Lender exercises this right, Lender shall give Borrower notice of acceleration. notice shall provide a period of not less than thirty (30) days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Londer may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

Lender shall not exercise this right if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferce; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lenter may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

(B) If I exercise my Conversion Option under the conditions stated in Section 5 of the Note, Uniform Covenant 17 described in (A) above shall then cease to be in effect, and Uniform Covenant 17 shall instead be as follows:

Transfer of the Property or a Beneficial Interest.

If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest is sold or transferred) without immediate payment in full of all sums secured by this Security Instrument, Londor may call all such sums immediately due and payable.

If Londer exercises this right, Londer shall give Borrower notice of accoleration. The notice shall provide a period of not less than thirty (30) days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Londer may invoke any remedies permitted by this Security Instrument without further notice or domaind on Borrower.

D. EFFECTIVENESS OF PROVISIONS

Upon Borrower's delivery of the executed documents required by the Note Holder to effect conversion to a fixed interest rate, section (A) above shall course to be effective.

BY SIGNING BELOW, Borover accepts and agrees to the terms and covenants contained in this Adjustable/Convertible Rate Rider.
