UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Funds for Taxes and Insurance.** Borrower shall promptly pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal Lender's estimate, as described below, one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; any similar items which are commonly paid by borrowers to lenders, whether now or in the future in connection with a secured debt. These items described in (a)-(f) are called "Escrow Items".

The Funds shall be placed in an account ("Escrow Account") at an institution whose deposits are insured by a federal or state agency, instrumentality or entity (including Lender if Lender is such an institution) or if any Federal Home Loan Bank. Lender may charge Borrower for holding and applying the Funds, analyzing the Escrow Account, and verifying the Escrow Items, and Lender may require Borrower to pay a one-time charge to establish a real estate tax reporting service used or provided by the Lender in connection with this loan. Lender shall not be required to pay borrower any interest or earnings on the Funds.

Lender shall annually analyze the Escrow Account to determine the adequacy of the monthly Funds being collected for each Escrow Item; at its option Lender may analyze the Escrow Account more frequently. Lender shall estimate the amount of Funds needed in the Escrow Account, to pay future Escrow Items when due, on the basis of: (i) current data, including the anticipated disbursement dates for each Escrow Item; (ii) reasonable estimates of expenditures of future Escrow Items; (iii) the time interval between disbursements for each Escrow Item; and (iv) the amount of Funds in the Escrow Account for each Escrow Item at the time Lender analyzes the Escrow Account. Lender and Borrower agree that Lender's estimate of the amount of Funds needed in the Escrow Account is an approximate calculation. At any time if the amount of Funds in the Escrow Account for each Escrow Item will not be sufficient to pay each Escrow Item when due, Lender may notify Borrower in writing and may require Borrower to pay Lender the amount of the deficiency. Borrower shall be in default if, after receipt of notice from Lender, Borrower fails to timely pay Lender the amount of the deficiency. At Lender's sole discretion, Borrower may repay any deficiency in no more than 12 monthly payments. If Lender's Escrow Account analysis indicates that the Funds in the Escrow Account for each Escrow Item exceed the amount Lender estimates is needed to pay each future Escrow Item when due, Lender shall refund any such excess to Borrower within 30 days of the Escrow Account analysis. In addition to the Funds estimated as described above, and to ensure that the Funds in the Escrow Account will be sufficient to pay Escrow Items when due, Lender may require Borrower to maintain in the Escrow Account an additional balance of Funds not to exceed 2 monthly escrow payments.

Lender shall apply the Funds to pay the Escrow Items when due. Lender shall give to Borrower an annual accounting of the Escrow Account, showing credits and debits to the escrow Account; and the purpose for which each debit from the Escrow Account was made. The Funds in the Escrow Account are pledged to Lender as additional security for all sums secured by this Security Instrument. Upon payment in full of all sums secured by this Security Instrument, Lender shall refund to Borrower any Funds held by Lender. Such refund shall be made within 30 days of Borrower's payment of all sums secured by this Security Instrument. If under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the

- H. **ASSIGNMENT OF RENTS; APPOINTMENT OF RECEIVER; LENDER IN POSSESSION.** Borrower absolutely and unconditionally assigns and transfers to Lender all the rents and revenues of the Property regardless of to whom the Rents of the Property are payable. Borrower authorizes Lender or Lender's agents to collect the Rents and agrees that each tenant of the Property shall pay the Rents to Lender or Lender's agents. However, borrower shall receive the Rents until (i) Lender has given borrower notice of default pursuant to paragraph 21 of the Security Instrument and (ii) Lender has given notice to the tenants that the Rents are to be paid to Lender or Lender's agent. This assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower: (i) all Rents received by Borrower shall be held by Borrower as Trustee for the benefit of Lender only, to be applied to the sums secured by the Security Instrument; (ii) Lender shall be entitled to collect and receive all of the Rents of the Property; (iii) Borrower agrees that each tenant of the Property shall pay all Rents due and unpaid to Lender or Lender's agent on Lender's written demand to the tenant; (iv) unless applicable law provides otherwise, all Rents collected by Lender or Lender's agents shall be applied first to the cost of taking control of and managing the Property and collecting the Rents, including, but not limited to, attorney's fees, receiver's fees, premiums on receiver's bonds, repair and maintenance costs, insurance premiums, taxes, assessments and other charges on the Property, and then to the sums secured by the Security Instrument; (v) Lender, Lender's agents or any judicially appointed receiver shall be liable to account for only those Rents actually received; and (vi) Lender shall be entitled to have a receiver appointed to take possession of and manage the Property and collect the Rents and profits derived from the Property without any showing as to the inadequacy of the Property as security.

If the Rents of the Property are not sufficient to cover the costs of taking control of and managing the Property and of collecting the Rents any funds expended by Lender for such purposes shall become indebtedness of Borrower to Lender secured by the Security Instrument pursuant to Uniform Covenant 7.

Borrower represents and warrants that Borrower has not executed any prior assignment of the Rents and has not and will not perform any act that would prevent Lender from exercising its rights under this paragraph.

Lender or Lender's agents or a judicially appointed receiver, shall not be required to enter upon, take control of or maintain the Property before or after giving notice of breach to Borrower. However, Lender, or Lender's agents or a judicially appointed receiver may do so at any time when a default occurs. Any application of rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of Rents of the Property shall terminate when the debt secured by the Security Instrument is paid in full.

- I. **CROSS-DEFAULT PROVISION.** Borrower's default or breach under any note or agreement in which Lender has an interest shall be a breach under the Security Instrument and Lender may invoke any of the remedies permitted by the Security Instrument.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and provisions contained in this 1-4 Family Rider.
