9. Fire, Flood and Other Hazard Insurance. Borrower shall insure all improvements on the Property, whether now in existence or subsequently erected, against any hazards, casualties, and contingencies, including fire. This insurance shall be maintained in the amount, to the extent and for the periods required by Lender. Borrower shall also insure all improvements on the Property, whether now in existence or subsequently erected, against any hazards, casualties, and contingencies approved by Lender. The insurance policies and any renewals shall be held by Lender and shall include loss payable clauses in favor of, and in a form acceptable to, Lender.

In the event of loss, Borrower shall give Lender immediate notice by mail. Lender may make proof of loss if not made promptly by Borrower. Each insurance company concerned is hereby authorized and directed to make payment for such loss to Borrower and to Lender jointly. Insurance proceeds shall be applied to restoration or repair of the damaged Property, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied first in the reduction of any indebtedness under the Second Note and this Security Instrument. Any excess insurance proceeds over an amount required to pay all outstanding indebtedness under the Second Note and this Security Instrument shall be paid to the entity legally entitled therefrom.

In the event of foreclosure of this Security Instrument or other transfer of title to the Property that extinguishes the indebtedness, all rights and interest of Borrower in and to insurance policies in force shall pass to the purchaser.

4. Preservation and Maintenance of the Property, Leaseholds. Borrower shall not commit waste or destroy, damage or substantially change the Property or allow the Property to deteriorate, reasonable wear and tear excepted. Lender may inspect the Property if the Property is vacant or abandoned or the loan is in default. Lender may take reasonable action to protect and preserve such vacant or abandoned Property. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and fee title shall not be merged unless Lender agrees to the merger in writing.

5. Charges to Borrower and Protection of Lender's Rights in the Property. Borrower shall pay all governmental or municipal charges, taxes and impositions that are not included in Paragraph 2. Borrower shall pay these obligations on time directly to the entity which is owed the payment. If failure to pay would adversely affect Lender's interest in the Property, upon Lender's request Borrower shall promptly furnish to Lender receipts evidencing these payments. Borrower shall promptly discharge any lien which has priority over this Security Instrument in the manner provided in Paragraph 2(c).

If Borrower fails to make these payments or the property charges required by Paragraph 2, or fails to perform any other covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, for condemnation or to enforce laws or regulations), then Lender may do and pay whatever is necessary to protect the value of the Property and Lender's rights in the Property, including payment of taxes, hazard insurance and other items mentioned in Paragraph 2.

Any amounts disbursed by Lender under this Paragraph shall become an additional debt of Borrower as provided for in the Loan Agreement and shall be secured by this Security Instrument.

To protect Lender's security in the Property, Lender shall advance and charge to Borrower all amounts due to the Secretary for the Mortgage Insurance Premium as defined in the Loan Agreement as well as all sums due to the loan servicer for servicing the Property. Lender or its agent may enter on, inspect or make appraisals of the Property in a reasonable manner and actives as defined in the Loan Agreement.

6. Inspection. Lender or its agent may enter on, inspect or make appraisals of the Property in a reasonable manner and for the inspection or appraisal which must be related to Lender's interest in the Property.

7. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for any condemnation shall be paid to Lender and this Security Instrument. Any excess proceeds over an amount required to pay all outstanding indebtedness under the Second Note and this Security Instrument shall be applied first to the reduction of any indebtedness under the Second Note and this Security Instrument. Borrower shall pay the balance of the proceeds to the entity legally entitled therefrom.

8. Grounds for Acceleration of Debt.

(a) Due and Payable. Lender may require immediate payment in full or all sums secured by this Security Instrument if:

- (i) A Borrower dies and the Property is not the principal residence of at least one surviving Borrower;
- (ii) A Borrower conveys all of his or her title in the Property and no other Borrower remains title to the Property in fee simple or retains a leasehold under a lease for less than ninety-nine years which is renewable or a lease having a remaining period of not less than 50 years beyond the date of the 100th birthday of the youngest Borrower;
- (iii) The Property ceases to be the principal residence of a Borrower for reasons other than death and the Property is not the principal residence of at least one other Borrower;
- (iv) For a period of longer than twelve (12) consecutive months, a Borrower fails to occupy the Property because of physical or mental illness and the Property is not the principal residence of at least one other Borrower;
- (v) An obligation of the Borrower under this Security Instrument is not performed.

