Other factors that may determine whether or not Bottowever's derivative option is exercisable are the following:

5. Headed as *Property Insurance*, Bottowers shall keep the improvements now, or in the future erected on the Property named therein free by fire, hazards included within the term "fire and any other hazards", including floods or flooding, for which Lender requires insurance, and any other hazards, for the periods fixed by the parties, which shall not be more than three years, unless otherwise provided in the agreement.

Paragraph 2: third, to interests due, fourth, to principle, fifth, to any late charges due under the Note, principal, 4. Charges, Lessor, Borrower shall pay all late, assessments, charges, fines and improvements applicable to the property which may accrue prior to the Security interest, and leasehold payments or ground rents, if any, Borrower shall pay these obligations in the manner provided in paragraph 1, or if not paid in full within, Borrower shall pay them on time day to the person owed payment, Borrower shall promptly furnish to Lessor all notices of amounts so paid under this paragraph, if Borrower makes these payments directly, Borrower shall promptly furnish to Lessor evidence of such payment.

3. **Application of Penalties.** Unless otherwise provided by law or by other provisions of this Charter, all penalties provided by law under

Upon payment in full of all sums received by this Security Intermediary, Lender shall release its sole possession of any Bonds held by Lender at the date hereof and Lender shall acquire of all the Property, Securities, papers or any other instrument or document of title to the same, which may be held by Lender at the date hereof.

If the P.D. has held the hearing to receive the amounts demanded to be held by applicable law, Lender shall proceed to Borrower

the principal of and master of the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the first day of each month any amounts which may accrue during the term of the Note in full, until such time as security interest over this Security Instrument ceases to exist on the Property; (a) yearly taxes and assessments which may accrue under the Note; (b) a sum of \$ [REDACTED] per annum; (c) yearly insurance premiums of \$ [REDACTED] per annum; (d) yearly property taxes and assessments which may accrue under the Note; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of Paragraph 8, in lieu of the payment of mortgage insurance premiums. These taxes and assessments shall be paid by Borrower to Lender prior to the date when they become due and payable. Lender may determine the amount of funds due on the basis of current data and expenses for taxes and insurance. Lender may require the amount of funds due on the basis of current data and expenses for taxes and insurance. Lender does not a lesser amount; if so, Lender may, at any time, collect and hold funds in an escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended to the extent necessary to cover the cost of title insurance premiums for a lender who federally regulates loans made under the Federal Home Loan Bank Board ("FHLBB"). Unless otherwise provided in the Note, all costs of title insurance premiums shall be paid by Borrower.

**LITIGATION COVENANTS.** Borrower and Lender covenant and agree as follows:

**6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds.** Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

**7. Protection of Lender's Rights in the Property.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and enjoining on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

**8. Mortgage Insurance.** If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept the and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

**9. Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

**10. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

**11. Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

**12. Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

21. Accredited: Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant in this Security Instrument (but not prior to acceleration under paragraph 17 because application of paragraph 17 provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) when failure to cure the default on or before the date specified in the notice may result in acceleration of the entire sum secured by this Security Instrument or by judicial proceedings and sale of the Property. The notice shall further inform Borrower of its right to accelerate and the right to sell in the foreclosure pro- cess; and (e) when failure to pay taxes within 30 days from the date the notice is given to Borrower, by which the default must be cured; (f) when failure to pay taxes within 30 days from the date the notice is given to Borrower, by which the default must be cured; (g) when failure to pay taxes within 30 days from the date the notice is given to Borrower, by which the default must be cured; and (h) when failure to pay taxes within 30 days from the date the notice is given to Borrower, by which the default must be cured.

**NON-UNIFORM COVARIANTS.** Bottower and Lender further covariant and agree as follows:

19. **Bank or Notee; Change of Lessor; Service.** The title or a part of the Note (together with the Security Instrument) may be sold or otherwise transferred by the Notee without prior notice to Borrower. A sale may result in a change in the entity (known as the "Lessor Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Lessor Servicer unrelated to a sale of the Note. If there is a change of the Lessor Servicer, Borrower will be given written notice of the change in the event of a prepayment of the Note. If there is a change of the new Lessor Servicer, all the addresses to which payments should be made will also change and address information required by applicable law.

20. **Borrower's Substances.** Borrower shall not cause or permit the presence, use, storage, disposal, or release of any Hazardous Substances of any Environmental Law. The proceeding substances shall not apply to the presence, use, or storage of small quantities of Hazardous Substances that are generally recognized to be appropriate for the protection of any Environmental Law. The proceeding substances shall not apply to the presence, use, or storage of any property of any Environmental Law.

17. Transfer of the Property or a Beneficial Interest in Borrower. [ ] all or any part of the Property or any interest in the property or assets of Borrower may be transferred to another person or entity, such transfer must be made in writing and must be approved by the Lender. Borrower's failure to obtain the Lender's consent to a proposed transfer will result in an automatic default under this Agreement.

18. Borrower's Creditor. Borrower's failure to pay debts to its creditors will result in an automatic default under this Agreement.

19. Security Interest. If Borrower fails to pay debts to its creditors within the time period specified in the Note, the Lender may invoke its security interest in the property described in the Note to satisfy the debt.

20. Acceleration of Maturity. If Borrower fails to pay debts to its creditors within the time period specified in the Note, the Lender may declare the Note due and payable immediately.

