payments, which are referred to in Paragraph 2, or change the amount of such payments. Any excess proceeds over an amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

**8. Fees.** Lender may collect fees and charges authorized by the Secretary.

**9. Grounds for Acceleration of Debt.**

(a) **Default.** Lender may, except as limited by regulations issued by the Secretary in the case of payment defaults, require immediate payment in full of all sums secured by this Security Instrument if:

- Borrower defaults by failing to pay in full any monthly payment required by this Security Instrument prior to or on the due date of the next monthly payment, or
- Borrower defaults by failing, for a period of thirty days, to perform any other obligations contained in this Security Instrument.

(b) **Sale Without Credit Approval.** Lender shall, if permitted by applicable law and with the prior approval of the Secretary, require immediate payment in full of all the sums secured by this Security Instrument if:

- All or part of the Property, or a beneficial interest in a trust owning all or part of the Property, is sold or otherwise transferred (other than by devise or descent) by the Borrower, and
- The Property is not occupied by the purchaser or grantee as his or her principal residence, or the purchaser or grantee does so occupy the Property but his or her credit has not been approved in accordance with the requirements of the Secretary.

(c) **No Waiver.** If circumstances occur that would permit Lender to require immediate payment in full, but Lender does not require such payments, Lender does not waive its rights with respect to subsequent events.

(d) **Regulations of HUD Secretary.** In many circumstances regulations issued by the Secretary will limit Lender's rights, i.e., the case of payment defaults, to require immediate payment in full and foreclose if not paid. This Security instrument does not authorize acceleration or foreclosure if not permitted by regulations of the Secretary.

(e) **Mortgage Not Insured.** Borrower agrees that should this Security Instrument and the note secured thereby not be eligible for insurance under the National Housing Act within 60 MONTHS from the date hereof, Lender may, at its option and notwithstanding anything in Paragraph 9, require immediate payment in full of all sums secured by this Security Instrument. A written statement of any authorized agent of the Secretary dated subsequent to 60 MONTHS from the date hereof, declining to insure this Security

Instrument and the note secured thereby, shall be deemed conclusive proof of such ineligibility. Notwithstanding the foregoing, this option may not be exercised by Lender when the unavailability of insurance is solely due to Lender's failure to remit a mortgage insurance premium to the Secretary.

**10. Reinstatement.** Borrower has a right to be reinstated if Lender has required immediate payment in full because of Borrower's failure to pay an amount due under the Note or this Security Instrument. This right applies even after foreclosure proceedings are instituted. To reinstate the Security Instrument, Borrower shall tender in a lump sum all amounts required to bring Borrower's account current including, to the extent they are obligations of Borrower under this Security Instrument, foreclosure costs and reasonable and customary attorneys' fees and expenses properly associated with the foreclosure proceeding. Upon reinstatement by Borrower, this Security Instrument and the obligations that it secures shall remain in effect as if Lender had not required immediate payment in full. However, Lender is not required to permit reinstatement if: (i) Lender has accepted reinstatement after the commencement of foreclosure proceedings within two years immediately preceding the commencement of a current foreclosure proceeding; (ii) reinstatement will preclude foreclosure on different grounds in the future, or (iii) reinstatement will adversely affect the priority of the lien created by this Security Instrument.

**11. Borrower Not Released; Forbearance by Lender Not a Waiver.** Extension of the time of payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successor in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

**12. Successors and Assigns Bound; Joint and Several Liability; Co-Signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of Paragraph 9.b. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

**13. Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

**14. Governing Law; Severability.** This Security Instrument shall be governed by Federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

**15. Borrower's Copy.** Borrower shall be given one conformed copy of this Security Instrument.

**16. Assignment of Rents.** Borrower unconditionally assigns and transfers to Lender all the rents and revenues of the Property. Borrower authorizes Lender or Lender's agents to collect the rents and revenues and hereby directs each tenant of the Property to pay the rents to Lender or Lender's agents. However, prior to Lender's notice to Borrower of Borrower's breach of any covenant or agreement in the Security Instrument, Borrower shall collect and receive all rents and revenues of the Property as trustee for the benefit of Lender and Borrower. This assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower: (a) all rents received by Borrower shall be held by Borrower as trustee for benefit of Lender only, to be applied to the sums secured by the Security Instrument; (b) Lender shall be entitled to collect and receive all of the rents of the Property; and (c) each tenant of the Property shall pay all rents due and unpaid to Lender or Lender's agent on Lender's written demand to the tenant.

