TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS. That Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non uniform covenants with limited variation by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest. Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments due under the Note, until the Note is paid in full, a sum ("Funds") for (a) yearly taxes and assessments which may attach prior to the payment of the Note, (b) yearly hazard or property insurance premiums, (c) yearly mortgage insurance premiums, if any, and (d) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the Federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. Section 2601 et seq. ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future escrow items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Reserve Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items. Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may, so notify Borrower in writing, and, in such case, Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note, second, to amounts payable under paragraph 2, third, to interest due, fourth, to principal due, and last, to any late charges due under the Note.

4. Charges. Lenses. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attach prior to the payment of the Note, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, (b) contests in good faith the lien by, or defends against the enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien, or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attach prior to the payment of this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards including floods or flooding, for which lender requires insurance. This insurance shall be maintained in the amount and for the periods that lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, lender may, at lender's option, obtain coverage to protect lender's rights in the property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If lender requires, Borrower shall promptly give to lender all receipts of paid premiums and renewals. In the event of loss, Borrower shall give prompt notice to the insurance carrier and lender. Lender may make proof of loss if not made promptly by Borrower.

If the property damaged, if the restoration or repair is economically feasible and lender's security is not lessened, if the restoration of repair is not economically feasible or lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the property, or does not answer within 30 days a notice from lender that the insurance carrier has offered to settle a claim, then lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 2 the property is acquired by lender, Borrower agrees to any insurance policies and proceeds resulting from damage to the property prior to the acquisition.

6. Occupancy, Preservation, Maintenance and Protection of the Property. Borrower's loan application, representations, Borrower shall occupy, establish and use the property as Borrower's principal residence for at least one year after the date of occupancy, unless lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extraordinary circumstances exist which are beyond Borrower's control. Borrower shall not deteriorate, damage or impair the property, allow the property to deteriorate, or commit waste on the property. Good faith judgment could result in forfeiture of the property or other civil or criminal offenses which begin in lender's security instrument or lender's security interest in the property or of other material impairment of the lien created by this Security Instrument or lender's security interest in the property. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to lender (or failed to provide lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the property, the leasehold and the fee title shall not merge unless lender agrees to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect lender's rights in the property (such as a proceeding in bankruptcy, probate, or condemnation or forfeiture or to enforce laws or regulations), then lender may do and pay for whatever is necessary to protect the value of the property and lender's rights in the property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorney's fees and entering on the property to make repairs. Although lender may take action under this paragraph 7, lender does not have to do so.

Any amounts disbursed by lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from lender to Borrower requesting payment.

8. Mortgage Insurance. If lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equal to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to lender each month the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the property is located. If any provision or clause of this Security Instrument or the Note can be given effect without the conflicting provision, to this end the provisions of this Security Instrument and the Note are declared to be severable.

Notwithstanding to the extent that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

B. Hazard Insurance. So long as the Owners Association maintains, with a generally accepted insurance carrier, a "master" or "blanket" policy insuring the property which is satisfactory to Lender and which provides insurance coverage in the amount, for the periods, and against the hazards Lender requires, including fire and hazards included within the term "extended coverage," then

In the event of a distribution of hazard insurance proceeds in lieu of restoration or repair following a loss to the Property, or to common areas and facilities of the PUD, any proceeds payable to Borrower are hereby assigned and shall be paid to Lender. 10-YEAR BALLOON RIDER (Conditional Modification & Extension of Loan Terms)

THIS 10-YEAR BALLOON RIDER (the "Rider") is made this 4TH day of OCTOBER, 1991 and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower" or "I") to secure the Borrower's Balloon Note (the "Note") to SEARS MORTGAGE CORPORATION, AN OHIO CORPORATION (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

56 HUNTINGTON COURT
BURR RIDGE, ILLINOIS 60521

Property Address

The interest rate stated on the Note is called the "Note Rate". The date of the Note is called the "Note Date". I understand the Lender may transfer the Note, the related Mortgage, Deed of Trust or Security Deed ("Security Instrument") and this Rider. The Lender or anyone who takes the Note, the Security Instrument and this Rider by transfer and who is entitled to receive payments under the Note is called the "Note Holder".

ADDITIONAL COVENANTS: In addition to the covenants and agreements in the Note and the Security Instrument, the Borrower and the Lender further covenant and agree as follows (notwithstanding anything to the contrary contained in the Note or Security Instrument):

1. CONDITIONAL MODIFICATION AND EXTENSION OF LOAN TERMS

At the maturity date of the Note and Security Instrument (the "Maturity Date") I will have the option to extend the Maturity Date 30 years and modify the Note Rate to a market level adjustable rate as determined in accordance with Section 3 below, if all the conditions provided in Section 2 below are met (the "Conditional Modification and Extension Option"). I understand the Note Holder is under no obligation to refinance or modify the Note, or to extend the Maturity Date, if those conditions are not met; and that in such event I will have to repay the Note from my own resources or find a lender willing to lend me the money to repay the Note.

