7. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in place of condemnation, are hereby assumed and shall be paid to Lender to the extent of the full amount of the indebtedness that remains unpaid under the Note and this Security Instrument. Lender shall apply such proceeds to the reduction of the indebtedness under the Note and this Security Instrument, first to any delinquent amounts applied in the order provided in Paragraph 3, and then to prepayment of principal. Any application of the proceeds to the principal shall not extend or postpone the due date of the monthly payment which is referred to in Paragraph 3, or change the amount of such payments. Any excess proceeds over an amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity lawfully entitled thereto.

8. **Fees.** Lender may collect fee and charges authorized by the Secretary.

9. **Grounds for Acceleration of Debt.**

(a) **Default.** Lender may, except as limited by regulations issued by the Secretary in the case of payment defaults, require immediate payment in full of all sums secured by this Security Instrument if:

(i) Borrower defaults by failing to pay in full any monthly payment required by the Security Instrument prior to or on the due date of the next monthly payment; or

(ii) Borrower defaults by failing to perform any other duty or performance other obligations contained in this Security Instrument.

(b) **Sale Without Credit Approval.** Lender will do so if permitted by applicable law and with the prior approval of the Secretary, require immediate payment in full of all sums secured by this Security Instrument if:

(i) All or part of the Property, or a beneficial interest in a trust owning all or part of the Property, is sold or otherwise transferred other than by devise or descent by the Borrower; and

(ii) The property is not occupied by the purchaser or grantee as his or her principal residence, or the purchaser or grantee does so occupy the Property, but his or her credit has not been approved in accordance with the requirements of the Secretary.

(c) **No Waiver.** No circumstances occur that would permit Lender to require immediate payment in full, but Lender does not require such payments. Lender does not waive its rights with respect to subsequent events.

(d) **Regulations of HUD Secretary.** In many circumstances regulations issued by the Secretary will limit Lender's right in the case of payment defaults to require immediate payment in full and foreclose if not paid. This Security Instrument does not authorize acceleration or foreclosure if not permitted by regulations of the Secretary.

(e) **Mortgage Not Insured.** Borrower agrees that should this Security Instrument and the note or note thereby not be eligible for insurance under the National Housing Act within 60 days from the date hereof, Lender may, at its option and notwithstanding anything in Paragraph 9, require immediate payment in full of all sums secured by this Security Instrument. A written statement of any authorized agent of the Secretary dated no later than 60 days from the date hereof, declining to insure this Security Instrument and the note or note thereby, is sufficient evidence of such unavailability. Notwithstanding the foregoing, Lender may not require immediate payment in full if the unavailability of insurance is caused by the Secretary's failure to issue or renew such insurance pursuant to the Secretary.

10. **Reinstatement.** Borrower has the right to reinstate the note or note thereby for his or her immediate payment in full because of borrower's failure to pay in full the note or note thereby in full. This right applies even after foreclosure proceedings are instituted. The right to reinstate the note or note thereby for his or her immediate payment in full or a lump sum all amounts required to bring Borrower's account current as of the date of reinstatement, plus attorney's fees and costs under this Security Instrument, foreclosure costs and reasonable and actual expenses of collection, shall remain in effect with the foreclosure proceeding. Upon reinstatement by Borrower, the note or note thereby and this Security Instrument shall remain in effect as if Lender had not required immediate payment in full. However, if the note or note thereby is terminated, (i) Lender has accepted reinstatement after the commencement of a foreclosure proceeding, (ii) reinstatement is made for a lump sum immediately preceding the commencement of a current foreclosure proceeding, (iii) reinstatement is made for a lump sum in different grounds in the future, or (iv) reinstatement will adversely affect the priority of the lien created by this Security Instrument.

11. **Borrower not Released; Forbearance by Lender not a Waiver.** Extension of the time of payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence a proceeding against any person or in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. **Successors and Assigns Bound; Joint and Several Liability; Co-Signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of Paragraph 9(b). Borrower's covenants and agreements shall be joint and several. Any Borrower who signs this Security Instrument but does not execute the Note; (a) is co-signing this Security Instrument only to mortgagor, grant or assignee that Borrower's interest in the Property under the terms of this Security Instrument, shall not personally obligate him or her to sums secured by this Security Instrument, and (c) agrees that Lender and any other Borrower may agree to certain changes in this instrument or make any accommodations with regard to the terms of this Security Instrument or the Note without sat that Mortgagor is bound.

13. **Notices.** Any notice to Borrower provided for in this Security Instrument may be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. Notice to Lender is given to the Property Address or any other address Borrower designates by notice to Lender. Notice to Lender is given to Lender by first class mail to Lender's address stated herein or any address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when it is received in accordance with this Paragraph.

