TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the Federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 et seq. ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attachable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the

100% of the Premiums are paid by the Borrower.

6. Debtors. The Borrower shall make payment to the Lender in accordance with the terms of the Note.

7. Liens. The Borrower shall not give or create any lien or charge on the Property to secure payment of any amount due under this Agreement or any other instrument or document hereto.

8. Assignment. If Lender makes any assignment of his/her interest in the Property, he/she shall pay the Borrower the amount received by him/her from such assignment, less expenses incurred by him/her in connection with such assignment.

9. Waiver. Any provision of this Agreement which purports to waive any of the rights of the Lender or to release him/her from any obligation hereunder shall be ineffective to the extent of such waiver.

10. Waiver of Subrogation. In the event of payment of any amount by the Lender to the Borrower under this Agreement, the Lender shall have the right to sue the Borrower or any other debtor for recovery of such amount.

11. Entire Agreement. This Agreement, together with the Note, shall constitute the entire agreement between the Lender and the Borrower.

12. Successors and Assignees. This Agreement shall bind the Lender and the Borrower and their respective successors and assigns, and shall inure to the benefit of the Lender and the Borrower and their respective successors and assigns.

13. Notices. All notices given hereunder shall be in writing and shall be delivered personally to the Lender at his/her address set forth in the Note, or by registered mail, postage prepaid, to the Borrower at his/her address set forth in the Note, or by registered mail, postage prepaid, to the Lender's attorney or agent, if any, or to the Lender's successor or assignee.

14. Amendments. Any amendment or modification of this Agreement must be in writing and signed by both the Lender and the Borrower.

15. Waiver. The Lender waives presentment, protest and notice of non-payment of the note.

16. Waiver of Jury Trial. The Borrower hereby waives trial by jury in any action or proceeding in any court of law, whether state or federal, in which any party to this Agreement may be involved.

17. Waiver of Subrogation. The Borrower waives all rights to subrogation, contribution and indemnity against the Lender.

18. Waiver of Statute of Limitations. The Borrower waives the benefit of any statute of limitations.

19. Waiver of Right to Sue. The Borrower waives the right to sue the Lender for any claim arising out of or relating to this Agreement or any other instrument or document hereto.

condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as

UNOFFICIAL COPY

applicable law may specify for reinstatement), before sale of the Property pursuant to any power of sale contained in this Security instrument, or (b) entry of a judgment concerning this Security instrument. Those conditions are that Borrower has paid, under all sums which then would be due under this Security instrument and the Note as if no acceleration had occurred; (b) causes any default of any other covenant or agreement; (c) pays all expenses incurred in enforcing this Security instrument, including, but not limited to, reasonable attorney's fees; and (d) takes such action as Lender may reasonably require to assert the lien of this Security instrument. Lender's rights in the Property and Borrower's obligation to pay the same secured by this Security instrument shall continue unabated. Upon reinstatement by Borrower, this Security instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this Security instrument, unless otherwise agreed, Lender may require Borrower to pay the same secured by this Security instrument, Lender's rights in the Property and Borrower's obligation to pay the same secured by this Security instrument shall continue unabated. The Note is a charge of the Loan Security instrument as the Loan Servicer, that collects monthly payments due under the Note and this Security instrument. There also may be one or more changes to the Note as a result of the Note being accelerated. The Note also may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity holding the Note and a change in the Note holder. The Note or a partial interest in the Note together with this Security instrument may be sold or otherwise disposed of by Borrower.

19. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note together with this Security instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this Security instrument and the obligations secured hereby shall continue unabated. The Note or a partial interest in the Note together with this Security instrument may be sold or otherwise disposed of by Borrower.

20. Hazardous Substances. Borrower shall not cause of any nature to permit the presence, use, disposal, storage, or release of any Hazardous Substances, except as follows:

NON-NIFORM COVENANTS. Borrower and Lender further agree as follows:

21. Acceleration of Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Note but not prior to acceleration under paragraph 77 unless applicable law provides otherwise. The notice shall specify (a) the date when the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the note; and (e) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; unless acceleration of the note results in a violation of applicable law.

22. Release. Upon payment of all sums required by this Security instrument to Lender, Lender shall release this Security instrument without charge to Borrower. Borrower shall pay any recording costs provided in this paragraph 21, including, but not limited to, reasonable attorney's fees and costs of title evidence.

23. Waiver of Homestead. Borrower waives all right to homestead exemption in the Property of rights of homestead.

This assignment of Rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower: (i) all Rents received by Borrower shall be held by Borrower as trustee for the benefit of Lender only, to be applied to the sums secured by the Security Instrument; (ii) Lender shall be entitled to collect and receive all of the Rents of the Property; (iii) Borrower agrees that each tenant of the Property shall pay all Rents due and unpaid to Lender or Lender's agents upon Lender's written demand to the tenant; (iv) unless applicable law provides otherwise, all Rents collected by Lender or Lender's agents shall be applied first to the costs of taking control of and managing the Property and collecting the Rents, including, but not limited to, attorney's fees, receiver's fees, premiums on receiver's bonds, repair and maintenance costs, insurance premiums, taxes, assessments and other charges on the Property, and then to the sums secured by the Security Instrument; (v) Lender, Lender's agents or any judicially appointed receiver shall be liable to account for only those Rents actually received; and (vi) Lender shall be entitled to have a receiver appointed to take possession of and manage the Property and collect the Rents and profits derived from the Property without any showing as to the inadequacy of the Property as security.

If the Rents of the Property are not sufficient to cover the costs of taking control of and managing the Property and of collecting the Rents any funds expended by Lender for such purposes shall become indebtedness of Borrower to Lender secured by the Security Instrument pursuant to Uniform Covenant 7.

Borrower represents and warrants that Borrower has not executed any prior assignment of the Rents and has not and will not perform any act that would prevent Lender from exercising its rights under this paragraph.

Before each Change Date, the Note Holder will calculate my new interest rate by adding 7.0000.....
.....50000 to the first monthly payment on each Change Date (2.00% to the first monthly payment on each Change Date). The Note Holder will then determine the new interest rate based on the result of this addition to the first monthly payment (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate; until the next Change Date.

(D) Limits on Interest Rate Changes
The Note Holder will then determine the new interest rate based on the result of this addition to the first monthly payment (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate; until the next Change Date.

(E) Effective Date of Changes
The Note Holder will receive a notice of any changes in my interest rate by adding 7.0000.....
.....50000 to the first monthly payment on each Change Date (2.00% to the first monthly payment on each Change Date). The Note Holder will then determine the new interest rate based on the result of this addition to the first monthly payment (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate; until the next Change Date.

(F) Notice of Changes
The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

(G) Transfer of a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) to the transferee and Lender is not party to the transfer, Lender, his or her heirs, executors, administrators, successors and assigns, shall not exercise by Lender's security interest as of the date of this Security Instrument, except to the extent that Lender's security interest is prohibited by federal law by this Security Instrument. However, this option shall not be exercised by Lender if exercise of this option is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transaction as of the date of this Security Instrument, or if (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumed and that the risk of a breach of any covenant in this Security Instrument is acceptable to Lender.

(H) Uniform Covenant 17 of the Security Instrument is amended to read as follows:

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

However, this option shall not be exercised by Lender if exercise of this option is prohibited by federal law as of the date of this Security Instrument, or if (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumed and that the risk of a breach of any covenant in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee and a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.
