(22) **Appointment of Receiver.** Upon or at any time after the filing of a complaint to foreclose this Mortgage, the court in which such complaint filed may appoint a receiver of the property or may appoint Lender as Mortgagee in possession. Such appointment may be made either before or after sale, without regard to the solvency or insolvency at the time of application for such receiver, of the person or persons, if any, liable for the payment of the indebtedness secured hereby and without regard to the then value of the property whether the same shall be then or ever paid as above agreed or not. Such receiver or Mortgagee in possession shall have power to collect the rents, issues and profits of the premises during the pendency of such foreclosure suit, as well as during any further times when Borrower, his executors, or assigns, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or useful in such case for the protection, preservation, control, management and operation of the property during the whole said period. The court from time to time may authorize the receiver or Mortgagee in possession to apply the net income held by either of them in payment in whole or in part of the indebtedness and other sums secured hereby, or in payment of any tax, special assessment or other sum which may be or become superior to the then value of or superior to a degree foreclosing this Mortgage, provided such application is made prior to the foreclosure sale.
