TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seised of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

**1. Payment of Principal, Interest and Late Charge.** Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and late charges due under the Note.

**2. Monthly Payments of Taxes, Insurance and Other Charges.** Borrower shall include in each monthly payment, together with the principal and interest as set forth in the Note and any late charges, an installment of any (a) taxes and special assessments levied or to be levied against the Property, (b) leasehold payments or ground rents on the Property, and (c) premiums for insurance required by paragraph 4.

Each monthly installment for items (a), (b), and (c) shall equal one-twelfth of the annual amounts, as reasonably estimated by Lender, plus an amount sufficient to maintain an additional balance of not more than one-sixth of the estimated amounts. The full annual amount for each item shall be accumulated by Lender within a period ending one month before an item would become delinquent. Lender shall hold the amounts collected in trust to pay items (a), (b), and (c) before they become delinquent.

If at any time the total of the payments held by Lender for items (a), (b), and (c), together with the future monthly payments for such items payable to Lender prior to the due dates of such items, exceeds by more than one-sixth the estimated amount of payments required to pay such items when due, and if payments on the Note are current, then Lender shall either refund the excess over one-sixth of the estimated payments or credit the excess over one-sixth of the estimated payments to subsequent payments by Borrower, at the option of Borrower. If the total of the payments made by Borrower for item (a), (b), or (c) is insufficient to pay the item when due, then Borrower shall pay to Lender any amount necessary to make up the deficiency on or before the date the item becomes due.

As used in this Security Instrument, "Secretary" means the Secretary of Housing and Urban Development or his or her designee. In any year in which the Lender must pay a mortgage insurance premium to the Secretary, each monthly payment shall also include either: (i) an installment of the annual mortgage insurance premium to be paid by Lender to the Secretary, or (ii) a monthly charge instead of a mortgage insurance premium, if this Security Instrument is held by the Secretary. Each monthly installment of the mortgage insurance premium shall be in an amount sufficient to accumulate the full annual mortgage insurance premium with Lender one month prior to the date the full annual mortgage insurance premium is due to the Secretary, or if this Security Instrument is held by the Secretary, each monthly charge shall be in an amount equal to one-twelfth of one-half percent of the outstanding principal balance due on the Note.

If Borrower tenders to Lender the full payment of all sums secured by this Security Instrument, Borrower's account shall be credited with the balance remaining for all installments for items (a), (b), and (c) and any mortgage insurance premium installment that Lender has not become obligated to pay to the Secretary, and Lender shall promptly refund any excess funds to Borrower. Immediately prior to a foreclosure sale of the Property or its acquisition by Lender, Borrower's account shall be credited with any balance remaining for all installments for items (a), (b), and (c).

**3. Application of Payments.** All payments under paragraphs 1 and 2 shall be applied by Lender as follows:

First, to the mortgage insurance premium to be paid by Lender to the Secretary or to the monthly charge by the Secretary instead of the monthly mortgage insurance premium;

Second, to any taxes, special assessments, leasehold payments or ground rents, and fire, flood and other hazard insurance premiums, as required;

Third, to interest due under the Note;

Fourth, to amortization of the principal of the Note;

Fifth, to late charges due under the Note.

4. Fire, Flood and Other Hazard Insurance. Borrower shall insure all improvements on the Property, whether now in existence or subsequently erected, against any hazards, casualties, and contingencies, including fire, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. Borrower shall also insure all improvements on the Property, whether now in existence or subsequently erected, against loss by floods to the extent required by the Secretary. All insurance shall be carried with companies approved by Lender. The insurance policies and any renewals shall be held by Lender and shall include loss payable clauses in favor of, and in a form acceptable to, Lender.

In the event of loss, Borrower shall give Lender immediate notice by mail. Lender may make proof of loss if not made promptly by Borrower. Each insurance company concerned is hereby authorized and directed to make payment for such loss directly to Lender, instead of to Borrower and to Lender jointly. All or any part of the insurance proceeds may be applied by Lender, at its option, either (a) to the reduction of the indebtedness under the Note and this Security Instrument, first to any delinquent amounts applied in the order in paragraph 3, and then to prepayment of principal, or (b) to the restoration or repair of the damaged Property. Any application of the proceeds to the principal shall not extend or postpone the due date of the monthly payments which are referred to in paragraph 2, or change the amount of such payments. Any excess insurance proceeds over an amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

In the event of foreclosure of this Security Instrument or other transfer of title to the Property that extinguishes the indebtedness, all right, title and interest of Borrower in and to insurance policies in force shall pass to the purchaser.

5. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless the Secretary determines this requirement will cause undue hardship for Borrower, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall notify Lenders of any extenuating circumstances. Borrower shall not commit waste or destroy, damage or substantially change the Property or allow the Property to deteriorate, reasonable wear and tear excepted. Lender may inspect the Property if the Property is vacant or abandoned or the loan is in default. Lender may take reasonable action to protect and preserve such vacant or abandoned Property. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property, as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and fee title shall not be merged unless Lender agrees to the merger in writing.

6. Charges to Borrower and Protection of Lender's Rights in the Property. Borrower shall pay all governmental or municipal charges, fines and impositions that are not included in paragraph 2. Borrower shall pay these obligations on time directly to the entity which is owed the payment. If failure to pay would adversely affect Lender's interest in the Property, upon Lender's request Borrower shall promptly furnish to Lender receipts evidencing these payments.

If Borrower fails to make these payments or the payments required by paragraph 2, or fails to perform any other covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, for condemnation or to enforce laws or regulations), then Lender may do and pay whatever is necessary to protect the value of the Property and Lender's rights in the Property, including payment of taxes, hazard insurance and other items mentioned in paragraph 2.

Any amounts disbursed by Lender under this paragraph shall become an additional debt of Borrower and be secured by this Security Instrument. These amounts shall bear interest from the date of disbursement, at the Note rate, and at the option of Lender, shall be immediately due and payable.

7. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in place of condemnation, are hereby assigned and shall be paid to Lender to the extent of the full amount of the indebtedness that remains unpaid under the Note and this Security Instrument. Lender shall apply such proceeds to the reduction of the indebtedness under the Note and this Security Instrument, first to any delinquent amounts applied in the order provided in paragraph 3, and then to prepayment of principal. Any application of the proceeds to the principal shall not extend or postpone the due date of

A written notice of any authorized agent of the Secreterary dated subsequent to 60 days from the date hereof, declining to have this Security Instrument and the Note secured thereby, shall be deemed conclusive proof of such inability. Notwithstanding the foregoing, this option may not be exercised by Lender when the unavailability of insurance is solely due to Lender's failure to remit a mortgagee insurance premium to the Secretary.

(d) **Regulations of HUD Secretary.** In many circumstances issued by the Secretary will limit landowner's rights in the case of payment default to require immediate payment in full and foreclosure if not paid.

debtors.

In the event that any provision of this Security Instrument is held invalid or unenforceable, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.

A new interest rate calculated in accordance with paragraphs (C) and (D) of this Rider will become effective on the Change Date. Borrower shall make a payment in the new monthly amount beginning on the first payment date which occurs at least 25 days after Lender has given Borrower the notice of changes required by paragraph (C) of this Rider. Borrower shall have no obligation to pay any increase in the monthly payment amount calculated in accordance with paragraph (D) of this Rider for any payment date occurring less than 25 days after Lender has given the required notice. If the monthly payment amount calculated in accordance with paragraph (D) of this Rider decreased, but Lender failed to give timely notice of the decrease and Borrower made any monthly payment amounts exceeding the payment amount which should have been stated in a timely notice, then Borrower has the option to either (i) demand the return of any excess payment made or (ii) receive at the Note rate (a rate equal to the interest rate which should have been stated in a timely notice) plus the interest rate on the amount of any excess payment made.

The notice must be given at least 25 days before the new monthly payment amount is due, and must set forth (i) the date of the notice, (ii) the Change Date, (iii) the current index and the date it was published, (v) the new monthly payment amount, (vi) the old interest rate, (vii) the new interest rate, (v) the new monthly payment amount and (viii) any other information which may be required by law from time to time.

If the interest rate changes on a Change Date, Lender will calculate the amount of monthly payment which would be necessary to repay the unpaid principal balance in full at the monthly principal and interest which would be necessary to repay the unpaid principal and interest.

If the new interest rate through substantially equal payments in making such calculation, Lender will use the unpaid principal balance which would be owed on the Change Date if there had been no deferral in payment on the Note, reduced by the amount of any prepayments to principal. The result of this calculation will be the amount of the new monthly payment of principal and interest.

If the new interest rate through substantially equal payments in making such calculation, Lender will use the unpaid principal balance which would be owed on the Change Date if there had been no deferral in payment on the Note, reduced by the amount of any prepayments to principal. The result of this calculation will be the amount of the new monthly payment of principal and interest.
