DEFINITIONS. The following words shall have the following meanings when used in this Mortgage. Terms not otherwise defined in this Mortgage shall have the meanings attributed to such terms in the Uniform Commercial Code. The interest rate under the revolving line of credit is a variable interest rate based upon an Index. The Index currently is 8.600% per annum. The interest rate to be applied to the outstanding account balance shall be at a rate 2.000 percentage points above the Index for balances of \$25,000.00 and under and at a rate 1.000 percentage points above the Index for balances of \$25,000.01 and above, subject however to the following maximum rate.
