TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require to Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. Section 2601 *et seq.* ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

8. Mortgagage Insurance. If Lender requires mortgagage insurance as a condition of making the loan secured by this Security instrument, Borrower shall pay the premiums required to maintain the mortgagage insurance in effect. If, for any reason, the mortgagage insurance ceases to be in effect, Borrower shall pay the premium required by Lender to restore the mortgagage insurance to its previous coverage. If Lender receives premiums as a result of mortgagage insurance due to an increase in value of the mortgagage property paid by Borrower within the insurance coverage period or caused by one or more events of the type described in paragraph 10, Lender may require Borrower to pay the additional premiums required to maintain the mortgagage insurance coverage in effect. Lender may require Borrower to pay the additional premiums required to maintain the mortgagage insurance coverage in effect if Lender determines that the mortgagage insurance coverage is not available. Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgagage insurance premium paid by Borrower within the insurance coverage period or caused by one or more events of the type described in paragraph 10.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security instrument. Unless Borrower and Lender agree to offer terms of payment, these amounts shall bear interest from the date of disbursal until paid, with interest, upon notice from Lender to Borrower requesting payment.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay all expenses and attorney's fees and other charges on the Property to make repairs. Although Lender may take action under paragraph 7, Lender may sue and garnish any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorney's fees and expenses on the Property to make repairs. Allthough Lender may take action under paragraph 7, Lender may sue and garnish any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorney's fees and expenses on the Property to make repairs.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration of the property damaged, if the restoration of repair is economically feasible and Lender's security is not lessened. If the repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums required by this Security Instrument, whether or not due, with any excess paid to Borrower. If Borrower abandons the property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not due, the 30-day period will begin when the notice is given.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender receives notices of premium payments or renewals, Lender shall receive all premiums and renewals. If Lender receives notices of loss, Borrower shall promptly give notice to the insurance carrier and Lender may make good of loss if not made promptly by Borrower.

5. Hazard and/or Property Insurance. Borrower shall keep the insurance now existing or hereafter created on the Property in accordance with Paragraph 7.

UNOFFICIAL COPY

payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damage, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

Without changes to borrowing, however, banks will pay any recondition costs.

22. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument.

21. Acceleration Remedies. Landlord shall give notice to Borrower prior to acceleration or following Borrower's breach of any covenant or agreement in this Security Instrument that is not prior to acceleration under paragraph 17 unless applicable law provides otherwise. The notice shall specify: (a) the deficiency; (b) the action intended to cure the deficiency; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the deficiency must be cured; and (d) dual failure to cure the deficiency on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judgment proceeding and sale of the Property. The notice further informs Borrower of the right to request after acceleration and the right to assert in the foreclosure proceeding the non-existence of a defect or any other defense of Borrower to acceleration and foreclosure. If the defaulter is not cured as of before the due date specified in the note without demand and any reasonable time provided in this Security Instrument by judgment proceeding, it is understood to offset all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not necessarily limited without demand and any reasonable time provided in this Security Instrument by judgment proceeding, to the sum secured by this note.

NON-UNIFORM GOVERNANTS, BOUNDWALL AND BORDER FORTRESS

and to interfere with the Proprietary.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any party involved in the Proprietary and any Lien or claim of Environmental law governing the Proprietary or relating to any investigation of private party involved in the Proprietary or any other action by any party involved in the Proprietary.

of which Borrower has actual knowledge. If Borrower learns, or is notified by any government or regulatory authority, that any remedial action is necessary or prudent in connection with any Lien or claim of Environmental law or any other action by any party involved in the Proprietary, Borrower shall promptly take all necessary remedial actions in accordance with law.

As used in this paragraph 20, "Lien or claim of Environmental law" means federal laws and regulations administered by the Environmental Protection Agency, state environmental laws and regulations, and the following asbestos, asbestos-containing substances, asbestos-containing products, toxic substances and hazardous wastes, volatile solvents, materials containing asbestos or lead-based paint, and radioactive materials.

Environmental laws and regulations, asbestos-containing substances, asbestos-containing products, toxic substances and hazardous wastes, volatile solvents, materials containing asbestos or lead-based paint, and radioactive materials. As used in this paragraph 20, "Environmental law" means federal laws and regulations administered by the Environmental Protection Agency, state environmental laws and regulations, and the following asbestos, asbestos-containing substances, asbestos-containing products, toxic substances and hazardous wastes, volatile solvents, materials containing asbestos or lead-based paint, and radioactive materials.