2. CONDITIONAL REQUIREMENTS

If I want to exercise the Conditional Modification and Extension Option at maturity, certain conditions must be met as of the Maturity Date. These conditions are: (1) I must still be the owner and occupant of the property subject to the Security Instrument (the "Property"); (2) I must be current in my monthly payments and CANNOT have been more than 30 days late on any of the 12 scheduled payments immediately preceding the Maturity Date; (3) no lien, other than the Security Instrument, may exist against the Property (except for taxes and special assessments not yet due and payable); (4) the Initial Modified Note Rate, as defined and calculated in Section 3 below, cannot be more than six percent (6%) above the Note Rate; (5) I must make a written request to the Note Holder as provided in Section 5 below; (6) I must pay to the Note Holder a non-refundable extension processing fee equal to one-quarter of one percentage point (0.25%) of the outstanding principal balance as of the Maturity Date, unless prohibited by applicable law; and (7) I must execute a modification agreement to extend the Maturity Date and establish the Initial Modified Note Rate.

3. CALCULATING THE INITIAL MODIFIED NOTE RATE

The Initial Modified Note Rate will be equal to the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year as published in the Federal Reserve Board's publication HR. 15, 75 days prior to the Maturity Date, plus two and three-quarters percent (2.75%), rounded to the nearest one-eighth of one percentage point (0.125%). If the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year is not available, the Note Holder will determine the initial modified interest rate by using comparable information.

I understand that the Initial Modified Note Rate may change on each one year anniversary of the date the

UNOFFICIAL COPY

Property of Cook County Clerk's Office

modification is executed. The Modified Note Rate will be based on an Index and calculated by adding two and three-quarters percent (2.75%) (the "Margin") to the current Index and rounding the sum to the nearest one-eighth of one percent (0.125%). The "Index" will be the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year, as made available by the Federal Reserve Board. The most recent Index figure available, as of the date 45 days before each anniversary of the modification, will be called the "Current Index".

4. CALCULATING THE NEW PAYMENT AMOUNT

Provided the Initial Modified Note Rate as calculated in Section 3 above is not greater than six percent (6%) above the Note Rate and all other conditions required in Section 2 above are satisfied, the Note Holder will determine the amount of the monthly payment that will be sufficient to repay in full (a) the unpaid principal, plus (b) accrued but unpaid interest I will owe on the Maturity Date (assuming my monthly payments then are current, as required under Section 2 above), over 30 years at the Initial Modified Note Rate in equal monthly payments. The result of this calculation will be the new amount of my principal and interest payment every month until the first adjustment of the Modified Note Rate pursuant to the modification agreement to be executed at the time the extension option is exercised.

Once the Initial Modified Note Rate has been established, there are two limitations on subsequent increases or decreases to the interest rate. First, the interest rate cannot change by more than two percentage points (2%) when compared to the interest rate in effect during the preceding twelve (12) months. Second, the interest rate can never be greater than the maximum interest rate stated in the modification agreement (subject to state usury requirements). The maximum interest rate, which is also known as your "Interest Rate Cap", is six percentage points (6%) above the initial interest rate of your balloon loan or 12.95%, whichever is greater.

5. EXERCISING THE EXTENSION OPTION

The Note Holder will notify me at least 60 calendar days in advance of the Maturity Date and advise me of the principal and unpaid interest due on the Maturity Date. The Note Holder will also provide me with a description of the historical performance of the Index and inform me of the maximum interest rate and payment which may be due under the Modified Note Rate. The Note Holder also will advise me that I may exercise the extension option if the conditions in Section 2 above are met. The Note Holder will provide my payment record information, together with the name, title and address of the person representing the Note Holder that I must notify in order to exercise the extension option. If I meet the conditions of Section 2 above, I may exercise the extension option by notifying the Note Holder no later than 45 calendar days prior to the Maturity Date. The Note Holder will calculate the Initial Modified Note Rate in accordance with Section 3 above. I will then have 30 calendar days to provide the Note Holder with acceptable proof of my required ownership, occupancy and property lien status. Before the Maturity Date the Note Holder will advise me of the new interest rate (the Initial Modified Note Rate), new monthly payment amount and a date, time and place at which I must appear to sign any documents required to complete the required Note modification and Maturity Date extension.

BY SIGNING BELOW, I, as the Borrower, accept and agree to the terms and covenants contained in this 10-Year Balloon Rider.