(b) Notice to Lender. Borrower shall notify Lender whenever any of the events listed in this Paragraph 8 occur.

(c) Notice to Borrower. Lender shall notify Borrower whenever the loan becomes due and payable under this Paragraph 8. Lender shall not have the right to foreclose until Borrower has had thirty (30) days after notice to either:

- (ii) Pay the balance in full; or
- (iii) Sell the Property for at least ninety-five percent (95%) of the appraised value and apply the net proceeds of the sale toward the balance; or
- (iv) Provide the Lender with a deed in lieu of foreclosure.

10. No Deficiency Judgments. Borrower shall have no personal liability for payment of the debt. Lender may enforce the debt only through sale of the Property. Lender shall not be permitted to obtain a deficiency judgment against Borrower if the Property is foreclosed.

11. Reinstatement. Borrower has a right to be reinstated if Lender has required immediate payment in full. This right applies even after foreclosure proceedings are instituted. To reinstate this Security Instrument, Borrower shall correct the condition which resulted in the requirement for immediate payment in full. Foreclosure costs and reasonable and customary attorneys' fees and expenses properly associated with the foreclosure proceedings shall be added to the principal balance. Upon reinstatement by Borrower, this Security Instrument and the obligations that it secures shall remain in effect as if Lender had not required immediate payment in full. However, Lender is not required to permit reinstatement if: (i) Lender has accepted the commencement of a current foreclosure proceeding, (ii) reinstatement will preclude foreclosure on different grounds in the future, or (iii) reinstatement will adversely affect the priority of the mortgage lien.

In the event that any provision or clause of this Security Instrument or the Second Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Second Note.

16. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address all Borrowers jointly designate. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this Paragraph.

15. Joint and Several Liability. Borrower may not assign any right or obligations under this Security Instrument or waive or preclude the exercise of any right or remedy. Borrower's covenants and agreements shall be joint and several.

14. Forbearance by Lender Not a Waiver. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

13. Restrictions on Enforcement. Notwithstanding anything to the contrary herein, and Paragraph 19 shall have no force and effect, whenever there is no outstanding balance under the Second Note.

(d) No Duty of the Secretary. The Secretary has no duty to the holder of the First Note to enforce covenants of the Second Security Instrument or to take actions to preserve the value of the Property, even though the holder of the First Note may be unable to collect amounts owed under the First Note, because of restrictions in this Paragraph 13.

(e) Be obligated to pay interest or shared appreciation under the First Note at any time, whether or not accrued interest has been included in the principal balance under the First Note.

(f) Be required to pay amounts owed under the First Note, or pay any rents and revenues of the Property under Paragraph 19 to the holder of the First Note, or a receiver of the Property, until the Secretary has received payment in full of all outstanding principal and accrued interest under the Second Note held by the Secretary and secured by the Second Security Instrument; or

(g) Effect on Borrower. Where there is no assignment or reimbursement as described in (b)(i) or (ii) and the Secretary makes payments to Borrower, then Borrower shall not be required to pay amounts owed under the First Note, or pay any rents and revenues of the Property under Paragraph 19 to the holder of the First Note, or a receiver of the Property, until the Secretary has received payment in full of all outstanding principal and accrued interest under the Second Note held by the Secretary and secured by the Second Security Instrument.

Lender may determine that any part of the Property is subject to a lien which may attain priority over this Security Instrument. Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within ten (10) days of the giving of notice.

(d) Tax Deferral Program. Borrower shall not participate in a real estate tax deferral program, if any liens created by the tax deferral are not subordinate to this Security Instrument.

