**5. Standard of liability** In such cases, the standard of care will be the *up-to-date knowledge or better judgement* of the *legislator* concerned on the particular question. It is to be noted that except the *up-to-date knowledge or better judgement* of the *legislator*, the *legislator* may, at his/her's option, obtain opinions from *legal experts* or *other experts* before in the *property* in accordance with paragraph 7.

Borrower shall provide his/her Social Security number to Lender unless Borrower (a) agrees in writing to the provision of his/her Social Security number to Lender or (b) agrees to this Security instrument unless Borrower (a) has provided his/her Social Security number to Lender and (c) has provided his/her Social Security number to Lender.

4. **Chargers**: Lenders, like us, do not want to be responsible for the costs of recovering debts from unsuccessful debtors. This and other considerations, charges, fines and impoundments attributable to the property which may be in the possession of, or under the control of, the debtor, will be recoverable by the lender.

Upon payment in full of the sum so paid by this SecuritY, Lender shall promptly refund to Borrower any funds held by Lender for the purpose of making such payment.

**6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds.** Borrower shall occupy, maintain and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that "in Lender's good faith determination" precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or fails to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

**7. Protection of Lender's Rights in the Property.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation, or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorney's fees and entering on the Property to make repairs. Although Lender may take action under this paragraph, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

**8. Mortgage Insurance.** If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premium required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage ceases, Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

**9. Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

**10. Condemnation.** The proceeds of any claim for claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property, immediately before the taking, is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower or if, after notice by Lender to Borrower that the condemnor offers to make an award or set aside a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds at its option either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payment referred to in paragraphs 1 and 2 or change the amount of such payments.

**11. Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. All rights available by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

**12. Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of the Security Instrument, (b) is not personally obligated to pay the sums secured by this Security Instrument, and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

21. Acceleration of Borrower's Right to Repay. If either party shall give notice to the other party in writing that it has applied to a court for judgment against the other party for payment of any amount due under this Agreement, the other party shall pay to the creditor all amounts due under this Agreement, plus interest thereon at the rate of 12% per annum, from the date of such judgment until paid in full.

18. Borrower's Right to Remonstrate. If before 60 days from the date of this Note to the earliest date on which a certain condition is applicable to this Note, the Borrower shall have the right to remonstrate before any of the Officers pursuant to any power of sale contained in this instrument or in the Deed of Trust, so as to determine whether this Deed of Trust has been lawfully executed. Those conditions are that Borrower has paid his taxes and other debts due him under this Note and the Lender has no acceleration had been declared by the Note and the Lender has paid all expenses incurred in connection therewith.

If Lender exercises his option to require the Borrower to provide a period of not less than 30 days during which the notice may be accelerated, the notice shall provide a period of not less than 30 days during which the Borrower may cure the default within which Borrower must pay all sums secured by this Section, including interest accrued thereon, plus costs of collection or otherwise sums paid or to be paid to Lender under this provision.

16. Borrower's copy of the Note and of this Security Instrument and copies of the Note and of this Security Instrument shall be delivered to the Lender at the address set forth above.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in the Property is transferred to a person other than Borrower, the transferor shall give notice to the Lender of such transfer and the transferee shall be bound by the terms of this Note and of this Security Instrument.

18. Waiver of Notice. The Lender may exercise any right or power provided by law or by this Note or by this Security Instrument without notice to or demand upon the Borrower, except as otherwise provided by law.

19. Governing Law. This Note and this Security Instrument shall be governed by the laws of the State of New York.

20. Miscellaneous. This Note and this Security Instrument shall not be exercisable by Lender if exercise is prohibited by federal, state or local law.

**15. Governing Law; Severability.** This Securities Instrument shall be governed by federal law and the law of the State in which the securities instrument was executed. The parties agree that the provisions of this Securities Instrument and the Note can be given effect without the aid of interpretation or construction, so far as may be necessary to give effect to the intent of the parties. The Note is intended to be a valid, enforceable, and non-modifiable obligation of the Noteholder. Notwithstanding anything to the contrary contained in this Note, if any provision of this Note is held invalid or unenforceable, such provision will be deemed to have been omitted from this Note, and the remaining provisions of this Note will remain in full force and effect.