14. **Governing Law; Severability.** The note or note thereby shall be governed by Federal law and the law of the jurisdiction in which the Property is located. The note or note thereby or any part thereof or any part of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect the operation of this Security Instrument or the Note which can be given effect without the conflicting provision. Lender and the provisions of this Security Instrument and the note are declared to be severable.

15. **Borrower's Copy.** Borrower shall be given one conformed copy of this Security Instrument.

16. **Assignment of Rents.** Borrower unconditionally assigns and transfers to Lender all the rents and revenues of the Property. Borrower authorizes Lender or Lender's agents to collect the rents and revenues and hereby directs each tenant of the Property to pay the rents to Lender or Lender's agents. However, prior to Lender's notice to Borrower of Borrower's breach of any covenant or agreement in the Security Instrument, Borrower shall collect and receive all rents and revenues of the Property as trustee for the benefit of Lender and Borrower. This assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower, (a) all rents received by Borrower shall be held by Borrower as trustee for benefit of Lender only, to be applied to the sums secured by the Security Instrument; (b) Lender shall be entitled to collect and receive all of the rents of the Property; and (c) each tenant of the Property shall pay all rents due and unpaid to Lender or Lender's agent on Lender's written demand to the tenant.

Borrower has not executed any prior assignment of the rents and has not and will not perform any act that would prevent Lender from exercising its rights under this Paragraph 16.

Lender shall not be required to enter upon, take control of or maintain the Property before or after giving notice of breach to Borrower. However, Lender or a judicially appointed receiver may do so at any time there is a breach. Any application of rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of rents of the Property shall terminate when the debt secured by the Security Instrument is paid in full.

## ADJUSTABLE RATE RIDER

131 6694554 729  
61200910

THIS ADJUSTABLE RATE RIDER is made this 1st day of  
May, 1992, and is incorporated into and shall be deemed to amend and supplement  
the Mortgage, Deed of Trust or Security Deed ("Security Instrument") of the same date given by the undersigned  
("Borrower") to secure Borrower's Note ("Note") to  
Marguerette & Company, Inc.,  
a corporation organized and existing under the laws of the State of New Jersey  
(the "Lender") of the same date and covering the property described in the Security Instrument and located at:

3566 W DICKENS, CHICAGO, IL 60647

(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE  
MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN  
CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument,  
Borrower and Lender further covenant and agree as follows:

### 1. INTEREST RATE AND MONTHLY PAYMENT CHANGES

#### (A) Change Date

The interest rate may change on the first day of July, 1993, and on that day of each succeeding  
year. "Change Date" means each date on which the interest rate could change.

#### (B) The Index

Beginning with the first Change Date, the interest rate will be based on an Index. "Index" means the weekly  
average yield on United States Treasury Securities adjusted to a constant maturity of one year, as made available by the  
Federal Reserve Board. "Current Index" means the most recent Index figure available 30 days before the Change Date.  
If the Index (as defined above) is no longer available, Lender will use as a new Index any index prescribed by the Secretary  
(as defined in Paragraph 7(B)). Lender will give Borrower notice of the new Index.

#### (C) Calculation of Interest Rate Changes

Before each Change Date, Lender will calculate a new interest rate by adding a margin of  
Two Per Centum  
percentage points (2 %) to the Current Index and rounding the sum to the nearest one-eighth of one  
percentage point (0.125%). Subject to the limits stated in Paragraph 5(D) of this Note, this rounded amount will be the new  
interest rate until the next Change Date.

#### (D) Limits on Interest Rate Changes

The interest rate will never increase or decrease by more than one percentage point (1.0%) on any single Change  
Date. The interest rate will never be more than five percentage points (5.0%) higher or lower than the initial interest rate  
stated in Paragraph 2 of this Note.

#### (E) Calculation of Payment Change

If the interest rate changes on a Change Date, Lender will calculate the amount of monthly payment of principal  
and interest which would be necessary to repay the unpaid principal balance in full by the maturity date at the new interest  
rate through substantially equal payments. In making such calculation, Lender will use the unpaid principal balance which  
would be owed on the Change Date if there had been no default in payment on the Note, reduced by the amount of any  
prepayments to principal. The result of this calculation will be the amount of the new monthly payment of principal and  
interest.

#### (F) Notice of Changes

Lender will give notice to Borrower of any change in the interest rate and monthly payment amount. The notice  
must be given at least 25 days before the new monthly payment amount is due, and must set forth (i) the date of the notice,  
(ii) the Change Date, (iii) the old interest rate, (iv) the new interest rate, (v) the new monthly payment amount, (vi) the  
Current Index and the date it was published, (vii) the method of calculating the change in monthly payment amount, and (viii)  
any other information which may be required by law from time to time.