Borrower has not executed any prior assignment of the rents and has not and will not perform any act that would prevent Lender from exercising its rights under this Paragraph 16.

Lender shall not be required to enter upon, take control of or maintain the Property before or after giving notice of breach to Borrower. However, Lender or a judicially appointed receiver may do so at any time there is a breach. Any application of rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of rents of the Property shall terminate when the debt secured by the Security Instrument is paid in full.

7. Condemnation or other taking of any award or claim for damages, direct or consequential, in connection with any condemnation of any part of the Property, or for convenience in connection with any principal. Any application of the proceeds to the principal shall not exceed or postpone the date of the maturity of the instrument, first to any deficiency amounts applied in the order provided in Paragraph 3, and then to preparation of security instruments. Lender shall apply such proceeds to the reduction of the indebtedness under the Note and this Security instrument. Lender shall pay the full amount of the indebtedness that remains unpaid under the Note and this instrument, first to any deficiency amounts applied in the order provided in Paragraph 3, and then to preparation of security instruments. Lender shall pay the full amount of the indebtedness that remains unpaid under the Note and this instrument, first to any deficiency amounts applied in the order provided in Paragraph 3, and then to preparation of security instruments.

Any amounts disbursed by Lender under this Paragraph shall become an additional debt of Borrower and be secured by this Security Instrument. These amounts shall bear interest from the date of disbursement, at the Note rate, and at the option of Lender shall be immediately due and payable.

If Borrower fails to make these payments or the payments required by Paragraph 2, or fails to perform any other covenants and agreements contained in this Deed in Lieu of Instruments, or there is a legal proceeding against him under his title to property, for conveyance of the value of the property and Lender's rights in the property.

Instruments shall be paid to the County Sheriff to be used in executing such process or other writs as may be issued by the court.

In the event of loss, Bomwester shall give Lennder immediate notice by mail. Lennder may make proof of loss if not made promptly by Bomwester. Each insurance company can be hereby authorized and directed to make payment for such loss directly to Lennder instead of to Bomwester and to Lennder only. All or any part of the insurance proceeds may be applied by Lennder, at his option, either (a) to the reduction of the Note and this Security instrument, or (b) to any delinquent amounts applied in the order in Paragraph 3, and then to payment of principal, or (c) to the reduction of the amount paid to Lennder under the Note and this Security instrument or (d) to the payment of premiums due and unpaid on the monthly premium which has accrued to pay all outstanding indebtedness under the Note and this Security instrument or (e) to the payment of premiums due and unpaid on the monthly premium which has accrued to pay all outstanding indebtedness under the Note and this Security instrument or (f) to the payment of premiums due and unpaid on the monthly premium which has accrued to pay all outstanding indebtedness under the Note and this Security instrument or (g) to the payment of premiums due and unpaid on the monthly premium which has accrued to pay all outstanding indebtedness under the Note and this Security instrument or (h) to the payment of premiums due and unpaid on the monthly premium which has accrued to pay all outstanding indebtedness under the Note and this Security instrument or (i) to the payment of premiums due and unpaid on the monthly premium which has accrued to pay all outstanding indebtedness under the Note and this Security instrument or (j) to the payment of premiums due and unpaid on the monthly premium which has accrued to pay all outstanding indebtedness under the Note and this Security instrument or (k) to the payment of premiums due and unpaid on the monthly premium which has accrued to pay all outstanding indebtedness under the Note and this Security instrument or (l) to the payment of premiums due and unpaid on the monthly premium which has accrued to pay all outstanding indebtedness under the Note and this Security instrument or (m) to the payment of premiums due and unpaid on the monthly premium which has accrued to pay all outstanding indebtedness under the Note and this Security instrument or (n) to the payment of premiums due and unpaid on the monthly premium which has accrued to pay all outstanding indebtedness under the Note and this Security instrument or (o) to the payment of premiums due and unpaid on the monthly premium which has accrued to pay all outstanding indebtedness under the Note and this Security instrument or (p) to the payment of premiums due and unpaid on the monthly premium which has accrued to pay all outstanding indebtedness under the Note and this Security instrument or (q) to the payment of premiums due and unpaid on the monthly premium which has accrued to pay all outstanding indebtedness under the Note and this Security instrument or (r) to the payment of premiums due and unpaid on the monthly premium which has accrued to pay all outstanding indebtedness under the Note and this Security instrument or (s) to the payment of premiums due and unpaid on the monthly premium which has accrued to pay all outstanding indebtedness under the Note and this Security instrument or (t) to the payment of premiums due and unpaid on the monthly premium which has accrued to pay all outstanding indebtedness under the Note and this Security instrument or (u) to the payment of premiums due and unpaid on the monthly premium which has accrued to pay all outstanding indebtedness under the Note and this Security instrument or (v) to the payment of premiums due and unpaid on the monthly premium which has accrued to pay all outstanding indebtedness under the Note and this Security instrument or (w) to the payment of premiums due and unpaid on the monthly premium which has accrued to pay all outstanding indebtedness under the Note and this Security instrument or (x) to the payment of premiums due and unpaid on the monthly premium which has accrued to pay all outstanding indebtedness under the Note and this Security instrument or (y) to the payment of premiums due and unpaid on the monthly premium which has accrued to pay all outstanding indebtedness under the Note and this Security instrument or (z) to the payment of premiums due and unpaid on the monthly premium which has accrued to pay all outstanding indebtedness under the Note and this Security instrument.

