THIS MORTGAGE ("Security Instrument") is given on OCTOBER 26, 1992. The mortgagor is FIRST COLONIAL TRUST COMPANY, AS SUCCESSOR TO BURBANK STATE BANK AS TRUSTEE UNDER TRUST AGREEMENT DATED NOVEMBER 01, 1986 AND KNOWN AS TRUST NUMBER 903-B.

("Borrower"). This Security Instrument is given to FIRST COLONIAL BANK SOUTHWEST,

which is organized and existing under the laws of THE STATE OF ILLINOIS, and whose address is 5440 WEST 87TH STREET, BURBANK, ILLINOIS 60459. Borrower owe Lender the principal sum of NINETY THOUSAND AND 00/100 Dollars (U.S. \$ 90,000.00).

This debt is evidenced by Borrower's note dated the same date as this Security Instrument ("Note"), which provides for monthly payments, with the full debt, if not paid earlier, due and payable on NOVEMBER 1, 2022. This Security Instrument secures to Lender: (a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extensions and modifications of the Note; (b) the payment of all other sums, with interest, advanced under Paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. Terrorower shall promptly discharge any and all such bills and expenses incurred by the loan in a manner acceptable to Lender; (b) compensation in full to the payee of the obligation incurred by the loan in a manner acceptable to Lender; (c) payment of the principal and any interest accrued over the period from the date of the original disbursal until the date of the final payment.

3. Application of Punishments. Under applicable law providers of alternative, all payments received by Leander under paragraph 21 and 22 shall be applied first to any prepayment charges due under the Notes record, to amounts payable under paragraph 21 and to any late charges due under the Notes under Paragraph 22.

If payment is in full of all sums secured by this Security Instrument, trustee shall promptly return to Borrower any funds held by Lender, in trust under paragraph 21, under applicable law.

If this occurs, it would be Leader's duty to make up the deficiency by appropriate loans, and, if necessary, to prohibit him from making any further advances.

If the Friends would be held in due consideration without discrimination whether delegates are instructed by a federal agency, legislature, or entity (including leaders), it would be easier for any federal agency to work together. Leaders may not always consider the needs of all Friends, but they can do so if they are given the opportunity to do so. Moreover, they would be better equipped to do so if they had the support of their colleagues in Congress. This would be particularly true if the Friends were able to work together to develop a common set of priorities and goals. It would also be easier for them to work together if they had a clear understanding of what each other's interests are and how they can best be addressed. Finally, it would be easier for them to work together if they had a common language and a shared vocabulary. This would facilitate communication and cooperation among all Friends.

2. Funds for taxes and insurance, subject to applicable law or to a written waiver by Lenders, borrowed shall pay to Lender timely payments due on the Notes until the Note is paid in full, a sum ("Funds"), for (a) yearly taxes and assessments which may accrue over this Security interest as a lien on the Property; (b) yearly leasehold premiums under any leasehold priority over this Security interest as a lien on the Property; (c) yearly hazard or property insurance premiums; (d) yearly local taxation premiums; (e) yearly property taxes on the Property, if any; and (f) any other payable by Borrower to Lenders, in accordance with the terms of the Note.

1. **Agreement to participate and interests**: Prepayment and late charges due under the Note.

8. What might transpire if Leander were to accept? If Leander accepted, he would receive payoffs of $U_L = 1$ and $U_R = 0$. The condition of mutual benefit is violated because $U_L + U_R = 1 < 2$. For any reason, the parties would prefer to remain at the initial equilibrium.

Any amounts disputed by Lender under this paragraph 7 shall become additional debt of Borrower secured by the Collateral.

7. The location of the end-of-life facility in the Proprietary is a significant factor in determining the cost and quality of care provided by the Proprietary.

In addition to its use in security, this property is also suitable for residential or office purposes. It features a large living room with a fireplace, a dining area, and a kitchen with stainless steel appliances. The bedrooms are spacious and well-lit, with en-suite bathrooms. The property is located in a quiet neighborhood, yet it is easily accessible via major roads. It is surrounded by lush greenery and offers panoramic views of the surrounding hills. The property is currently vacant and ready for immediate occupancy.

• **Liability for damage and tortious or derivative violation of proceeds** to participants shall not exceed a sum equivalent to the amount of the award.

Proprietary rights may be applied to the results of the research or development of the company. The company may also have the right to apply for a patent or other intellectual property rights.

All these points should be taken into account when calculating the cost of a project.

3. In the case of a company, the transferor shall keep the information now existing or hereafter created on the books and records of the company, for a period of five years from the date of the transfer.

payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limit, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

183. **Directorate's Right to Reclaim**. ... [T]hough it exacts little option, Landor will give Borrower notice of acceleration, The notice shall provide a period of no less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Interest.

Seriously however, if you want to be extracted by Lancer it's probably better to leave him in the dark about his security.

(7) **Transfer of the Property or any part of the Property to another Interested Person.** If all or any part of the Property or any part of the Property is transferred in any manner, it shall be done in accordance with the provisions of the Act.
