SEE CONDENSER RIDER

**NON-UNIFORM COVENANTS.** Borrower and Lender further covenant and agree as follows:

17. **Borrower's Duties:** Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 17, including, but not limited to, reasonable attorney's fees and cost of title evidence.

18. **Release.** Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recodation costs.

19. **Waiver of Homestead.** Borrower waives all rights of homestead exemption in the Property.

20. **Riders to this Security Instrument.** If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the rider(s) were a part of this Supplemental Agreement.

**7. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in place of condemnation, are hereby assigned and shall be paid to Lender to the extent of the full amount of the indebtedness that remains unpaid under the Note and this Security Instrument. Lender shall apply such proceeds to the reduction of the indebtedness under the Note and this Security Instrument, first to any delinquent amounts applied in the order provided in Paragraph 3, and then to prepayment of principal. Any application of the proceeds to the principal shall not extend or postpone the due date of the monthly payments which are referred to in Paragraph 2, or change the amount of such payments. Any such proceeds, even if any, are required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity having entitled thereto.

**8. Fees.** Lender may collect fees and charges authorized by the Secretary.

## 9. Grounds for Acceleration of Debt

**(a) Default.** Lender may accept as limited by regulation, or as directed by the Secretary, either immediate payment in full of all sums secured by this Security Instrument or acceleration of the same.

- (i) Borrower defaults by failing to pay in full any monthly payment required by this Security Instrument prior to or on the due date of the next monthly payment; or
- (ii) Borrower defaults by failing, for a period of thirty days, to make arrangements to pay the amount secured by this Security Instrument.

**(b) Sale Without Credit Approval.** Lender shall, if permitted by law, or as directed by the Secretary, require immediate payment in full of all sums secured by this Security Instrument if:

- (i) All or part of the Property, or a beneficial interest in a fraction of all or part of the Property, is sold or transferred (other than by devise or descent) by the Borrower; and
- (ii) The property is not occupied by the purchaser or grantee as his or her principal residence, if the purchaser does so occupy the Property, but his or her credit has not been approved in accordance with the requirements of the Secretary.

**(c) No Waiver.** If circumstances occur that would permit Lender to require immediate payment in full, but Lender does not require such payment, Lender does not waive its rights with respect to subsequent events.

**(d) Regulations of HUD Secretary.** In many circumstances regulations issued by the Secretary of the U.S. Department of H.U.D. in the case of payment defaults to require immediate payment in full and foreclose if not paid. The Secretary is required but not authorized acceleration or foreclosure if not permitted by regulations of the Secretary.

**(e) Mortgage Not Insured.** Borrower agrees that should this Security Instrument and the note secured thereby become eligible for insurance under the National Housing Act within 60 days from the date hereof, Lender may, at its option and notwithstanding anything in Paragraph 9, require immediate payment in full of all sums secured by this Security Instrument. A written statement, by any authorized agent of the Secretary dated subsequent to 60 days from the date hereof declining to insure this Security Instrument and the note secured thereby, shall be deemed conclusive proof of such ineligibility. Between taking the foregoing, this option may not be exercised by Lender when the unavailability of insurance is solely due to failure to remit a mortgage insurance premium to the secretary.

**10. Reinstatement.** Borrower has a right to be reinstated if Lender has required immediate payment in full because of Borrower's failure to pay an amount due under the Note or this Security Instrument. This right applies even after foreclosure proceedings are instituted. To reinstate the Security Instrument, Borrower shall tender in a lump sum all amounts accrued on the Borrower's account current as of the date the obligations of Borrower under this Security Instrument become due, plus all reasonable and customary attorney's fees and expenses properly associated with the foreclosure proceeding. Upon reinstatement by Borrower, this Security Instrument and the obligations that it secures shall remain in effect as if Lender had not required payment in full. However, Lender is not required to permit reinstatement if: (i) Lender has accepted reinstatement after the commencement of foreclosure proceedings within 120 days immediately preceding the commencement of a current foreclosure proceeding, (ii) reinstatement will preclude foreclosure on different grounds in the future, or (iii) reinstatement will adversely affect the priority of the lien created by this Security Instrument.

**11. Borrower not Released; Forbearance by Lender or the Waiver.** Extension of the time of payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or his or her successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time of payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be construed as to delay the exercise of any right or remedy.