If state law does not permit extension of the second lien status, whether or not due to any action of the Borrower, then for purposes of Paragraph 8 Borrower will be deemed to have failed to have performed an obligation under this Security Instrument.

(f) Tax Deferral Program. Borrower shall not participate in a real estate tax deferral program, if any liens created by the tax deferral are not subordinate to this Security Instrument.

(g) Modification. If state law does not permit extension of the second lien status, whether or not due to any action of the Borrower, then for purposes of Paragraph 8 Borrower will be deemed to have failed to have performed an obligation under this Security Instrument.

30. Foreclosure Procedure. If Lender requires immediate payment in full under Paragraph 8, Lender may foreclose this Security Instrument by judicial proceeding. (v) If the Calculated Interest Rate is less than the Existing Interest Rate by more than two percentage points, the new adjusted interest rate will be equal to two percentage points less than the Existing Interest Rate (subject to the 5% Cap).

(iv) If the Calculated Interest Rate exceeds the Existing Interest Rate by more than two percentage points, the new adjusted interest rate will be equal to two percentage points higher than the Existing Interest Rate (subject to the 5% Cap).

(iii) If the difference between the Calculated Interest Rate and the Existing Interest Rate is less than or equal to two percentage points, the new adjusted interest rate will be equal to the Calculated Interest Rate (subject to the "5% Cap" provided for in Paragraph 4(e)).

(ii) If the Calculated Interest Rate is the same as the Existing Interest Rate, the interest rate will not change.

(d) The Calculated Interest Rate will be compared to the interest rate being earned immediately prior to the current Change Date (such interest rate being called the "Existing Interest Rate"). Then, the new adjusted interest rate, if any, will be determined as follows:

(c) ONE AND 600/1000 percentage points (1.60000 %; the "Margin") will be added to the Current Index. The sum of the Margin plus the Current Index will be called the "Calculated Interest Rate" for each Change Date.

(b) The amount of the Index will be determined, using the most recently available figure, thirty (30) days before the Change Date ("Current Index").

(a) The first adjustment to the interest rate (if any adjustment is required) will be effective on the first day of JANUARY, 1994, (which date will not be later than twelve (12) months nor more than eighteen (18) months from the date of closing), and thereafter each adjustment to the interest rate will be made effective on that day of each succeeding year ("Change Date"), until the loan is repaid in full.

149116326

- Under the Note, the initial stated interest rate of FIVE AND 360/1000 per centum (5.3600 %) per annum ("Initial Interest Rate") on the unpaid principal balance is subject to change, as hereinafter described. When the interest rate changes, the new adjusted interest rate will be applied to the total outstanding principal balance. An increase or decrease in the interest rate may result in a change in the amount due to Lender at maturity.
- Each adjustment to the interest rate will be based upon the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year ("Index"; the Index is published in the Federal Reserve Bulletin and made available by the United States Treasury Department in Statistical Release H.15 (519)). If the Index is not later available, Lender will be required to use any index prescribed by the Department of Housing and Urban Development. Lender will notify Borrower in writing of any such substitute index (giving all necessary information for Borrower to obtain such index) and after the date of such notice the substitute index will be deemed to be the Index hereunder.
- Lender will perform the calculation under Paragraphs 4 or 5 to determine the new adjusted interest rate. The amount of the new adjusted interest rate, if any, will be based on the Borrower's election to have a cap on both the annual and lifetime rate adjustment, or to have a maximum interest rate only for the life of the loan. [Check the appropriate box]
 - maximum interest rate for life of loan (Paragraph 5 applies).
 - a cap on both the annual and lifetime rate adjustments (Paragraph 4 applies).
- Annual and Lifetime Caps.