13. **Loan Charges.** If the loan secured by this Security Instrument is subject to a law which does not permit loans

Riders to this Security Instrument.** If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the rider(s) were a part of this Security Instrument.

## BALLOON RIDER

### (CONDITIONAL MODIFICATION AND EXTENSION OF LOAN TERMS)

THIS BALLOON RIDER is made this **28** day of **SEPTEMBER**, 19 **92**, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure the Borrower's Note to **GMAC MORTGAGE CORPORATION OF PA** (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

**610 W. BRAESIDE DRIVE, ARLINGTON HTS., IL 60004**

(Property Address)

The interest rate stated on the Note is called the "Note Rate." The date of the Note is called the "Note Date." I understand the Lender may transfer the Note, Security Instrument and this Rider. The Lender or anyone who takes the Note, the Security Instrument and this Rider by transfer and who is entitled to receive payments under the Note is called the "Note Holder."

**ADDITIONAL COVENANTS.** In addition to the covenants and agreements in the Security Instrument, Borrower and Lender further covenant and agree as follows (despite anything to the contrary contained in the Security Instrument or the Note):

#### 1. CONDITIONAL MODIFICATION AND EXTENSION OF LOAN TERMS

At the maturity date of the Note and Security Instrument (the "Note Maturity Date"), I will be able to extend the Note Maturity Date to **OCTOBER 01, 2022** (the "Extended Maturity Date") and modify the Note Rate to the "Modified Note Rate" determined in accordance with Section 3 below if all the conditions provided in Sections 2 and 5 below are met (the "Conditional Modification and Extension Option"). If those conditions are not met, I understand that the Note Holder is under no obligation to refinance the Note or modify the Note, reset the Note Rate or extend the Note Maturity Date, and that I will have to repay the Note from my own resources or find a lender willing to lend me the money to repay the Note.

#### 2. CONDITIONS TO OPTION

If I want to exercise the Conditional Modification and Extension Option, certain conditions must be met as of the Note Maturity Date. These conditions are: (1) I must still be the owner and occupant of the property subject to the Security Instrument (the "Property"); (2) I must be current in my monthly payments and cannot have been more than 30 days late on any of the 12 scheduled monthly payments immediately preceding the Note Maturity Date; (3) there are no liens, defects, or encumbrances against the Property, or other adverse matters affecting title to the Property (except for taxes and special assessments not yet due and payable) arising after the Security Instrument was recorded; (4) the Modified Note Rate cannot be more than 5 percentage points above the Note Rate; and (5) I must make a written request to the Note Holder as provided in Section 5 below.

#### 3. CALCULATING THE MODIFIED NOTE RATE

The Modified Note Rate will be a fixed rate of interest equal to the Federal Home Loan Mortgage Corporation's required net yield for 30-year fixed rate mortgages subject to a 60-day mandatory delivery commitment, plus one-half of one percent (0.5%), rounded to the nearest one-eighth of one percent (0.125%) (the "Modified Note Rate"). The required net yield shall be the applicable net yield in effect on the date and time of day that I notify the Note Holder of my election to exercise the Conditional Modification and Extension Option. If this required net yield is not available, the Note Holder will determine the Modified Note Rate by using comparable information.

#### 4. CALCULATING THE NEW PAYMENT AMOUNT

Provided the Modified Note Rate as calculated in Section 3 above is not greater than 5 percentage points above the Note Rate and all other conditions required in Section 2 above are satisfied, the Note Holder will determine the amount of the monthly payment that will be sufficient to repay in full (a) the unpaid principal plus (b) accrued but unpaid interest, plus (c) all other sums I will owe under the Note and Security Instrument on the Note Maturity Date (assuming my monthly payments then are current, as required under Section 2 above), over the remaining extended term at the Modified Note Rate in equal monthly payments. The result of this calculation will be the new amount of my principal and interest payment every month until the Note is fully paid.

#### 5. EXERCISING THE CONDITIONAL MODIFICATION AND EXTENSION OPTION

The Note Holder will notify me at least 60 calendar days in advance of the Note Maturity Date and advise me of the principal, accrued but unpaid interest, and all other sums I am expected to owe on the Note Maturity Date. The Note Holder also will advise me that I may exercise the Conditional Modification and Extension Option if the conditions in Section 2 above are met. The Note Holder will provide my payment record information, together with the name, title and address of the person representing the Note Holder that I must notify in order to exercise the Conditional Modification and Extension Option. If I meet the conditions of Section 2 above, I may exercise the Conditional Modification and Extension Option by notifying the Note Holder no earlier than 60 calendar days and no later than 45 calendar days prior to the Note Maturity Date. The Note Holder will calculate the fixed Modified Note Rate based upon the Federal Home Loan Mortgage Corporation's applicable published required net yield in effect on the date and time of day notification is received by the Note Holder and as calculated in Section 3 above. I will then have 30 calendar days to provide the Note Holder with acceptable proof of my required ownership, occupancy and property lien status. Before the Note Maturity Date the Note Holder will advise me of the new interest rate (the Modified Note Rate), new monthly payment amount and a date, time and place at which I must appear to sign any documents required to complete the required Note Rate modification and Note Maturity Date extension. I understand the Note Holder will charge me a \$250 processing fee and the costs associated with the exercise of the Conditional Modification and Extension Option, including but not limited to the cost of updating the title insurance policy.
