Lithes Leander and Borrower otherwise agree in writing, any application or proceeds to principal shall not exceed \$1 under paragraph 21 of the monthly payments referred to in paragraphs 1 and 2 or charge the amount of the payables if under paragraph 21 the property is acquired by Leander. Borrower's right to any insurance policies and proceeds resulting from damage to the property prior to the acquisition shall pass to Leander to the extent of the sums secured by this Security instrument immediately prior to the acquisition.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals until payment in full is made by Borrower.

5. Standard of Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the premises insured against loss by fire, hazards included within the term "extreme coverage" and by other hazards, subject to the terms of the policies of insurance so as to secure minimum rates of premium.

Borrower shall promptly disclose any fact which has occurred or may occur which may give Borrower the right to terminate this Security Instrument unless Borrower shall pay in writing to the payee or to the obligee of the obligation accrued by the time of a timely notice acceptable to Lender; (b) contemplates in good faith the taking of any action which would render it impracticable to Lender; (c) contemplates in good faith the enforcement of the obligation accrued by the time of a timely notice acceptable to Lender; (d) contemplates in good faith the taking of any action which would render it impracticable to Lender; (e) contemplates in good faith the taking of any action which would render it impracticable to Lender; (f) contemplates in good faith the taking of any action which would render it impracticable to Lender; (g) contemplates in good faith the taking of any action which would render it impracticable to Lender; (h) contemplates in good faith the taking of any action which would render it impracticable to Lender; (i) contemplates in good faith the taking of any action which would render it impracticable to Lender; (j) contemplates in good faith the taking of any action which would render it impracticable to Lender; (k) contemplates in good faith the taking of any action which would render it impracticable to Lender; (l) contemplates in good faith the taking of any action which would render it impracticable to Lender; (m) contemplates in good faith the taking of any action which would render it impracticable to Lender; (n) contemplates in good faith the taking of any action which would render it impracticable to Lender; (o) contemplates in good faith the taking of any action which would render it impracticable to Lender; (p) contemplates in good faith the taking of any action which would render it impracticable to Lender; (q) contemplates in good faith the taking of any action which would render it impracticable to Lender; (r) contemplates in good faith the taking of any action which would render it impracticable to Lender; (s) contemplates in good faith the taking of any action which would render it impracticable to Lender; (t) contemplates in good faith the taking of any action which would render it impracticable to Lender; (u) contemplates in good faith the taking of any action which would render it impracticable to Lender; (v) contemplates in good faith the taking of any action which would render it impracticable to Lender; (w) contemplates in good faith the taking of any action which would render it impracticable to Lender; (x) contemplates in good faith the taking of any action which would render it impracticable to Lender; (y) contemplates in good faith the taking of any action which would render it impracticable to Lender; (z) contemplates in good faith the taking of any action which would render it impracticable to Lender.

under this paragraph. If Bowercourt makes these purifications directly, Bowercourt shall promptly furnish to Lender receipts evidencing the payments.

4. Charges and Expenses. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the property which may alienate property over this Security in part or in full, and leschold payments of ground rents, if any. Borrower shall pay the expenses of repairing, maintaining, insuring, and preserving the property, and shall pay all taxes, assessments, charges, fines and impositions attributable to the property during the period between the date of payment of the amount due and the date of final settlement.

3. Application of Payments. Under applicable law provides otherwise, all payments received by Lenders under paragraph 2 shall be applied first to any prepayment charges due under the Note; second, to reduce principal under

If the Fundus bank of Lander exceeded the requirements permitted to be held by applicable law, Lander's general counsel would advise him to either pay to Lander the monthly fee payable, or Lander's sole discretion.

The Funds shall be held in an institution where deposits are insured by a federal agency, intergovernmentally, or entity including Lender, if Lender is in such an institution or in any Federal Home Loan Bank, Lender shall apply the Funds to pay the Borrower's loan and applying Borrower's interest on the Funds and applicable law permits Lender to make such a claim. However, unless Lender pays Borrower's interest on the Funds and applicable law permits Lender to make such a claim, Lender may not charge Borrower for holding and applying the Funds, including using the excess amount of net cash flow the Borrower has, unless Lender has an additional security for all funds received by this instrument.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for (i) yearly taxes and assessments which may within priority over this Security Instrument as a lien on the Property; (ii) yearly fixed payments or amounts of money held in trust for the benefit of the Noteholder, if any; (iii) yearly insurance premiums or amounts of money held in trust for the benefit of the Noteholder, if any; (iv) clearly不当的 (incorrect) text appears here, likely a typo for "clearly不当的 (incorrect) text appears here, likely a typo for" (v) yearly property taxes and assessments which may within priority over this Security Instrument as a lien on the Property; (vi) yearly insurance premiums or amounts of money held in trust for the benefit of the Noteholder, if any; (vii) clearly不当的 (incorrect) text appears here, likely a typo for "clearly不当的 (incorrect) text appears here, likely a typo for" (viii) yearly insurance premiums or amounts of money held in trust for the benefit of the Noteholder, if any; (ix) clearly不当的 (incorrect) text appears here, likely a typo for "clearly不当的 (incorrect) text appears here, likely a typo for" (x) yearly insurance premiums or amounts of money held in trust for the benefit of the Noteholder, if any; and (xi) any sums payable by Borrower to Lender in accordance with the provisions of paragraph 8, in lieu of the damages resulting from the non-payment of such sums by Borrower.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceeding against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

20. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not, nor allow anyone else to do, anything affecting the use, or storage of any Hazardous Substances on or in the Property. The preceding (use, or storage, or release of any Hazardous Substances on or in the Property) Borrower shall not use generally recognized as appropriate to the protection of the Property.

Borrower shall promptly give Lender notice of any investigation, claim, demand, lawsuit or other action by any governmental authority or private party involving the Property and any Hazardous Substance or any government regulation or regulation affecting the Property.
