As far as the author's knowledge goes, there is no record of the use of the term "military" applied to spiritual leaders, which in single units or centrally controlled groups supply both the physical strength, power, education, and discipline of their members, and their own means of destruction, the members themselves being the instruments of war, particularly in the case of the Amish, Mennonites, and Hutterites. These groups have been described as "the military arm of the church," and are generally described by the experts as such. The Amish, Hutterites, and the other strictly orthodox Brethren and the Mennonites are the best known examples of the military aspect of the religious life.

TO HAVE AND TO HOLD the said premises with all buildings, improvements, fixtures, appurtenances, and equipment, and with all the rights and privileges thereto belonging, and **MATTHEW BAKER**, for the use, benefit, for the term, all rights and benefits under the leasehold, leasehold and rental, for which he will pay rent and benefits, and **MATTHEW BAKER** to have and to hold.

132 *W. H. Hiltl*

For the payment of a debt created by the Master in the name of the Mechanics Building Fund, I do hereby assign the principal sum of **ONE HUNDRED THOUSAND AND NO/100** dollars.

1 **100000 00** which Note is payable for **TEN** months from the date of issue
and is to be paid in full on the tenth day of **February** 1993 together with all the accrued and unpaid interest thereon and all costs, expenses and expenses of any kind which may have accrued thereto on or before the first day of **FEBRUARY, 1993**

any additional funds made by the Mortgagor to the Mortgagee, of all accrued in title, for any purpose, at any time before the release and cancellation of this Mortgage, but at no time shall this Mortgagee receive advances on account of said original Note, together with such additional advances, in a sum not exceeding **ONE HUNDRED TWENTY THOUSAND AND NO/100** dollars (\$ 120,000.00), provided that nothing herein contained shall be considered as limiting the amount of debt which may be created hereby when advanced to protect the security herein contained, or any interest therein.

⁴ In this performance, all of the concepts and objectives of the *Blocktopia* by Rob M. are contained herein and in said Blocktopia.

THE MORGAGOR COVENANT

(3) To pay and make good, and the interest thereon as herein and in such note be provided, or according to any agreement extending the time of payment thereof, (A) To pay when due and before any penalty attaches thereto all taxes, special taxes, special assessments, water charges, sewer service charges, and condominium assessments against said property (including those now existing due), and to furnish the mortgagee, upon request, duplicate copies thereof, and all well and truly executed contracts and property shall be conclusively deemed valid for the purpose of this requirement, (B) To keep the improvements, real or personal, upon said premises insured against damage by fire, and such other hazards as the mortgagee may require to be insured against, and to provide public liability insurance, with each other insurance as the mortgagee may require, until said indebtedness is fully paid off in case of foreclosure, until expiration of the time for

Следует отметить, что в последние годы в ряде стран мира, в том числе и в СССР, получили распространение различные методы изучения социальных явлений, в которых ведущую роль играет не столько количественные методы, сколько качественные. Важнейшим из них является метод социальной антропологии, который, как известно, изучает социальные явления с позиций социальной психологии и социальной генетики. Важно отметить, что в последние годы в ряде стран мира, в том числе и в СССР, получили распространение различные методы изучения социальных явлений, в которых ведущую роль играет не столько количественные методы, сколько качественные. Важнейшим из них является метод социальной антропологии, который, как известно, изучает социальные явления с позиций социальной психологии и социальной генетики.

Wit hetzelfde voorbeeld dat eerder is gegeven, kan de volgende tabel worden opgesteld:

After the first year of the project, the results were encouraging. The average number of days between the first and second diagnosis of breast cancer decreased from 100 to 70 days. This was a significant improvement, but there was still room for further reduction.

As a result of the above-mentioned, the author has come to the conclusion that the main factor in the formation of the structure of the language of the *Khanty* people is the influence of the language of the *Tatars*, which is manifested in the presence of many words of Tatar origin in the *Khanty* language, and also in the fact that the *Khanty* language has adopted many features of the grammar of the Tatar language.

The following table summarizes the results of the study, showing the percentage of the variance explained by each factor.

¹ Видимо, в этом контексте термин «демократия» означает не политическую систему, а способ социальной организации.

With the exception of the first two, all the other species of *Leptodora* have been described from material collected in the northern part of their range, and it is therefore of interest to note that the species described here are found in the southern part of the genus.

Officer

the property before the transfer was made. The transferor had no right to require the transferee to pay the tax.

that the first time I ever saw him was when he was about 10 years old. He was a very tall, thin, dark-skinned boy with a shaved head. He had a gentle, kind expression and spoke with a soft, melodic voice. I remember him telling me stories about his life in Africa and how he had come to America. He was a member of a small community of people who had immigrated from West Africa and settled in a rural town in the Midwest. They lived simple lives, working the land and raising their families. I was fascinated by his stories and the way he spoke. He was a natural orator, with a gift for words and a way of telling stories that was both compelling and inspiring. He was a true leader, a man of vision and a source of strength and hope for many people in his community. He died at the age of 35, but his legacy lives on through the many people he inspired and the stories he told.
