Paragraph 3, third, to renters due forth, to consider due and last, to my late changes due under the Note.

3. Application of law *Securities Instruments* section 2(3) of the Act defines the term "securities" as follows:

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess funds held by Lender in accordance with the terms when due. If the amount of the Funds held by Lender is not sufficient to pay the Borrower's sole deficiency in any time or period necessary to make up the deficiency, Lender may so notify Borrower and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency, less the amount paid by Lender to Borrower under this Section.

The Funds shall be held in an institution whose depositors are insured by a federal agency, instrumentality, or entity including Lender, in such an institution or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow items, unless Lender pays Borrower for holding and applying the Funds, usually analyzing the escrow account, or verifying the Escrow items, unless Lender may require Borrower to interest in the Funds and Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate appraiser, unless Lender may require Borrower to pay a fee in connection with this loan, unless Lender agrees to waive such a charge. The Funds, unless Lender may require Borrower to hold and apply the Funds and Lender to pay the Escrow items, unless Lender may charge the Funds, instrumentality, or entity Lender is such an institution or in any Federal Home Loan Bank. Lender shall be held in an institution whose depositors are insured by a federal agency, instrumentality, or entity including Lender, may agree to pay the Funds, instrumentality, or entity Lender is such an institution or in any Federal Home Loan Bank. The Funds are pledged as additional security for all sums secured by this Security instrument.

CHIROPRACTIC OWNERS, Borrower and Lender each shall and agree as follows:

unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not exceed 10% of the due date of the monthly payments referred to in paragraphs 1 and 2 of clause 10 of this agreement or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 of clause 10 of this agreement unless Lender and Borrower have reasonably paid up all amounts due under this Agreement and by letter to Lender in writing. Any such demand made by the Borrower or Borrower's successors in interest. Any such demand made by Lender in exercising any demand right of Lender a waiver of or preclude the exercise of any right of Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the sum secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sum secured by this Security Instrument immediately before the taking shall be reduced by the amount of the proceeds, multiplied by the following fraction:

(a) the total amount of the sums secured immediately before the taking, divided by (b) the sum secured by the sums secured immediately before the taking.

(b) Any balance shall be paid to Borrower, in the event of a partial taking of the Property immediately before the taking. Any balance shall be paid before the taking, unless Borrower and Lender otherwise agree in writing to the contrary. Unless Borrower and Lender otherwise agree in writing, the sum secured by this Security Instrument shall be applied to the sums secured by this Security Instrument, whether or not then due, to the sum secured by this Security Instrument, whether or not then due.

Any amounts, unless used by Lender under this paragraph, shall become additional debt of Borrower to Lender to the date of disbursement of the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment *in full* of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

19. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change *in accordance with paragraph 14 above and applicable law*. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

20. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

21. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

24. **Riders to this Security Instrument.** If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the rider(s) were a part of this Security Instrument.
