TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 *et seq.* ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the

Further, defendant may foreclose under its option may require immediate payment of all expenses incurred in pursuing further defendant and may foreclose further, if necessary to satisfy judgment, defendant shall release all costs of title examination fees and costs of title examination costs.

21. Acceleration: Remedies. Borrower shall give notice to Acceleration following Borrower's breach of any covenant or agreement in this Security Instrument prior to acceleration under Paragraph 17 unless applicable law provides otherwise. The notice shall be given to Borrower, by which the debt is due; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, together with interest accrued and sale of the Property. The notice shall further inform Borrower of the right to remit late notice fees, acceleration and sale of the Property. If the notice is given to Borrower by mail, by registered or certified mail, return receipt requested, postage prepaid, and (e) a default, not less than 30 days from the date the notice is given to Borrower, by which the debt is due; and (f) the action required to cure the debt is given to Borrower, by which the debt is due; and (g) the action required to cure the debt is given to Borrower, by which the debt is due; and (h) the action required to cure the debt is given to Borrower, by which the debt is due; and (i) the action required to cure the debt is given to Borrower, by which the debt is due; and (j) the action required to cure the debt is given to Borrower, by which the debt is due; and (k) the action required to cure the debt is given to Borrower, by which the debt is due; and (l) the action required to cure the debt is given to Borrower, by which the debt is due; and (m) the action required to cure the debt is given to Borrower, by which the debt is due; and (n) the action required to cure the debt is given to Borrower, by which the debt is due; and (o) the action required to cure the debt is given to Borrower, by which the debt is due; and (p) the action required to cure the debt is given to Borrower, by which the debt is due; and (q) the action required to cure the debt is given to Borrower, by which the debt is due; and (r) the action required to cure the debt is given to Borrower, by which the debt is due; and (s) the action required to cure the debt is given to Borrower, by which the debt is due; and (t) the action required to cure the debt is given to Borrower, by which the debt is due; and (u) the action required to cure the debt is given to Borrower, by which the debt is due; and (v) the action required to cure the debt is given to Borrower, by which the debt is due; and (w) the action required to cure the debt is given to Borrower, by which the debt is due; and (x) the action required to cure the debt is given to Borrower, by which the debt is due; and (y) the action required to cure the debt is given to Borrower, by which the debt is due; and (z) the action required to cure the debt is given to Borrower, by which the debt is due.

22. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

23. Waiver of Homestead. Borrower waives all right of homestead exemption in the Property.

applicable law may specify for instruments before any power of sale contained in this instrument or any power of sale contained in a subsequent instrument. periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30 day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately, (to) the acquisition.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the loan evidenced by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain the payment of a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any

remedies permitted by this Secured Instrument without notice or demand on Borrower.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this security instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedy herein.

16. Borrower's copy: Borrower shall be given one copy of the Note and of this Security Instrument.
 17. Transfer of Property or a Beneficial Interest in Borrower: If all or any part of the Property or any interest in
 it is sold or transferred out of a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person
 who has transfer's power written consent, and thereby, as his opinion, requires immediate payment in full of all sums secured by
 such Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law or
 state law.

13. Governing Law; Severability. This Securities Instrument shall be governed by the federal law, and the law of the state in which the Property is located. In the event that any provision of this Securities Instrument is determined to be invalid or unenforceable, the remaining provisions of this Note will remain in effect notwithstanding such invalidity or unenforceability.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by deliverying it or by mailing it by first class mail unless otherwise specified in this instrument.

12. Successors and Assigns; Death and Survival Liability; Creditors

11. Borrower and Releasee: Forbearance by Lender Not a Waiver. Extension of the time for payment of modification of amortization of the sum received by this Secured Instrument granted by Lender to any successor in interest of Borrower shall not affect the liability of the original Borrower or of Borrower's successors in interest. BALLOON RIDER (CONDITIONAL RIGHT TO REFINANCE)

FMC # 187030-1

THIS BALLOON RIDER is made this 6TH day of MARCH , 19 92 and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure the Borrower's Note to FLEET NATIONAL BANK (the "Lender") of the same date and covering the property described in the Security Instrument and located at 12922 SOUTH HIGHLAND, BLUE ISLAND, ILLINOIS 60406

Property of
County Clerk's
Court Record
Account

The interest rate stated on the Note is called the "Note Rate." The date of the Note is called the "Note Date." I understand the Lender may transfer the Note, Security Instrument and this Rider. The Lender or anyone who takes the Note, the Security Instrument and this Rider by transfer and who is entitled to receive payments under the Note is called the "Note Holder."

