Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

**8. Mortgage Insurance.** If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

**9. Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

**10. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

**11. Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

**12. Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

**13. Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

**14. Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

**15. Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

**16. Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

**17. Transfer of the Property or a Beneficial Interest In Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

**18. Borrower's Right to Reinstate.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

**UNOFFICIAL COPY** Under this paragraph, Learner does not have to do so.

Borrower shall also be in default if Borrower, any material provision of the Note, including, but not limited to, representations concerning the value of the Property, or the terms of the acquisition of the Property, or the terms of the sale of the Property, or the terms of the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, or condemnation or foreclosure to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property over which Lender has priority (such as paying attorney's fees and expenses, repairing damage, or repairing or replacing any sums sums secured by a lien which has priority over the Property). ## ADJUSTABLE RATE RIDER ARM-T PERIODIC CAP

Loan No. 1-362290-9

THIS ADJUSTABLE RATE RIDER dated FEBRUARY 11, 1992 changes and adds to the Mortgage, Deed of Trust, or Security Deed (the "Security Instrument") I signed this day. The Security Instrument secures my Note (the "Note") to

GREAT WESTERN MORTGAGE CORPORATION, A DELAWARE CORPORATION (the "Lender"), also signed this day, and covers my property as described in the Security Instrument and located at:

18700 S ASHLAND  
HOMEWOOD, IL 60430

(Property Address)

ATTENTION: THE NOTE CONTAINS PROVISIONS ALLOWING FOR ADJUSTMENTS TO MY INTEREST RATE AND MY MONTHLY INSTALLMENT. THE NOTE LIMITS THE MINIMUM AND MAXIMUM INTEREST I MUST PAY AND HAS THE POTENTIAL FOR NEGATIVE AMORTIZATION.

The amount of my scheduled monthly installment could be less than the amount required to pay the interest due after a rate adjustment for that installment period. If so, the Note Holder will subtract the amount of my scheduled monthly installment from the amount of interest that I owe for that month and will add the difference to the outstanding principal balance of my loan. This occurrence is known as negative amortization. This unpaid interest is called "deferred interest." Under the Note, I must pay interest on the amount added to the principal balance at the same rate of interest I am required to pay on the outstanding loan balance each month.

### INTEREST RATE AND MONTHLY INSTALLMENT ADJUSTMENTS

92116478

The Note provides for adjustments to my interest rate and my monthly installments as follows:

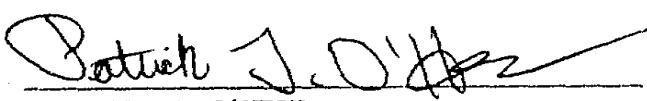

Initial Interest Rate	8.450%	First Interest Rate Adjustment Date	JUNE 1, 1992
Initial Monthly Installment	\$ 520.46	Periodic Rate Adjustment Limit	2.000 Percentage Points
First Installment Due Date	APR. 1, 1992	Installment Due Date	1ST
Maturity Date	MARCH 1, 2022	First Installment Adjustment Date	APRIL 1, 1993
Minimum Rate*	6.750%	Maximum Rate*	12.950%
Rate Differential	2.100		

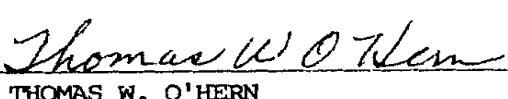

\*The Minimum Rate and Maximum Rate are subject to adjustment as provided in Section 1(d).

OF THIS RIDER ARE PART OF THIS RIDER.

Uniform Covenant 13 of the Security instrument is detailed.

LEGISLATION AFFECTING LENDER'S RIGHTS

The third sentence in the second paragraph of Uniform Coverage 2 of the Security Instrument is changed to read as follows:  
The third sentence in the second paragraph of Uniform Coverage 2 of the Security Instrument is changed to read as follows:  
Lender may not change the holding and applying the Funds, realizing the account or verifying the account items, unless Lender  
pays Borrower interest on the Funds, and applicable law permits such a charge, provided, however, that  
Lender may impose upon Borrower a charge to compensate a third party who shall be responsible for the monitoring and  
payment of real estate taxes without thereby becoming obligated to pay Borrower interest on the Funds.

