If the Funds held by Leader exceed the amounts permitted to be held by applicable law, Leader shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Leader at any time is not sufficient to pay the interest when due, Leader may so notify Borrower in writing, and, in such case Borrower shall pay to Leader the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or including Lender, if Lender is subject to a restriction) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow items. Lender may not charge Escrow for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow items, unless Lender pays Escrow interest on the Funds and applies the funds to make such a charge. However, Lender may require Escrow to pay a one-time charge for an independent real estate service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires payment to be paid, Lender shall not be required to pay Borrower any interest or fees on the Funds without charge, an annual accounting of the Funds, however, interest and debts to the Funds and the purpose for which each Borrower and Lender may agree in writing, however, interest shall be paid on the Funds. 2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly taxes and assessments on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly leasehold premiums or ground rents on the Property; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with if any; (g) yearly flood insurance premiums, if any; and (h) any sums payable to Lender in lieu of the payment of mortgagor's account under the terms of the Note.

UNIFORM COVENANTS. Bottomland and Leedster covenant and agree as follows:

THIS SECURITY INSTRUMENT combines uniform convenants for national use and non-uniform conventions with limited variations by which it is designed to accomplish a uniform security instrument covering real property.

BORROWER COVENANTS that Borrower is lawfully entitled thereto and has the right to mortgag[e], grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. 5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve

16. Borrower's Copy. Borrower shall be given one conforming copy of this Note and of this Security instrument.
15. Governing Law; Severability. This Security instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision of this Security instrument or the Note is declared unconstitutional or conflictive with applicable law, such conflict shall not affect other provisions of this Security instrument or the Note which can be construed to be severable.
14. Notice to Lender. Any notice to Borrower or Lender when given as provided in this paragraph shall be deemed to have been given to Borrower or Lender without the cost of postage.
13. Loan Charges. If the loan secured by this Security instrument is subject to a rate which exceeds the permitted limit, then (a) any such loan charges collected or to be collected in connection with the charge of interest shall be reduced by the amount necessary to reduce the charge to the permitted limit, and (b) any sums already collected from Borrower which exceed principal owed under the Note or by making a direct payment to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to the permitted limit; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or loan that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the charge of interest shall be reduced by the amount necessary to reduce the charge to the permitted limit.
12. Successors and Assigns; Joint and Several Liability; Co-signers. The covenants and agreements of this Security instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of this Note.
11. Borrower Not Released; Borrower's Note a Waiver. Extension of the time for payment of modification of the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.
10. Condemnation. The proceeds of my award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.
9. Inspection. Lender or his agent may make reasonable entries upon and inspect any premises covered by this Security instrument before the taking is equal to or greater than the amount of the sum secured by this Security instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the fees incurred by Lender shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sum secured by this Security instrument whether or not the sums are then due.
- If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemned offer to make an award of certain claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect all applicable proceeds, at its option, either to restore or repair of the Property or to the sum secured by this Security instrument, whether or not then due.
- In the event of a total taking of the Property, the proceeds shall be applied to the sum secured by this Security instrument, whether or not then due.
8. Security Valuation. The market value of the Property immediately before the taking is less than the amount of the sum secured immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the sum secured by this Security instrument before the taking, unless Borrower and Lender otherwise agree in writing, the fees incurred by Lender shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sum secured by this Security instrument before the taking, divided by (b) the fair market value of the Property immediately before the taking, whichever is greater.
- If the Property is sold before the taking is less than the amount of the sum secured by this Security instrument before the taking, unless Borrower and Lender otherwise agree in writing, the fees incurred by Lender shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sum secured by this Security instrument before the taking, divided by (b) the fair market value of the Property immediately before the taking.
7. Partial Taking. In the event of a partial taking of the Property in which the fair market value of the sum secured by this Security instrument before the taking is less than the amount of the sum secured by this Security instrument before the taking, unless Borrower and Lender otherwise agree in writing, the fees incurred by Lender shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sum secured by this Security instrument before the taking, divided by (b) the fair market value of the Property immediately before the taking.
6. Condemnation. The proceeds of my award or claim for damages, direct or consequential, in connection with any condemnation or prior to an inspection specifying reasonable cause for the inspection.
5. Insurance. Lender or his agent may make reasonable entries upon and inspect any premises covered by this Security instrument before the taking is equal to or greater than the amount of the sum secured by this Security instrument.
4. Mortgagor. Borrower shall pay the premium required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

BALLOON RIDER
CONDITIONAL RIGHT TO REFINANCE

THIS BALLOON RIDER is made this 11TH day of DECEMBER, 1992, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure the Borrower's Note to THE NORTHERN TRUST COMPANY

(the "Lender") of the same date and covering the property described in the Security Instrument and located at:
3231 THAYER
EVANSTON, ILLINOIS 60201

(Property Address)

The interest rate stated on the Note is called the "Note Rate." The date of the Note is called the "Note Date." I understand the Lender may transfer the Note, Security Instrument and this Rider. The Lender or anyone who takes the Note, the Security Instrument and this Rider by transfer and who is entitled to receive payments under the Note is called the "Note Holder."

ADDITIONAL COVENANTS. In addition to the covenants and agreements in the Security Instrument, Borrower and Lender further covenant and agree as follows (despite anything to the contrary contained in the Security Instrument or the Note):

1. CONDITIONAL RIGHT TO REFINANCE

At the maturity date of the Note and Security Instrument (the "Maturity Date"), I will be able to obtain a new loan ("New Loan") with a new Maturity Date of JANUARY 1, 2023, and with an interest rate equal to the "New Note Rate" determined in accordance with Section 3 below if all the conditions provided in Sections 2 and 5 below are met (the "Conditional Refinancing Option"). If those conditions are not met, I understand that the Note Holder is under no obligation to refinance or modify the Note, or to extend the Maturity Date, and that I will have to repay the Note from my own resources or find a lender willing to lend me the money to repay the Note.

