**PUD COVENANTS.** In addition to the covenants and agreements made in the Security Instrument  
Borrower and Lender further covenant and agree as follows:

**17. Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument if Borrower fails to pay these sums prior to the expiration of this period. Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

**18. Borrower's Right to Reinstate.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property, pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

**19. Sale of Note; Change of Loan Servicer.** The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

**20. Hazardous Substances.** Borrower shall not create or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substance, that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

## NON-UNIFORM COVENANTS Borrower and Lender further covenant and agree as follows:

**21. Acceleration; Remedies.** Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

**22. Release.** Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

**14. ## BALLOON RIDER (CONDITIONAL RIGHT TO REFINANCE)

30TH

NOVEMBER

92

THIS BALLOON RIDER is made this day of November , 19 ,  
and is incorporated in and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Deed to Secure Debt (the "Security Instrument") given by me, the "Borrower" to secure the Borrower's Note to

**DRAPER AND KRAMER, INCORPORATED**

(the "Lender")

on the same date and covering the property described in the Security Instrument and located at:

**1216 KNOLLWOOD DR. PALATINE, IL. 60067**

### Property Address

The interest rate stated on the Note is called the "Note Rate." The date of the Note is called the "Note Date." I understand the Lender may transfer the Note, Security Instrument and this Rider. The Lender or anyone who takes the Note, the Security Instrument and this Rider by transfer and who is entitled to receive payments under the Note is called the "Note Holder."

**ADDITIONAL COVENANTS.** I add the following covenants and agreements to the Security Instrument, Borrower and Lender further covenant and agree as follows: I agree to anything to the contrary contained in the Security Instrument or the Note.

### 1. CONDITIONAL RIGHT TO REFINANCE

At the time I make the Note and up until the "Maturity Date," I will be able to obtain a new loan ("New Loan") by the New Maturity Date (the "New Maturity Date") which will have an interest rate equal to the Note Rate plus the amount of points set forth in Section 2 below. The conditions set forth in Sections 2 and 3 below are met, the Note Holder may exercise the Right to Refinance. If those conditions are not met, I understand that the Note Holder is under no obligation to exercise the Right to Refinance, assume the Maturity Date and that I will have to repay the Note from my own resources or find a lender willing to lend me the money to repay the Note.

### 2. CONDITIONS TO OPTION

I will be entitled to exercise the Right to Refinance if certain conditions are met by the end of the Maturity Date. These conditions are as follows: (1) The Note Rate must be equal to or less than the "New Note Rate" as defined in Section 2 below. (2) The Note Holder must be able to obtain a new loan ("New Loan") with an interest rate equal to the Note Rate plus the amount of points set forth in Section 2 below and other reasonable costs associated with the New Loan not to exceed the Note Rate by more than 5 percentage points above the Note Rate, and (3) I must make a written request the Note Holder as provided in Section 3 below.

### 3. CALCULATING THE NEW NOTE RATE

The New Note Rate is calculated by adding the rates of the Federal National Mortgage Association, as of the end of the month of the Note Date, to the amount of the points specified in the Security Instrument to the "Property" (as defined in the Security Instrument) plus an additional amount of points set forth in Section 2 below. The resulting yield will be the "New Note Rate." The Note Holder may choose to exercise the Conditional Right to Refinance if the Note Holder wishes to compare the New Note Rate to some comparable information.

### 4. CALCULATING THE NEW PAYMENT AMOUNT

Payments on the Note will be based on the same number of percentage points as on the Note Rate and 4% of the principal. Section 2 also states that the Note Holder will be making the amount of the original principal of the Note plus interest from the Note Date until the date of the first payment under the Note. Section 2 also states the Maturity Date of the Note. The Note Holder will be making the amount of the principal plus interest from the Note Date until the date of the final payment under the Note. The result of the calculation will be the amount of the new principal and interest payment due to the Note Holder each month.

### 5. EXERCISING THE CONDITIONAL REFINANCING OPTION

THE Note Holder will have the Right to Refinance on the Maturity Date of the Note or on the date specified by the Note Holder and all other conditions specified in Section 2 of the Note. The Note Holder also reserves the right to cancel the Right to Refinance on the condition that the Note Holder receives notice of the Right to Refinance on the date specified in Section 2 and has five calendar days to exercise the Right to Refinance. The Right to Refinance on the date specified in Section 2 will be effective if the Note Holder has received notice of the Right to Refinance and has exercised it in Section 2 prior to the fifth calendar day to exercise the Right to Refinance. If the Note Holder has not exercised the Right to Refinance on the date specified in Section 2, the Right to Refinance will be effective on the Maturity Date. THE Note Holder will also have the right to exercise the Right to Refinance on the date specified in Section 2 if the Note Holder has paid off the Note prior to the date specified in Section 2 and has a date prior to the date specified in Section 2 of the Note, and if the Note Holder has paid off the Note prior to the date specified in Section 2, the Note Holder will have the right to exercise the Right to Refinance on the date specified in Section 2 if the Note Holder has paid off the Note prior to the date specified in Section 2 and the Note Holder has paid a \$25 processing fee and the costs associated with applying for the new insurance policy, if any.