17. LENDER'S CONSENT REQUIRED. Lender may declare all sums secured hereunder paid in full if Borrower fails to pay any principal or interest due and payable within 30 days after such declaration except as expressly provided by law. If Borrower fails to pay any principal or interest due and payable within 30 days after such declaration except as expressly provided by law, Lender may declare all sums secured hereunder paid in full if Borrower fails to pay any principal or interest due and payable within 12 months after such declaration except as expressly provided by law.

**TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN EQUIPMENT** Paragraph 17 of the Security instrument is changed to read as follows:

(The Note Holder is called the "Lender"; I am called the "Borrower.")  
agreed as follows:

(c) Limitation on Adjustment on the Month-by-Month Adjustment. The increases and decreases which occur to the monthly installment on the first adjustment date will not exceed 7½% of the previous monthly installment except on the tenth (10th) anniversary of the first instalment date, and on each fifth (5th) anniversary during the remaining term of the loan. On the tenth (10th) anniversary, and each fifth (5th) anniversary following, the increases or decreases to the monthly instalment may exceed 7½% of the previous month amount if the calculation of instalment adjustment described in Section 2(b) would result in a greater adjustment.

(b) Calculation of Adjustment Date by using the interest rates relate which is then in effect and the loan balance which would be owing on the adjustment date if only regular scheduled instalments are made. The new instalment will be an amount which would be sufficient to repay the loan balance used in the calculation over the remaining term of the loan at the interest rate used in calculation, in subs. (a)(ii) apply equal instalments.

front of this Rider) and separately theretofore. The date the instrument will be adjusted is called the "Instrument Date".

## 2. METHOD OF COMPUTING ADJUSTMENTS TO THE MONTHLY INSTALMENT.

32116478

If the property is sold and my loan is assumed, the Note Holder may adjust the Maximum Rate up to five percentage points (5.0%) above the interest rate in effect on the date of the assumption. The Note Holder may also adjust the Maximum Rate down (5.0%) below the interest rate in effect on the date of the assumption. The Note Holder may increase or decrease the Maximum Rate and the Minimum Rate each time the property is sold; however, the Periodic Rate Adjustment Limit may not be adjusted. The Note Holder may choose not to adjust the Maximum Rate each time the property is sold and the Note Holder's choice will not affect the Maximum Rate or the Minimum Rate.

(d) Limits on Interest Rate Adjustments. Adjustments to the interest rate I am required to pay are limited as follows: (i) My interest rate in the first loan year (the period from the beginning of this loan to the wallet [12] installation Date) may not be adjusted from the initial interest rate by more than or less than the Periodic Rate Adjustment Limit (shown on the front of this Rider). My interest rate in each of the twelve-month periods (clear years) following the first loan year may not be adjusted from my interest rate in the last month of the previous year by more than or less than the Periodic Rate Adjustment Limit. (ii) My interest rate in each of the twelve-month months following the first loan year may not be adjusted from the front of this Rider unless the term of this loan will not be greater than the Maximum Rate less than the Minimum Rate (shown on the front of this Rider) unless the property securing this loan is sold and the loan is assumed; however, the Periodic Rate Adjustment Limit may not be adjusted. Sale of the property and assumption of the Note Holder's notes.

The Note Holder may choose not to increase my interest rate even if an increase is permitted because of an increase in the Current Index. The Note Holder is not required to give me advance notice of interest rate adjustments.

(c) Calculation of Adjustment. The Note Holder will determine each adjusted interest rate by adding the Rate Differential (shown on the front of this Rider) to the most recently published Current Index. The sum of the Current Index and the Rate Differential is the interest rate to my loan until the next month's interest rate adjustment.

is the Federal Cost of Funds Index published monthly by the Federal Home Loan Mortgage Corporation. If the index is higher than the monthly holder may select an alternative index to permit rate adjustments and that all remainders shall be the "index." Each publisher update of the index is called the "Current Index."

(a) **Adjustment Dates.** The interest rate will pay can be adjusted on the first interest Rate Adjustment Date (shown on the front of this Rider) and on every installment due date thereafter.

#### **METHOD OF COMPUTING INTEREST RATE ADJUSTMENTS.**
