2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of Paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 *et seq.* ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under Paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under Paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under Paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in Paragraph 2, or, if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceeding, which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. **Hazard or Property Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with Paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in Paragraphs 1 and 2 or change the amount of the payments. If under Paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. **Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds.** Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year.

18. Borrower's Right to Remonstrate. If Security instrument discloses certain conditions, Borrower shall have the right to demand payment of principal and interest in full prior to the earlier of (a) 5 days (or such other period as applicable law may permit), (b) 5 days after notice of the application of funds to any power of sale contained in this instrument, or (c) entry of a judgment entitling Secured party to any power of sale of the property underlying this instrument to any power of sale contained in this instrument and the Note as if no acceleration had occurred; (d) entry of a decree of partition or sale of the property underlying this instrument to any power of sale contained in this instrument and the Note as if no acceleration had occurred; (e) entry of a decree of partition or sale of the property underlying this instrument and the Note as if no acceleration had occurred; (f) entry of a decree of partition or sale of the property underlying this instrument and the Note as if no acceleration had occurred; (g) entry of a decree of partition or sale of the property underlying this instrument and the Note as if no acceleration had occurred; (h) entry of a decree of partition or sale of the property underlying this instrument and the Note as if no acceleration had occurred; (i) entry of a decree of partition or sale of the property underlying this instrument and the Note as if no acceleration had occurred; (j) entry of a decree of partition or sale of the property underlying this instrument and the Note as if no acceleration had occurred; (k) entry of a decree of partition or sale of the property underlying this instrument and the Note as if no acceleration had occurred; (l) entry of a decree of partition or sale of the property underlying this instrument and the Note as if no acceleration had occurred; (m) entry of a decree of partition or sale of the property underlying this instrument and the Note as if no acceleration had occurred; (n) entry of a decree of partition or sale of the property underlying this instrument and the Note as if no acceleration had occurred; (o) entry of a decree of partition or sale of the property underlying this instrument and the Note as if no acceleration had occurred; (p) entry of a decree of partition or sale of the property underlying this instrument and the Note as if no acceleration had occurred; (q) entry of a decree of partition or sale of the property underlying this instrument and the Note as if no acceleration had occurred; (r) entry of a decree of partition or sale of the property underlying this instrument and the Note as if no acceleration had occurred; (s) entry of a decree of partition or sale of the property underlying this instrument and the Note as if no acceleration had occurred; (t) entry of a decree of partition or sale of the property underlying this instrument and the Note as if no acceleration had occurred; (u) entry of a decree of partition or sale of the property underlying this instrument and the Note as if no acceleration had occurred; (v) entry of a decree of partition or sale of the property underlying this instrument and the Note as if no acceleration had occurred; (w) entry of a decree of partition or sale of the property underlying this instrument and the Note as if no acceleration had occurred; (x) entry of a decree of partition or sale of the property underlying this instrument and the Note as if no acceleration had occurred; (y) entry of a decree of partition or sale of the property underlying this instrument and the Note as if no acceleration had occurred; (z) entry of a decree of partition or sale of the property underlying this instrument and the Note as if no acceleration had occurred.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any rights set forth in this instrument.

This Security Instrument, however, this option shall not be exercised by Lender if exercise of this instrument is prohibited by federal law as of

13. **Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the loan to the permitted limits; and (b) any sums already collected from the borrower which exceeded permitted limits will be refunded to the borrower. Under many circumstances, it may be necessary to make this refund by reducing the principal owed under the Note or by making a direct payment to the Noteholder. If a refund reduces principal, the reduction will be treated as a partial prepayment without any direct payment to the Noteholder.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in Paragraphs 1 and 2 or change the amount of such payments. 11. Borrower Not Responsible; Forbearance by Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the sums secured by this Security instrument granted by Lender to any successor in interest of Borrower or to release the sums secured by this Security instrument granted by Lender to any other person.

Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

8. Mortgagor's Assurance If Lender required mortgagage insurance as a condition of making the loan secured by this security instrument, Borrower shall pay the premiums required to maintain the mortgagage insurance in effect. If, for any reason, the mortgagage insurance ceases to be in effect, Borrower shall pay the premium(s) due and payable in full to the insurance company to obtain coverage and shall pay the premium(s) due and payable in full to the insurance company to maintain the mortgagage insurance in effect until Lender takes steps to reapply for the insurance. If Lender re-applies for the insurance, Lender shall pay the premium(s) due and payable in full to the insurance company to maintain the mortgagage insurance in effect until Lender receives notice from the insurance company that the insurance has been reinstated.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants contained in this Security Instrument, or if there is a bankruptcy, or if a proceeding similar to bankruptcy is started against Borrower, or if Borrower fails to make property taxes, insurance premiums, or other charges due on the property, or if Borrower fails to pay any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorney's fees and costs and expenses incurred on the property to make repairs. Although Lender may take action under this Paragraph

After the date of occupancy, unless Lender otherwise agrees, . . writing, which consents shall not be unreasonably withheld, or unless circumstances exist which are beyond Borrower's control, Borrower shall not destroy, damage or impair the property, allow the property to deteriorate, or commit waste on the property, Borrower shall not be in default if any forfeiture action or proceeding, whether civil or criminal, is begun by Lender's Securit y judgment could result in forfeiture of the property, which may cause such a default and result in Paragraph 18, by causing the action of Borrower's interest, Borrower shall not be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the property or other material impairment of the loan instrument or Lender's security interest. Borrower shall also be immune from liability for any damage or loss resulting from the loss of the property, except as provided in Paragraph 18, by causing the action of Borrower's interest, Borrower shall not be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the property or other material impairment of the loan instrument or Lender's security interest.