Borrower and Lender further covenant and agree as follows:

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument,

THIS ADJUSTABLE RATE RIDER is made this 07TH day of DECEMBER, 1992, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed ("Security Instrument" or "Second Security Instrument") of the same date given by the undersigned ("Borrower") to secure Borrower's Second Note ("Note") to SECRETARY OF HOUSING AND URBAN DEVELOPMENT ("Lender") of the same date and to secure the Loan Agreement of the same date and covering the property described in the Security Instrument and located at:

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate

Notwithstanding anything contained in this Adjustable Rate Rider, in the event that (i) the Existing Interest Rate was reduced on a Change Date, and (ii) Lender failed to give the Adjustment Notice when required, and (iii) Borrower, consequently, paid any interest in excess of the amount which would have been set forth in such Adjustment Notice ("Excess Payment"), then Lender must subtract from the unpaid principal balance all Excess Payments, with interest thereon at a rate equal to the sum of the Margin and the Index on the Change Date when the Existing Interest Rate was so reduced, from the date each such Excess Payment was made by Borrower thereby increasing the available funds under the mortgage by the Excess Payment and the interest thereon.

(c) Notwithstanding anything contained in this Adjustable Rate Rider, in the event that (i) the Existing Interest Rate was reduced on a Change Date, and (ii) Lender failed to give the Adjustment Notice when required, and (iii) Borrower, consequently, paid any interest in excess of the amount which would have been set forth in such Adjustment Notice ("Excess Payment"), then Lender must subtract from the unpaid principal balance all Excess Payments, with interest thereon at a rate equal to the sum of the Margin and the Index on the Change Date when the Existing Interest Rate was so reduced, from the date each such Excess Payment was made by Borrower thereby increasing the available funds under the mortgage by the Excess Payment and the interest thereon.

(b) Borrower agrees to pay the interest rate by having it applied to the outstanding principal balance beginning twenty-five (25) days after Lender has given the Adjustment Notice to Borrower. Borrower will continue to pay the adjusted interest rate amount set forth in the last Adjustment Notice given by Lender to Borrower until twenty-five (25) days after Lender has given a further Adjustment Notice to Borrower. Notwithstanding anything to the contrary contained in this Adjustable Rate Rider or the Security Instrument, Borrower will be relieved of any obligation to pay, and Lender will have forfeited its right to collect, any increase in the interest including interest added to the principal (caused by the recalculation of such amount under Paragraphs 4 and 5) before twenty-five (25) days after Lender has given the applicable Adjustment Notice to Borrower.

(a) If the Existing Interest Rate changes on any Change Date, Lender will apply the new Existing Interest Rate to the total outstanding principal balance. At least twenty-five (25) days before the accrued interest is added to the mortgage balance, Lender will give Borrower written notice ("Adjustment Notice") of any change in the Existing Interest Rate. Each Adjustment Notice will set forth (i) the date the Adjustment Notice is given, (ii) the Change Date, (iii) the new Existing Interest Rate as adjusted on the Change Date, (iv) the Current Index and the date it was published, (v) the method of calculating the adjusted interest rate, and (vi) any other information which may be required by law from time to time.

(c) The amount of the Index will be determined, using the most recently available figure, thirty (30) days before the Change Date ("Current Index").

(d) The sum of the Current Index plus the Margin will be called the "Calculated Interest Rate" for each Change Date.

(e) The new adjusted rate will become effective on the Change Date and thereafter will be deemed to be the Existing Interest Rate. The new Existing Interest Rate will remain in effect until the next Change Date on which the interest rate is adjusted.

(f) Any new adjusted rate will become effective on the Change Date and thereafter will be deemed to be the Existing Interest Rate. The new Existing Interest Rate will remain in effect until the next Change Date on which the interest rate is adjusted.

(g) Lifetime Maximum Interest Rate.

(h) The first adjustment to the interest rate (if any adjustment is required) will be effective on N/A, (which date will be the first day of the second full calendar month after closing), and thereafter each adjustment to the interest rate will be made effective on that day of each succeeding month ("Change Date") until the loan is repaid in full.