**12. Successors and Assigns Bound; Joint and Several Liability; Co-Signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of Paragraph 9(b). Borrower's covenants and agreements shall be joint and several. Any Borrower who signs this Security Instrument but does not execute the Note, (a) is co-signing this Security Instrument only to mortgage, grant and convey that he or she's interest in the Property under the term, "the" Security Instrument, (b) is not personally obligated to pay the sum, and (c) agrees that Lender, and any other Borrower may agree to extend, modify, forbear or make any arrangement with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

**13. Notices.** Any notice to Borrower presented for in this Security Instrument shall be given by delivering it orally, mailing it by first class mail unless applicable law requires another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when delivered as provided in this Paragraph.

**14. Governing Law; Severability.** The terms of this instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other parts of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the note are declared to be severable.

**15. Borrower's Copy.** Borrower shall be given one (1) printed copy of this Security Instrument.

**16. Assignment of Rents.** Borrower unconditionally assigns and transfers to Lender all the rents and revenues of the Property. Borrower authorizes Lender or Lender's agents to collect the rents and revenues and hereby directs each tenant of the Property to pay the rents to Lender or Lender's agents. However, prior to Lender's notice to Borrower of Borrower's breach of any covenant or agreement in the Security Instrument, Borrower shall collect and receive all rents and revenues of the Property as trustee for the benefit of Lender and Borrower. This assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower: (a) all rents received by Borrower shall be held by Borrower as trustee for benefit of Lender only, to be applied to the sums secured by the Security Instrument, (b) Lender shall be entitled to collect and receive all of the rents of the Property; and (c) each tenant of the Property shall pay all rents due and unpaid to Lender or Lender's agents on Lender's written demand to the tenant.

Borrower has not executed any prior assignment of the rents and has not and will not perform any act that would prevent Lender from exercising its rights under this Paragraph 16.

Lender shall not be required to enter upon, take control of or maintain the Property before or after giving notice of breach to Borrower. However, Lender or a judicially appointed receiver may do so at any time there is a breach. Any application of rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of rents of the Property shall terminate when the debt secured by the Security Instrument is paid in full.

## ADJUSTABLE RATE RIDER

131-6723985-731  
51200930

THIS ADJUSTABLE RATE RIDER is made this 30th day of April, 1992, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed ("Security Instrument") of the same date given by the undersigned ("Borrower") to secure Borrower's Note ("Note") to Margaretten & Company, Inc., a corporation organized and existing under the laws of the State of New Jersey (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

537 GORSET CT. WHEELING, IL 60090

(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

### 1. INTEREST RATE AND MONTHLY PAYMENT CHANGES

#### (A) Change Date

The interest rate may change on the first day of April, 1993, and on that day of each succeeding year. "Change Date" means each date on which the interest rate could change.

#### (B) The Index

Beginning with the first Change Date, the interest rate will be based on an Index. "Index" means the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year, as made available by the Federal Reserve Board. "Current Index" means the most recent Index figure available 30 days before the Change Date. If the Index (as defined above) is no longer available, Lender will use as a new Index any index prescribed by the Secretary (as defined in Paragraph 7(B)). Lender will give Borrower notice of the new Index.

#### (C) Calculation of Interest Rate Changes

Before each Change Date, Lender will calculate a new interest rate by adding a margin of Two Per Centum percentage points (2 %) to the Current Index and rounding the sum to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Paragraph 5(D) of this Note, this rounded amount will be the new interest rate until the next Change Date.

#### (D) Limits on Interest Rate Changes

The interest rate will never increase or decrease by more than one percentage point (1.0%) on any single Change Date. The interest rate will never be more than five percentage points (5.0%) higher or lower than the initial interest rate stated in Paragraph 2 of this Note.

#### (E) Calculation of Payment Change

If the interest rate changes on a Change Date, Lender will calculate the amount of monthly payment of principal and interest which would be necessary to repay the unpaid principal balance in full at the maturity date at the new interest rate through substantially equal payments. In making such calculation, Lender will use the unpaid principal balance which would be owed on the Change Date if there had been no default in payment on the Note, reduced by the amount of any prepayments to principal. The result of this calculation will be the amount of the new monthly payment of principal and interest.

