14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. If this conflict provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Paragraph 17.

19. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with Paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

20. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this Paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this Paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

21. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Paragraph 21, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

22. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

23. Waiver of Homestead. Borrower waives all right of homestead exemption in the Property.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to repair or restoration of real property damaged, if the restoration of repair is economically feasible and Lender's security is not lessened. If the restoration of repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security instrument, whether or not there is a notice from Lender that the insurance paid to Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, when Lender may fulfill the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security instrument, whether or not there is a notice from Lender when the notice is given, unless Lender and Borrower otherwise agree in writing, any applicable provision of this Agreement notwithstanding.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) consents in good faith to the enforcement of the lien by, or defends against enforcement of the lien in, legal proceedings, which in the Lender's opinion operate to prevent the enforcement of the lien or (c) secures from the holder of the lien an assignment of substantially all of his or her interest in the Lender's security instrument of the lien; or (d) secures from the holder of the lien a notice identifying the lien to the Lender's satisfaction. If Lender determines that any part of the Property is subject to a lien which may attach prior to or over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one of the actions set forth above within 10 days of the giving of notice.

1 and 2, third, to interest due; first, to any preparation charges due under the Note; second, to amounts payable under Paragraph 1 and 2 which shall be applied; forth, to principal due; and last, to any late charges due under the Note.

2. Third, to interest due; first, to any preparation charges due under the Note; second, to amounts payable under Paragraph 1 and 2 which shall be applied; forth, to principal due; and last, to any late charges due under the Note.

Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Paragraph. If Borrower makes these payments directly, Borrower shall furnish to Lender receipts evidencing the payment to the Person owed payment. Borrower shall furnish to Lender all notices of amounts to be paid under this Paragraph to the Person owed payment.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve months, at Lender's sole discretion.

Upon payment in full of all sums accrued by this Security Instrument, Lender shall promptly refund to Borrower any funds held by Lender. If, under Paragraph 2, Lender acquires or sells the Property, Lender, prior to the acquisition or sale of the Property, shall apply any funds held by Lender at the time of acquisition or sale as a credit against the sum secured by this Security Instrument.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity expending funds of future Escrow items or otherwise in accordance with applicable law.

(including Lender, if Lender is such an institution) or in my Federal Home Loan Bank, Lender shall apply the Funds to pay the Escrow items, unless Lender pays Borrower for holding and applying the Funds, annually analyzing the Escrow account, or verifying the Escrow items, unless Lender may not charge Borrower for holding the Funds, and debits to the Funds to pay Borrower to pay a one-time charge for an independent test reporting such a charge. However, Lender may require Borrower to pay a one-time charge for an independent test reporting such a charge. Moreover, Lender may not charge Borrower for holding the Funds, and debits to the Funds to make up a deficiency in connection with this loan, unless Applicable law provides otherwise. Unless an agreement is made or applied law requires interest to be paid, Lender shall be required to pay Borrower any interest or earnings on the Funds, however, Lender may agree in writing of the Funds, showing credits and debits to the Funds and the purpose for which each debt is debited to the Funds was made. As a result of its more than thirty years of experience in the field of the protection of the environment, the Institute has developed a unique methodology for assessing the environmental impact of industrial projects. This methodology is based on a comprehensive analysis of the environmental impact of the project, taking into account all relevant factors such as the type of industry, the location of the project, the availability of resources, the potential environmental risks, and the potential social impacts. The methodology also considers the potential economic benefits of the project, such as job creation and tax revenue, and the potential environmental costs, such as air pollution and water contamination. The methodology is designed to provide a balanced assessment of the environmental impact of the project, taking into account both the positive and negative aspects of the project. The methodology is also designed to be flexible and adaptable to different types of projects and different environmental contexts.
