The intercularate stated on the Note is called the "Note Rate." The date of the Note is called the "Note Date." I understand the Lender may transfer the Note. Security Inst.ument and this Rider. The Lender or anyone who takes the Note, the Security Instrument and this Rider by transfer and who is entitled to receive payments under the Note is called the "Note Holder."

ADDITIONAL COVENANTS. In addition to the covenants and agreements in the Security Instrument, Borrower and Lender further covenant and agree as follows (despite anything to the contrary contained in the Security Instrument or the Note):

At the maturity date of the Note and Security Instrument (the "Maturity Date"), I will be able to obtain a new loan ("New Loan") with a new Maturity Date of APRIL 1 , 2022, and with an interest rate equal to the "New Note Rate" determined in accordance with Section 3 below if all the conditions provided in Sections 2 and 5 below are met (the "Conditional Refinancing Oution"). If those conditions are not met, I understand that the Note Holder is under no obligation to refinance or modify the Note, or no extend the Maturity Date, and that I will have to repay the Note from my own resources or find a lender willing to lend me the repay to repay the Note.

2. CONDITIONS TO OPTION

If I want to exercise the Conditional Refinancing Option at maturity, certain conditions must be met as of the Maturity Date. These conditions are: (1) I must still to the owner and occupant of the property subject to the Security Instrument (the 'Property''); (2) I must be current in my contribly payments and cannot have been more than 30 days late on any of the 12 scheduled monthly payments immediately precracing the Maturity Date; (3) no lien against the Property (except for taxes and special assessments not yet due and payable) c ther than that of the Security instrument may exist; (4) the New Note Rate cannot be more than 5 percentage points above the Note Rate; and (5) I must make a written request to the Note Holder as provided in Section 5 below.

3. CALCULATING THE NEW NOTE RATE

The New Note Rate will be a fixed rate of interest equal to the Federal National Mortgage Association's required net yield for 30-year fixed rate mortgages subject to a 60-day man/ato.y delivery commitment, plus one-half of one percentage point (0.5%), rounded to the nearest one-eighth of one percentage point (0.125%) (the "New Note Rate"). The required net yield shall be the applicable net yield in effect on the date and time of day that he Note Holder receives notice of my election to exercise the Conditional Refinancing Option. If this required net yield is not available, the Note Holder will determine the New Note Rate by using comparable information.

4. CALCULATING THE NEW PAYMENT AMOUNT

Provided the New Note Rate as calculated in Section 3 above is not greater then 5 percentage points above the Note Rate and all other conditions required in Section 2 above are satisfied, the note Heider will determine the amount of the monthly payment that will be sufficient to epay in full (a) the unpaid principal, plus (b) accrued but unpaid interest, plus (c) all other sums the will owe under the Note and Security Instrument on the Maturity Date (assuming my monthly payments then are current, as required under Section 2 above), over the term of the New Note at the New Note Rite in equal monthly payments. The result of this calculation will be the amount of my new principal and interest payment overy month and the New Note is fully paid.

The Note Holder will calculate the fixed Now Note Rate based upon the Federal National Mortgage Association's applicable published required net yield in effect on the date and time of day notification is received by the Note Holder and as calculated in Section 3 above.
