Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inacturate information or statements to Lender (or failed to provide Lender with any material information) in connection with the lows evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law.