24. **Hazardous Substances**: Borrower shall not cause or permit the presence, use, disposal, storage, or release of any hazardous substance as defined under the Environmental Protection Agency's regulations at 40 CFR Part 302.

19. **Slide of Note, Lending of Loan Servicer.** The Note or a partial interest in the Note (regardless of who the Note is held by) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (know-how instrument) which controls the Note and its servicer. This Note or a partial interest in the Note (regardless of who the Note is held by) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (know-how instrument) which controls the Note and its servicer. As the Note and this Security Instrument do not underlie the Note and this Security Instrument as the "loan servicer," this sale does not affect the Note and this Security Instrument. The sale also may be made or more changes of the loan servicer. If there is a change of the loan servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new loan servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

hereby shall remain in my effective as if no acceleration had occurred. However, this right to remit shall not apply in the case of acceleration under paragraph 17.

18. Borrower's Right to Reinstatement. If Borrower meets certain conditions, Borrower shall have the right to have the applicable law stay specific for reinstatement before sale of the Property pursuant to any power of sale contained in this Security Instrument or (b) entry of a judgment entitling this Security Instrument. Those conditions are that Borrower (a) pays Lentee all sums which have accrued under this Security Instrument and the Note as if no acceleration had occurred; (b) pays any default of any other evasions of obligations; (c) pays all expenses incurred in collecting this Security Instrument, including, but not limited to, reasonable attorney fees; and (d) takes such action as Lender may reasonably require to assure that the loan of this Security Instrument is valid and enforceable.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by law.

17. If a transfer of the Property or a beneficial interest in Borrower. It shall or any part of the Property or any interest in it is sold or transferred (or if it is beneficially owned by a Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this instrument. Furthermore, this option shall not be exercised by Lender if exercise is prohibited by Section 114 of this instrument.

II. ASSIGNMENT OF RENTS; APPOINTMENT OF RECEIVER; LENDER IN POSSESSION.
 Borrower absolutely and unconditionally assigns and transfers to Lender all the rents and revenues ("Rents") of the Property, regardless of to whom the Rents of the Property are payable. Borrower authorizes Lender or Lender's agents to collect the Rents, and agrees that each tenant of the Property shall pay the Rents to Lender or Lender's agents. However, Borrower shall receive the Rents until (i) Lender has given Borrower notice of default pursuant to paragraph 21 of the Security Instrument and (ii) Lender has given notice to the tenant(s) that the Rents are to be paid to Lender or Lender's agent. This assignment of Rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower (i) all Rents received by Borrower shall be held by Borrower as trustee for the benefit of Lender only, to be applied to the sums secured by the Security Instrument; (ii) Lender shall be entitled to collect and receive all of the Rents of the Property; (iii) Damage awards that are in favor of the Property shall pay all Rents due and unpaid to Lender or Lender's agents upon Lender's written demand to the tenant; (iv) unless applicable law provides otherwise, all Rents collected by Lender or Lender's agents shall be applied first to the costs of taking control of and managing the Property and collecting the Rents, including, but not limited to, attorney's fees, receiver's fees, premiums on receiver's bonds, repair and maintenance costs, insurance premiums, taxes, assessments and other charges on the Property, and then to the sums secured by the Security Instrument; (v) Lender, Lender's agents or any judicially appointed receiver shall be liable to account for only those Rents actually received; and (vi) Lender shall be entitled to have a receiver appointed to take possession of and manage the Property and collect the Rents and profits derived from the Property without any showing as to the inadequacy of the Property as security.

If the Rents of the Property are not sufficient to cover the costs of taking control of and managing the Property and of collecting the Rents any funds expended by Lender for such purposes shall become indebtedness of Borrower to Lender secured by the Security Instrument pursuant to Uniform Covenant 7.

Borrower represents and warrants that Borrower has not executed any prior assignment of the Rents and has not and will not perform any act that would prevent Lender from exercising its rights under this paragraph.

Lender, or Lender's agents or a judicially appointed receiver, shall not be required to enter upon, take control of or maintain the Property before or after giving notice of default to Borrower. However, Lender, or Lender's agents or a judicially appointed receiver, may do so at any time when a default occurs. Any application of Rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of Rents of the Property shall terminate when all the sums secured by the Security Instrument are paid in full.

I. CROSS-DEFAULT PROVISION Borrower's default or breach under any note or agreement in which Lender has an interest shall be a breach under the Security Instrument and Lender may invoke any of the remedies permitted by the Security Instrument.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and provisions contained in this 1-4 Family Rider.
