payments may no longer be required at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

(Conditional Modification and Extension of Loan Terms)

THIS BALLOON RIDER (the "Rider") is made this 17TH day of SEPTEMBER and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower" or "I") to secure the Borrower's Balloon Note (the "Note") to FIRST HOME MORTGAGE CORPORATION (the "Lender") of the same date and covering the property described in the Security Instrument and located at 4036 TERRAMERE AVENUE, ARLINGTON HEIGHTS, ILLINOIS 60004

(Property Address)

The interest rate stated on the Note is called the "Note Rate". The date of the Note is called the "Note Date". I understand the Lender may transfer the Note, Security Instrument and this Rider. The Lender or anyone who takes the Note, the Security Instrument and this Rider by transfer and who is entitled to receive payments under the Note is called the "Note Holder".

ADDITIONAL COVENANTS: In addition to the covenants and agreements in the Note and the Security Instrument, the Borrower and the Lender further covenant and agree as follows (notwithstanding anything to the contrary contained in the Note or Security Instrument):

1. CONDITIONAL MODIFICATION AND EXTENSION OF LOAN TERMS

At the Maturity Date of the Note and Security Instrument (the "Maturity Date") I will have the option to extend the Maturity Date 30 years and modify the Note Rate to a market level adjustable rate as determined in accordance with Section 3 below, if all the conditions provided in Section 2 below are met (the "Conditional Modification and Extension Option"). I understand the Note Holder is under no obligation to refinance or modify the Note, or to extend the Maturity Date, if those conditions are not met; and that in such event I will have to repay the Note from my own resources or find a lender willing to lend me the money to repay the Note.

2. CONDITIONAL REQUIREMENTS

If I want to exercise the Conditional Modification and Extension Option at maturity, certain conditions must be met as of the Maturity Date. The conditions are: (1) I must still be the owner and occupant of the property subject to the Security Instrument (the "Property"); (2) I must be current in my monthly payments and CANNOT have been more than 30 days late on any of the 12 scheduled payments immediately preceding the Maturity Date; (3) no lien against the Property (except for taxes and special assessments not yet due and payable), other than the Security Instrument, may exist; (4) I must make a written request to the Note Holder as provided in Section 5 below; (5) I must pay to the Note Holder a non-refundable extension processing fee equal to one-quarter of one percentage point (0.25%) of the outstanding principal balance as of the Maturity Date, unless prohibited by applicable law; and (6) I must execute a modification agreement to extend the Maturity Date and establish the initial Modified Note Rate.

3. CALCULATING THE INITIAL MODIFIED NOTE RATE

The Initial Modified Note Rate will be equal to the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one-year as published in the Federal Reserve Board's publication H.R. 15, 75 days prior to the Maturity Date, plus two and three-quarters percent (2.75%), rounded down to the nearest one-eighth of one percentage point (0.125%). The initial modified note rate will not be greater than six percent (6%) above the original balloon note rate. If the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one-year is not available, the Note Holder will determine the initial modified interest rate by using comparable information.

I understand that the Initial Modified Note Rate may change on each one year anniversary of the date the modification is executed. The Modified Note Rate will be based on an Index and calculated by adding two and three-quarters percent (2.75%) (the "Margin") to the Current Index and rounding the sum to the nearest one-eighth of one percent (0.125%). The "Index" will be the weekly average yield on United States Treasury securities adjusted to a constant maturity of one year, as made available by the Federal Reserve Board. The most recent index figure available, as of the date 45 days before each anniversary of the modification, will be called the "Current Index".

4. CALCULATING THE NEW PAYMENT AMOUNT

Provided all conditions required in Section 2 above are satisfied, the Note Holder will determine the amount of the monthly payment that will be sufficient to repay in full (a) the unpaid principal, plus (b) accrued but unpaid interest I will owe on the Maturity Date (assuming my monthly payments then are current, as required under Section 2 above), over 30 years at the Initial Modified Note Rate in equal monthly payments. The result of this calculation will be the new amount of my principal and interest payment every month until the first adjustment of the Modified Note Rate pursuant to the Modification Agreement to be executed at the time the extension option is exercised.

Once the Initial Modified Note Rate has been established, there are two limitations on increases or decreases to the interest rate. First, the interest rate will not change by more than two percentage points (2%) when compared to the interest rate in effect during the preceding twelve (12) months. Second, the interest rate will never be greater than the maximum interest rate stated in the modification agreement (subject to state usury requirements). The maximum interest rate, which will be known as your "Interest Rate Cap", is six percentage points (6%) above the initial interest rate of your balloon loan or 12.95%, whichever is greater.

5. EXERCISING THE EXTENSION OPTION

The Note Holder will notify me at least 60 calendar days in advance of the Maturity Date and advise me of the principal and unpaid interest due on the Maturity Date. The Note Holder will also provide me with a description of the historical performance of the Index and inform me of the maximum interest rate and payment which may be due under the Modified Note Rate. The Note Holder also will advise me that I may exercise the extension option if the conditions in Section 2 above are met. The Note Holder will provide my payment record information, together with the name, title and address of the person representing the Note Holder that I must notify in order to exercise the extension option. If I meet the conditions of Section 2 above, I may exercise the extension option by notifying the Note Holder no later than 45 calendar days prior to the Maturity Date. The Note Holder will calculate the Initial Modified Note Rate in accordance with Section 3 above. I will then have 30 calendar days to provide the Note Holder with acceptable proof of my required ownership, occupancy and property lien status. Before the Maturity Date the Note Holder will advise me of the new interest rate (the Initial Modified Note Rate), new monthly payment amount and a date, time and place at which I must appear to sign any documents required to complete the required Note modification and Maturity Date extension.

BY SIGNING BELOW, I, as the Borrower, accept and agree to the terms and covenants contained in this Balloon Rider.