ADDITIONAL COVENANTS. In addition to the covenants and agreements in the Security Instrument, Borrower and Lender further covenant and agree as follows (despite anything to the contrary contained in the Security Instrument or the Note):

1. CONDITIONAL RIGHT TO REFINANCE

At the maturity date of the Note and Security Instrument (the "Note Maturity Date"), I will be able to obtain a new loan ("New Loan") with a new Maturity Date of APRIL 1, 2022, (the "New Maturity Date") and with an interest rate equal to the "New Loan Rate" determined in accordance with Section 3 below if all the conditions provided in Sections 2 and 5 below are met (the "Conditional Refinance Option"). If those conditions are not met, I understand that the Note Holder is under no obligation to refinance the Note or to modify the Note, reset the Note Rate, or extend the Note Maturity Date, and that I will have to repay the Note from my own resources or find a lender willing to lend me the money to repay the Note.

2. CONDITIONS TO OPT IN

If I want to exercise the Conditional Refinance Option, certain conditions must be met as of the Note Maturity Date. These conditions are: (1) I must still be the owner and occupant of the property subject to the Security Instrument (the "Property"); (2) I must be current in my monthly payments and cannot have been more than 30 days late on any of the 12 scheduled monthly payments immediately preceding the Note Maturity Date; (3) there are no liens, defects, or encumbrances against the Property, or other adverse matters affecting title to the Property (except for taxes and special assessments not yet due and payable) arising after the Security Instrument was recorded; (4) the New Loan Rate cannot be more than 5 percentage points above the Note Rate; and (5) I must make a written request to the Note Holder as provided in Section 5 below.

3. CALCULATING THE NEW LOAN RATE

The New Loan Rate will be a fixed rate of interest equal to the Federal Home Loan Mortgage Corporation's required net yield for 30-year fixed rate mortgages subject to a 60-day mandatory delivery commitment, plus one-half of one percent (0.5%), rounded to the nearest one-eighth of one percent (0.125%) (the "New Loan Rate"). The required net yield shall be the applicable net yield in effect on the date and time of day that the Note Holder receives notice of my election to exercise the Conditional Refinance Option. If this required net yield is not available the Note Holder will determine the New Loan Rate by using comparable information.

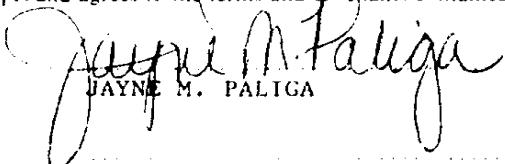

4. CALCULATING THE NEW PAYMENT AMOUNT

Provided the New Loan Rate as calculated in Section 3 above is not greater than 5 percentage points above the Note Rate and all other conditions required in Section 2 above are satisfied, the Note Holder will determine the amount of the monthly payment that will be sufficient to repay in full (a) the unpaid principal, plus (b) accrued but unpaid interest, plus (c) all other sums I will owe under the Note and Security Instrument on the Note Maturity Date (assuming my monthly payments then are current, as required under Section 2 above), over the term of the New Loan at the New Loan Rate in equal monthly payments. The result of this calculation will be the new amount of my principal and interest payment every month until the New Loan is fully paid.

5. EXERCISING THE CONDITIONAL REFINANCE OPTION

The Note Holder will notify me at least 60 calendar days in advance of the Note Maturity Date and advise me of the principal, accrued but unpaid interest, and all other sums I am expected to owe on the Note Maturity Date. The Note Holder also will advise me that I may exercise the Conditional Refinance Option if the conditions in Section 2 above are met. The Note Holder will provide my payment record information, together with the name, title and address of the person representing the Note Holder that I must notify in order to exercise the Conditional Refinance Option. If I meet the conditions of Section 2 above, I may exercise the Conditional Refinance Option by notifying the Note Holder no earlier than 60 calendar days and no later than 45 calendar days prior to the Note Maturity Date. The Note Holder will calculate the fixed New Loan Rate based upon the Federal Home Loan Mortgage Corporation's applicable published required net yield in effect on the date and time of day notification is received by the Note Holder and as calculated in Section 3 above. I will then have 30 calendar days to provide the Note Holder with acceptable proof of my required ownership, occupancy and property lien status. Before the Note Maturity Date the Note Holder will advise me of the new interest rate (the New Loan Rate), new monthly payment amount and a date, time and place at which I must appear to sign any documents required to complete the required refinancing. I understand the Note Holder will charge me a \$250 processing fee and the costs associated with the exercise of the Conditional Refinance Option, including but not limited to the cost of updating the title insurance policy.

BY SIGNING BELOW, BORROWER accepts and agrees to the terms and covenants contained in this Balloon Rider