#### (F) Notice of Changes

Lender will give notice to Borrower of any change in the interest rate and monthly payment amount. The notice must be given at least 25 days before the new monthly payment amount is due, and must set forth (i) the date of the notice, (ii) the Change Date, (iii) the old interest rate, (iv) the new interest rate, (v) the new monthly payment amount, (vi) the Current Index and the date it was published, (vii) the method of calculating the change in monthly payment amount, and (viii) any other information which may be required by law from time to time.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and conditions contained in this Adjustable Rate Rider.

If the monthly payment amount calculated in accordance with Paragraph 5(E) of this Note decreased, but Lender failed to give timely notice of the decrease and Borrower made any monthly payment towards exceeding the payment amount which should have been stated in a timely notice, then Borrower has the option to either (i) demand the lender of any excess payment, with interest accrued at the Note rate (a rate equal to the interest rate which should have been stated in a timely notice, plus interest accrued at the Note rate) or (ii) require the lender to pay the difference between the new monthly payment amount and the old monthly payment amount before the due date of the Note. Otherwise, Lender's obligation to return any excess payment, with interest accrued at the Note rate, is not assignable even if this Note is pre-paid. Lender's obligation to return any excess payment, with interest accrued at the Note rate, is not assignable even if this Note is novated, or (iii) require the Note rate to increase payable, with interest accrued at the Note rate, be applied as payment of any note(s), or (iv) require the Note rate to increase payable, with interest accrued at the Note rate, to the maximum permitted by law. Borrower shall have no obligation to pay any increase in the monthly payment required by Paragraph 5(F) of this Note. A new interest rate calculated in accordance with Paragraphs 5(C) and 5(D) of this Note will become effective on the Change Date. Borrower shall make a payment in the new monthly amount beginning on the first payment date which occurs at least 25 days after Lender has given Borrower the notice of changes required by Paragraph 5(F) of this Note. Borrower shall have no obligation to pay any increase in the monthly payment required by Paragraph 5(F) of this Note, unless Lender makes a payment in the new monthly amount calculated in accordance with Paragraph 5(E) of this Note for any payment date occurring less than 25 days after Lender has given the required notice.

## CONDOMINIUM RIDER

THIS CONDOMINIUM RIDER is made this 30th day of April, 1992, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed ("Security Instrument") of the same date given by the undersigned ("Borrower") to secure Borrower's Note ("Note") to

MARGARETTE & COMPANY, INC.

(\*Lender\*) of the same date and covering the property described in the Security Instrument and located at:

637 DORSET CT WHEELING IL 60090

The Property Address includes a unit in, together with an undivided interest in the common elements of, a condominium project known as:

KINGSPORT COMMONS CONDOMINIUM

(\*Condominium Project\*). If the owners association or other entity which acts for the Condominium Project (\*Owners Association\*) holds title to the property for the benefit or use of its members or shareholders, the Property also includes Borrower's interest in the Owners Association and the uses, proceeds and benefits of Borrower's interest.

**CONDOMINIUM COVENANTS.** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

- A. So long as the Owners Association maintains, with a generally accepted insurance carrier, a "master" or "blanket" policy insuring all property subject to the condominium documents, including all improvements now existing or hereafter erected on the Property, and such policy is satisfactory to Lender and provides insurance coverage in the amounts, for the periods, and against the hazards Lender requires, including fire and other hazards included within the term "extended coverage," and loss by flood, to the extent required by the Secretary, then, (i) Lender waives the provision in Paragraph 2 of this Security Instrument for the monthly payment to Lender of one-twelfth of the yearly premium installments for hazard insurance on the Property, and (ii) Borrower's obligation under Paragraph 4 of this Security Instrument to maintain hazard insurance coverage on the Property is deemed satisfied to the extent that the required coverage is provided by the Owners' Association policy. Borrower shall give Lender prompt notice of any lapse in required hazard insurance coverage and of any loss incurring from a hazard. In the event of a distribution of hazard insurance proceeds in lieu of restoration or repair following a loss to the Property, whether to the condominium unit or to the common elements, any proceeds payable to Borrower are hereby assigned and shall be paid to Lender for application to the sums secured by this Security Instrument, with any excess paid to the entity legally entitled thereto.
- B. Borrower promises to pay Borrower's allocated share of the common expenses or assessments and charges imposed by the Owners Association, as provided in the condominium documents.
- C. If Borrower does not pay condominium dues and assessments when due, then Lender may pay them. Any amounts disbursed by Lender under this Paragraph C shall become additional debt of Borrower secured by the Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and provisions contained in this Condominium Rider.
