This Agreement is made as of the date set forth in the LOAN SUMMARY attached hereto and made a part hereof (the "Loan Summary"), by and between Norwood Federal Savings Bank, a division of Deerfield Federal Savings and Loan Association ("Seller") and Johnson Development Corporation, designated in the Loan Summary as Seller and Buyer.

WHEREAS, Buyer desires to purchase from Seller and Seller desires to sell to Buyer all of Seller's right, title and interest in, to, and arising from that certain loan described in the Loan Summary (the "Loan"); and

NOW, THEREFORE, in consideration of the terms, conditions and covenants herein contained, the parties hereto agree as follows:

Section 1. Buyer agrees to purchase the Loan from Seller and Seller agrees to sell the Loan to Buyer pursuant to the terms and provisions of this Agreement at the Purchase Price set forth in the Loan Summary.

Section 2. The Purchase Price for the Loan shall be paid by Buyer to Seller at the time of delivery of the Loan provided that Seller has fully complied with the terms and provisions of this Agreement, and further provided that the Seller has delivered the Loan to Buyer at Seller's office. The Loan will be considered to be delivered when Buyer receives the original file for the Loan ("Loan File"), and the escrow deposits for the Loan, if any, including any interest thereon through the date of delivery which may be required by state law. The Loan File must contain all documentation in the possession of the Seller including, but not limited to, the documentation described in Exhibit B attached to this Agreement. Seller may retain copies of all documentation in the Loan File sent to Buyer and shall, upon request by Buyer, provide a certified true copy of any document requested by Buyer within ten (10) days after the date of the request.

Section 3. Seller agrees, represents and warrants to Buyer as follows:

3.1 The information contained in the Loan Summary is true, correct and complete as of the date of this Agreement.

3.2 Immediately prior to the transfer and assignment of the Loan to Buyer hereunder, Seller had good title to, and was the sole owner of, the Loan and there has been no other sale or assignment or security interest granted by Seller nor, to the best of Seller's knowledge, any other party, nor, to the best of Seller's knowledge, there any other restrictions limiting transfer of the Loan;

3.3 Seller is a corporation duly organized, existing and in good standing under the laws of the United States;

3.4 To the best of Seller's knowledge, there are no actions, suits or proceedings pending or threatened against it in any court or before any administrative agency, the adverse outcome of which would have any effect on its title to the Loan;

4.2 The existence of any valid offset, defense or counterclaim to the Note or any security instrument, including the obligation of the Borrower to pay the unpaid principal or interest on the Note;

4.3 The existence of any mechanic's liens or claims which affect the lien priority of the mortgage or deed of trust, or any undisbursed escrow.

Persons who opted out may bring a similar lawsuit individually or participate in a similar class action law suit and Seller and/or Buyer may be named in such law suit. Buyer acknowledges that Seller advised Buyer of the potential for the filing of similar individual or class action law suits against Buyer as holder of the Note and that Seller has made no representations to Buyer that such a law suit will not be filed or as to the outcome of any such law suit.
