### UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

**1. Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

**2. Funds for Taxes and Insurance.** Borrower shall promptly pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal Lender's estimate as described below, one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; any similar items which are commonly paid by borrowers to lenders, whether now or in the future in connection with a secured debt. These items described in (a)-(f) are called "Escrow Items".

The Funds shall be placed in an account ("Escrow Account") at an institution whose deposits are insured by a federal or state agency, instrumentality or entity (including Lender if Lender is such an institution) or at any Federal Home Loan Bank. Lender may charge Borrower for holding and applying the Funds, analyzing the Escrow Account and verifying the Escrow Items, and Lender may require Borrower to pay a one-time charge to establish a real estate tax reporting service used or provided by the Lender in connection with this loan. Lender shall not be required to pay borrower any interest or earnings on the Funds.

Lender shall annually analyze the Escrow Account to determine the adequacy of the monthly Funds being collected for each Escrow Item; at its option Lender may analyze the Escrow Account more frequently. Lender shall estimate the amount of Funds needed in the Escrow Account, to pay future Escrow Items when due, on the basis of: (i) current data, including the anticipated disbursement dates for each Escrow Item; (ii) reasonable estimates of expenditures of future Escrow Items; (iii) the time interval between disbursements for each Escrow Item; and (iv) the amount of Funds in the Escrow Account for each Escrow Item at the time Lender analyzes the Escrow Account. Lender and Borrower agree that Lender's estimate of the amount of Funds needed in the Escrow Account is an approximate calculation. At any time if the amount of Funds in the Escrow Account for each Escrow Item will not be sufficient to pay each Escrow item when due, Lender may notify Borrower in writing and may require Borrower to pay Lender the amount of the deficiency. Borrower shall be in default if, after receipt of notice from Lender, Borrower fails to timely pay Lender the amount of the deficiency. At Lender's sole discretion, Borrower may repay any deficiency in no more than 12 monthly payments. If Lender's Escrow Account analysis indicates that the Funds in the Escrow Account for each Escrow Item exceed the amount Lender estimates is needed to pay each future Escrow Item when due, Lender shall refund any such excess to Borrower within 30 days of the Escrow Account analysis. In addition to the Funds estimated as described above, and to ensure that the Funds in the Escrow Account will be sufficient to pay Escrow Items when due, Lender may require Borrower to maintain in the Escrow Account an additional balance of Funds not to exceed 2 monthly escrow payments.

Lender shall apply the Funds to pay the Escrow items when due. Lender shall give to Borrower an annual accounting of the Escrow Account, showing credits and debits to the escrow Account and the purpose for which each debit from the Escrow Account was made. The Funds in the Escrow Account are pledged to Lender as additional security for all sums secured by this Security Instrument. Upon payment in full of all sums secured by this Security Instrument, Lender shall refund to Borrower any Funds held by Lender. Such refund shall be made within 30 days of Borrower's payment of all sums secured by this Security Instrument.
