any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as

agreement between Borrower and Lender or applicable law.

8. **Moderate Insurance.** If Leader needs to hire someone to do a certain job, he can't afford to pay the premium rates required to obtain insurance coverage for that job. In such cases, the insurance company will offer him a lower premium rate if he agrees to pay a higher deductible. This means that if something goes wrong, the insurance company will only pay for part of the damage, and the rest will have to come out of his pocket. For example, if he needs to hire a roofer to repair his roof, he might be able to get a lower premium rate by agreeing to pay a higher deductible. This would mean that if the roof needs to be replaced, the insurance company would only pay for the cost of the new roof, and he would have to pay the difference himself.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument unless Borrower and Lender agree to other items of payment, these items shall bear interest from the date of disbursement at the rate and shall be payable, with interest, upon notice from Lender to Borrower purposing to demand payment.

7. Protection of Leader's Rights in the Traperry. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Leader's rights in the property (such as a proceeding in bankruptcy, probate, for condemnation or foreclosure or to enforce laws or regulations), Leader may do and pay for whatever is necessary to protect the value of the Property and Leader's rights in the property (including reasonable attorney fees and court costs) up to the amount of the principal sum secured by this Security Instrument.

unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not exceed or
deplete the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If
under paragraph 2, the Proprietary is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting
from damage to the Proprietary prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security
Instrument until payment in full, prior to the acquisition.

Unless Leander and Borower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the property damaged, if the restoration or repair is economic feasible and Leander's security is not lessened; if the restoration or repair is not economic feasible or Leander's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borower; if application of repair is not economic feasible or Leander's security is not lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borower; if application of repair is not economic feasible or Leander's security is not lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borower.

for the periods that Leader receives. The insurance carrier shall be chosen by Borrower subject to Leader's approval which shall not be unreasonable without his consent. If Borrower fails to maintain coverage described above, Leader's option, obtain coverage to protect Leader's rights in the Property in accordance with paragraph 7.

The notice shall specify: (a) the date the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, for default proceeding by judicial procedure of the Property. The preceding use shall not apply to the presence, use, or storage on the Tropics of small quantities of hazardous substances that are generally recognized to be appropriate to

19. **Sale of Note; Change of Lender.** The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument (Instrument). The Note will be sold to another party by the new Loan Servicer and the new Note will also contain such other information required by applicable law.

applicable law may specifically require sale of the property pursuant to any power of sale contained in this security instrument or (b) carry out a judgment entered against this security instrument. Those conditions are that Borrower (a) sells the property as sums which then would be due under this Security instrument and the Note as if no acceleration had occurred; (b) carries out all other obligations under this Security instrument and the Note as if no acceleration had occurred; (c) pays all expenses of any other occurrence or extreme event; (d) pays all expenses incurred in collecting this security instrument, including, but not limited to, reasonable attorney's fees; and (e) takes such action as Lender may reasonably require to assure the intent of this Security instrument.
