Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charge. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Borrower shall promptly pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal Lender's estimate, as described below, one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums, and (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; any similar items which are commonly paid by borrowers to lenders, whether now or in the future in connection with a secured debt. These items described in (a)-(f) are called "Escrow Items".

The Funds shall be placed in an account ("Escrow Account") at an institution whose deposits are insured by a federal or state agency, instrumentality or entity (including Lender if Lender is such an institution) or at any Federal Home Loan Bank. Lender may charge Borrower for holding and applying the Funds, analyzing the Escrow Account and verifying the Escrow Items, and Lender may require Borrower to pay a one-time charge to establish a real estate tax reporting service used or provided by the Lender in connection with this loan. Lender shall not be required to pay borrower any interest or earnings on the Funds.

Lender shall annually analyze the Escrow Account to determine the adequacy of the monthly Funds being collected for each Escrow Item; at its option Lender may analyze the Escrow Account more frequently. Lender shall estimate the amount of Funds needed in the Escrow Account, to pay future Escrow Items when due, on the basis of: (i) current data, including the anticipated disbursement dates for each Escrow Item; (ii) reasonable estimates of expenditures of future Escrow Items; (iii) the time interval between disbursements for each Escrow Item; and (iv) the amount of Funds in the Escrow Account for each Escrow Item at the time Lender analyzes the Escrow Account. Lender and Borrower agree that Lender's estimate of the amount of Funds needed in the Escrow Account is an approximate calculation. At any time if the amount of Funds in the Escrow Account for each Escrow Item will not be sufficient to pay each Escrow Item when due, Lender may notify Borrower in writing and may require Borrower to pay Lender the amount of the deficiency. Borrower shall be in default if, after receipt of notice from Lender, Borrower fails to timely pay Lender the amount of the deficiency. At Lender's sole discretion, Borrower may repay any deficiency in no more than 12 monthly payments. If Lender's Escrow Account analysis indicates that the Funds in the Escrow Account for each Escrow Item exceed the amount Lender estimates is needed to pay each future Escrow Item

7. Protection of Lender's Rights in the Property, If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or if there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, or court action to enjoin or restrain a transfer of real property), Lender's actions may pay for what ever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying sums accrued by a lender which has priority over this Security Interest, applying in court, paying reasonable attorney's fees and paying fees for periodic inspection of the Property, in addition to reasonable attorney's fees and reasonable expenses of defending this Security Interest.

5. **Insured or Proprietary Insurance:** Botower shall keep the insurance coverage or reinsurance effective during the term, except that Botower may make prompt notice to the insured if loss is not made prompt by Botower.

Borrower shall promptly discharge any lien which has priority over this Security instrument unless Borrower has paid in full all amounts due under this Security instrument.

3. Application of Payments. Unless otherwise provided, all payments received by Lender under paragraphs

Lender's shall apply the Funds to pay the Escrow items when due. Lender's shall give to Borrower an annual account showing credits and debits to the Escrow Account and the purpose for which each debit is made. The Escrow Account shall be held by Lender's until all sums received by Lender's are disbursed to the security instrument. Upon payment in full of all sums received by Lender's, the Escrow Account is closed. The Funds in the Escrow Account are pledged to Lender's as additional security for all sums received by the Escrow Accountant. The Funds in the Escrow Account are held by Lender's until all sums received by the Escrow Accountant are disbursed to Lender's prior to the date of sale of the security instrument. The Funds in the Escrow Account are held by Lender's until all sums received by Lender's are disbursed to the security instrument.

When due, Lender shall demand and receive payment of the principal amount of the Note and all interest and other amounts due hereunder. Lender shall have the right to require payment of any such excess to Borrower within 30 days of receipt of funds, estimated as described above, and to ensure that the Funds in the Escrow account will be sufficient to pay Escrow account expenses. In addition to the monthly escrow payments, Lender may require Borrower to maintain an additional balance of Funds not to exceed [REDACTED] when due, to ensure that the Escrow account has sufficient funds to pay Escrow account expenses.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment. In addition, subject to applicable law, Borrower agrees to pay Lender interest at the Note rate on all other sums secured by this Security Instrument which are due and unpaid.

8. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect. If for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of the Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not the same are then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

Modifications of any of Borrower's or Lender's covenants or agreements under this Security Instrument or the Note shall not (i) act as a satisfaction, release ornovation, (ii) change or impair Lender's security interest or lien priority in the Property; (iii) affect Lender's rights to prohibit or restrict future modification requested by Borrower; or (iv) affect Lender's rights or remedies under this Security Instrument or the Note.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit, and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by personal delivery or by sending it by: (i) first class mail postage prepaid, or (ii) prepaid overnight delivery service, or (iii) any similar common or private carrier or delivery method generally accepted in the locality where the property is located, unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail postage prepaid to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Severability. This Security instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

Before each Change Date, the Note Holder will calculate my new interest rate by adding THREE percentage points (3.0000%) to the Current Date. The Note Holder will then result of this addition to the next Change Date.

(C) Calculation of Changes

The Note Holder will give me notice of this choice. If the index is no longer available, the Note Holder will choose a new index which is based upon comparable information from the most recent index available as of the date 30 days before each Change Date is called the "Current Index".

Beginning on the first Change Date, my interest rate will be based on an index. The "Index" is the weekly average yield of a Limited Series Treasury Securities adjusted to a constant maturity of three years, as made available by the Federal Reserve Board. The most recent index figure available as of the date 30 days before each Change Date is called the "Current Index".

(B) The Index

Each date on which my interest rate would change is called a "Change Date". The interest rate may change on October 1, 1995, and on that day every thirty-sixth (36th) month thereafter.