**4. The insurance to insure losses by floods shall also insure all improvements on the Property, which now or in the future may be carried with companies approved by Lender.

As used in this Security Instrument, "Secretary" means the Secretary of Housing and Urban Development or his or her designee. ## FHA MULTISTATE ADJUSTABLE RATE RIDER

THIS ADJUSTABLE RATE RIDER is made this 7TH day of OCTOBER, 1992 and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed ("Security Instrument") of the same date given by the undersigned ("Borrower") to secure Borrower's Note ("Note") to

BANK UNITED OF TEXAS FSB

(the "Lender") of the same date and covering the property described in the Security Instrument and located at:

6410 SOUTH RICHMOND STREET, CHICAGO, ILLINOIS 60629

(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

### INTEREST RATE AND MONTHLY PAYMENT CHANGES

#### (A) Change Date

The interest rate may change on the first day of JANUARY, 1994, and that day of each succeeding year. "Change Date" means each date on which the interest rate could change.

#### (B) The Index

Beginning with the first Change Date, the interest rate will be based on an Index. "Index" means the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year, as made available by the Federal Reserve Board. "Current Index" means the most recent Index figure available 30 days before the Change Date. If the Index (as defined above) is no longer available, Lender will use as a new Index any index prescribed by the Secretary. As used in this Rider, "Secretary" means the Secretary of Housing and Urban Development or his or her designee. Lender will give Borrower notice of the new Index.

#### (C) Calculation of Interest Rate Changes

Before each Change Date, Lender will calculate a new interest rate by adding a margin of TWO AND ONE-HALF

percentage points (2.50%) to the current Index and rounding the sum to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Paragraph (D) of this Rider, this rounded amount will be the new interest rate until the next Change Date.

#### (D) Limits on Interest Rate Changes

The interest rate will never increase or decrease by more than one percentage point (1.0%) on any single Change Date. The interest rate will never be more than five percentage points (5.0%) higher or lower than the initial interest rate.

#### (E) Calculation of Payment Change

If the interest rate changes on a Change Date, Lender will calculate the amount of monthly payment of principal and interest which would be necessary to repay the unpaid principal balance in full at the maturity date at the new interest rate through substantially equal payments. In making such calculation, Lender will use the unpaid principal balance which would be owed on the Change Date if there had been no default in payment on the Note, reduced by the amount of any prepayments to principal. The result of this calculation will be the amount of the new monthly payment of principal and interest.

#### (F) Notice of Changes

Lender will give notice to Borrower of any change in the interest rate and monthly payment amount. The notice must be given at least 25 days before the new monthly payment amount is due, and must set forth (i) the date of the notice, (ii) the Change Date, (iii) the old interest rate, (iv) the new interest rate, (v) the new monthly payment amount, (vi) the Current Index and the date it was published, (vii) the method of calculating the change in monthly payment amount, and (viii) any other information which may be required by law from time to time.
