If those conditions are not met, I understand that the Note Holder is under no obligación to refinance or modify the Note, or to extend the Maturity Date, and that I will have to repay the Note from my own resource, or find a lender willing to lend me the money to repay the Note.

2. CONDITIONS TO OPTION

2. CONDITIONS TO OPTION

If I want to exercise the Conditional Vermancing Option at maturity, certain conditions must be met as of the Maturity Date. These conditions are: (1) I must still be the owner and occupant of the property subject to the Security Instrument (the "Property"); (2) I must be current in my morthly vayments and cannot have been more than 30 days late on any of the 12 scheduled monthly payments immediately preceding the Maturity Date; (3) no lien against the Property (except for taxes and special assessments not yet due and payable) other than that of the Security Instrument may exist; (4) the New Note Rate cannot be more than 5 percentage points above the Note Rate; and (5) I must make a written request to the Note Holder as provided in Section 5 below.

3. CALCULATING THE NEW NOTE RATE.

The New Note Rate will be a fixed rate of interest capacit to the Reduced Matienal Martinga Association 2.

The New Note Rate will be a fixed rate of interest expra to the Federal National Mortgage Association's required net yield for 30-year fixed rate mortgages subject to a 60-day menarry delivery commitment, plus one-half of one percentage point (0.5%), rounded to the nearest one-eighth of one percentage point (0.125%) (the "New Note Rate"). The required net yield shall be the applicable net yield in effect on the date and have of day that the Note Holder receives notice of my election to exercise the Conditional Refinancing Option. If this received net yield is not available, the Note Holder will determine the New Note Rate by using comparable information.

The result of this calculation will be the amount of my new principal and increst payment every month until the New Note is fully paid. 5. EXERCISING THE CONDITIONAL REFINANCING OPTION

The Note Holder will notify me at least 60 calendar days in advance of the Mattrity Date and advise me of the principal, accrued but unpaid interest, and all other sums I am expected to owe on the Maturity D. a. The Note Holder also will advise me that I may exercise the Conditional Refinancing Option if the conditions in Section 2 above are met. The Note Holder will provide my payment record information, together with the name, title and acdress of the person representing the Note Holder that I must notify in order to exercise the Conditional Refinancing Cartion. If I meet the conditions of Section 2 above, I may exercise the Conditional Refinancing Option by notifying the Note Holder no later than 45 calendar days prior to the Maturity Date. The Note Holder will calculate the fixed New Note Rate based upon the Federal National Mortgage Association's applicable published required net yield in effect on the date and time of day notification is received by the Note Holder and as calculated in Section 3 above. I will then have 30 calendar days to provide the Note Holder with acceptable proof of my required ownership, occupancy and property lien status. Before the Maturity Date the Note Holder will advise me of the new interest rate (the New Note Rate), new monthly payment amount and a date, time and place at which I must appear to sign any documents required to complete the required refinancing. I understand the Note Holder will charge me a \$250.00 processing fee and the costs associated with updating the title insurance policy, if any.
