On the other hand, the *in vitro* studies have shown that the *in vivo* results are not always predictable.

“*It is the first time that I have seen such a thing.*”

Practicing law in the United States is a privilege, not a right. It is a privilege that must be earned through hard work, dedication, and adherence to the highest ethical standards. It is a privilege that must be maintained through continued education, professional development, and active participation in the legal community.
