The principal sum and interest to be payable in installments as follows: \$1,051.29 or more on the 1st day of JULY, 1992 and \$1,051.29 or more on the 1st day of each and every month thereafter until said note is fully paid, except that the final payment of principal and interest, if not sooner paid, shall be due on the 1st day of JUNE, 2007.

Interest on said note shall accrue at a rate per annum equal to the interest rate index in effect each day, which rate shall change when and as the interest rate index changes, however, the interest rate will never be higher than 16.00%. All installment payments received on said note shall be applied first to the payment of interest accrued to the date the installment is paid, and any amount remaining from an installment after application to interest shall be applied in reduction of unpaid principal. If the monthly installment payment is insufficient to pay the interest accrued for any month, the undersigned agrees to pay the actual billing from the bank of interest accrued for that month. Interest on said note shall increase to a rate per annum equal to the sum of the interest rate index in effect each day plus 5.00% (which rate shall change when and as the interest rate index changes) upon default, or after the due date of the final installment until all liabilities are paid, however, the increased interest rate will never be higher than 16.00%. Interest on said note will be computed based upon a 360-day year for the actual number of days elapsed. The interest rate index is the moving average each month of the highest "Prime Rate" as published in the Money Rates section of The Wall Street Journal each business day. The Prime Rate in effect on non-business days shall be the highest Prime Rate published in The Wall Street Journal on the immediately preceding business day. Any interest rate index change shall be effective as of the first day of the second month immediately following a change in the interest rate index for any month. If the index is no longer available, the bank will choose a new index in its sole discretion and will send notification of this choice. The installment payments due under said note shall be changed as of the first day of the month following the effective date of any change in the interest rate index to a monthly payment amount sufficient to repay the loan based on the amount necessary to fully amortize the remaining loan balance at the new interest rate over the remaining loan term. Bank shall give notice at least 25 calendar days but not more than 120 calendar days prior to the effective date of any change in the installment payment pursuant to a change in the interest rate index as hereinabove set forth.

In addition to the payments called for herein, Mortgages shall deposit monthly with the holder of said note a sum equal to 1/2 of the annual Real Estate tax bill based upon the last ascertainable tax bill as Tax Reserve. All deposits made pursuant to this tax reserve clause shall be on a Debtor-Creditor relationship and the holder of said reserve shall not be obligated to pay any interest thereon, same being specifically waived by the Mortgages hereunder. Holder of said reserve does not assume the obligation of paying the real estate taxes, and it shall remain the obligation of the Mortgages to secure such funds from the reserve to pay such taxes when due, or in lieu thereof, Mortgages shall establish an interest bearing pledged savings account in accordance with the provisions of Illinois Revised Statutes, Chapter 17, Paragraph 4906.

TRANSFER OF THE PROPERTY, DUE ON SALE

If all or any part of the premises or any interest in it is sold or transferred without the prior written consent of the holders of the Note hereby secured, the holders of the Note may, in their option, require immediate payment in full of all unpaid indebtedness secured by this Trust Deed

If the holders of the Note exercise this option, they shall give Mortgages, their heirs, executors, administrators or assigns, notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Mortgages, their heirs, executors, administrators or assigns, must pay all indebtedness secured by this Trust Deed. If Mortgages, their heirs, executors, administrators or assigns, fails to pay all the indebtedness prior to the expiration of this period, the holders of the Note may, in their option, require immediate payment in full of all unpaid indebtedness secured by this Trust Deed without further notice or demand on Mortgages, their heirs, executors, administrators, or assigns.