2. CONDITIONS TO OPTION

If I want to exercise the Conditional Refinancing Option at maturity, certain conditions must be met as of the Maturity Date. These conditions are: (1) I must still be the owner and occupant of the property subject to the Security Instrument (the "Property"); (2) I must be current in my monthly payments and cannot have been more than 30 days late on any of the 12 scheduled monthly payments immediately preceding the Maturity Date; (3) no lien against the Property (except for taxes and special assessments not yet due and payable) other than that of the Security Instrument may exist; (4) the New Note Rate cannot be more than 5 percentage points above the Note Rate; and (5) I must make a written request to the Note Holder as provided in Section 5 below.

3. CALCULATING THE NEW NOTE RATE

The New Note Rate will be a fixed rate of interest equal to the Federal National Mortgage Association's required net yield for 30-year fixed rate mortgages subject to a 60-day mandatory delivery commitment, plus one percentage point (1%), rounded to the nearest one-eighth of one percentage point (0.125%) (the "New Note Rate"). The required net yield shall be the applicable net yield in effect on the date and time of day that the Note Holder receives notice of my election to exercise the Conditional Refinancing Option. If this required net yield is not available, the Note Holder will determine the New Note Rate by using comparable information.

4. CALCULATING THE NEW PAYMENT AMOUNT

Provided the New Note Rate as calculated in Section 3 above is not greater than 5 percentage points above the Note Rate and all other conditions required in Section 2 above are satisfied, the Note Holder will determine the amount of the monthly payment that will be sufficient to repay in full (a) the unpaid principal, plus (b) accrued but unpaid interest, plus (c) all other sums I will owe under the Note and Security Instrument on the Maturity Date (assuming my monthly payments then are current, as required under Section 2 above), over the term of the New Note at the New Note Rate in equal monthly payments. The result of this calculation will be the amount of my new principal and interest payment every month until the New Note is fully paid.

5. EXERCISING THE CONDITIONAL REFINANCING OPTION

The Note Holder will notify me at least 60 calendar days in advance of the Maturity Date and advise me of the principal, accrued but unpaid interest, and all other sums I am expected to owe on the Maturity Date. The Note Holder also will advise me that I may exercise the Conditional Refinancing Option if the conditions in Section 2 above are met. The Note Holder will provide my payment record information, together with the name, title and address of the person representing the Note Holder that I must notify in order to exercise the Conditional Refinancing Option. If I meet the conditions of Section 2 above, I may exercise the Conditional Refinancing Option by notifying the Note Holder no later than 45 calendar days prior to the Maturity Date. The Note Holder will calculate the fixed New Note Rate based upon the Federal National Mortgage Association's applicable published required net yield in effect on the date and time of day notification is received by the Note Holder and as calculated in Section 3 above. I will then have 30 calendar days to provide the Note Holder with acceptable proof of my required ownership, occupancy and property lien status. Before the Maturity Date the Note Holder will advise me of the new interest rate (the New Note Rate), new monthly payment amount and a date, time and place at which I must appear to sign any documents required to complete the required refinancing. I understand the Note Holder will charge me a \$250 processing fee and the costs associated with updating the title insurance policy, if any.

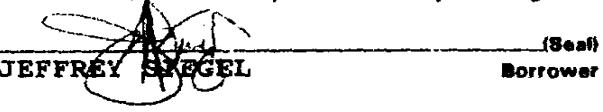

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Balloon Rider.

23. **Waves of Homestead**. Bigger waves all right of homestead exception in the Property.

22. Release. Upon payment of all sums accrued by this Security instrument, Lender shall release this Security instrument.

21. Acceleration of Remedies. Lender shall give notice to Borrower prior to acceleration under any applicable law otherwise. The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to remit late after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the notice is not cured in full before the date specified in the notice, Lender, at its option, may require immediate payment in full of all sums secured by this Security instrument without demand and may foreclose this Security instrument by judgment proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: bisulfite, caustic, chlorine, combustible or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde and radioactive materials. As used in this paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the property is located that relate to health, safety or environmental protection.

Borrower shall promptly give written notice of any investigation, claim, demand, lawsuit or other action by any government agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower fails to do so, Borrower shall promptly take any removal or other remedial action in accordance with Environmental Law.

20. Hazardous substances, Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence and/or use of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

19. Sale of Note: The Note of Loan Servicer. The Note of Loan Servicer will be sold to Borrower at a partial interest in the Note (together with this Security instrument) may be sold to or more than one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security instrument. There also may be one or more changes of the Loan Servicer, unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

18. **Borrower's Right to Retainate**. If Borrower meets certain conditions, Borrower shall have the right to have all arrangements of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment entitling this Security Instrument. Those conditions are that Borrower: (a) pays all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) pays all expenses incurred in foreclosing this Security Instrument and the Note as if no acceleration had occurred; (c) pays all expenses incurred in enforcing this Security Instrument; (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument remains unchallenged; (e) pays all reasonable attorney fees and costs of collection; and (f) complies with all terms and conditions of this Security Instrument.

If Lennder exercises this option, Lennder shall give Borrower notice of acceleration. The notice shall provide a period of no less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lennder may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without the written consent of Lender, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date
