MORTGAGE, ASSIGNMENT OF RENTS & SECURITY AGREEMENT (CHATTEL MORTGAGE)

THIS MORTGAGE ("Security Instrument") is given on May 15, 1992, by William C. Baker, a single man, having never married ("Mortgagor"). This Security Instrument is given to Mid Town Bank and Trust Company of Chicago, which is organized and existing under the laws of the State of Illinois, and whose address is 2021 North Clark Street, Chicago, Illinois 60614 ("Lender"). Mortgagor is justly indebted to Lender in the principal sum of Twenty Thousand and 00/100 Dollars (U.S.\$20,000.00), which indebtedness is evidenced by a certain note dated of even date herewith ("Note"), which Note provides for payments of the indebtedness as set forth below:

Interest

Borrower promises and agrees to pay to Lender interest on the unpaid principal balance evidenced by this Note at the following rate: one percentage point (1.00%) ("the margin") over the Prime Rate of interest per annum. For purposes of this Note the "Prime Rate" shall mean the prime rate of interest as announced from time to time in the Money Rate Section of the Wall Street Journal. The rate may vary daily with changes in the Prime Interest Rate and each day with changes in your outstanding daily balance provided, however, that the rate will never increase above 19.50% (the "Rate Cap") during the term of this loan. There are no limitations on the amount which the rate may decrease during the term of this agreement. The effect of an increase in the rate will be that your scheduled monthly payment, if applicable, will also increase. We may suspend your right to future credit privileges in the event the Prime Interest Rate plus the margin noted above exceeds the rate cap. You also understand that we may suspend your right to obtain future advances even if you are not in default under the agreement.

The rate stated above is a special rate offered by Lender to Borrower on the strict condition that the Borrower maintain a checking account with Lender which will be automatically debited for payments due under the loan. If Borrower fails to maintain an account with sufficient balance when needed to be debited automatically for each payment when due, then, at Lender's option, the interest rate will increase 1% per annum, and such increase will be effective as of the first day of the month preceding the month in which a payment is not automatically debited.

Borrower shall have no obligation to maintain a checking account with Lender or to continue with the automatic debiting of the account. At any time, Borrower may instruct Lender to close such checking account or discontinue the automatic debiting of such account; provided, however, that if the interest rate is automatically increased as herein provided (whether on account of a default or voluntary action of the Borrower), Lender shall have no obligation to reinstate the lower interest rate if the Borrower cures any default or later requests reinstatement of the automatic debiting procedure.

Interest shall be computed on the basis of a 365-day year and charged for the actual number of days elapsed.

Term

This Note shall be due and payable in full on the maturity date which shall be seven (7) years from the date of disbursement (the "Maturity Date").

Required Payments

Interest only on the outstanding principal balance from the date of this Note shall be due and payable monthly beginning thirty (30) days from the date of disbursement and on that day of each month thereafter until all of said principal plus any remaining accrued interest and late charges, if any, are repaid in full.

This Security Instrument secures to Lender: (a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extensions and modifications; (b) the payment of all other sums, with interest, advanced under any paragraph herein to protect the security of this Security Instrument; and (c) the performance of Mortgagor's covenants and agreements under this Security Instrument and the Note and all other documents and agreements entered into in connection therewith (the "Loan Documents"). For this purpose, Mortgagor does hereby mortgage, grant and convey to Lender the following described property located in Cook County, Illinois:

Mortgagor will deliver all Insurance Policies premium prepaid, to Lender and will deliver renewal or replacement policies at least thirty (30) days prior to the date of expiration of any policy.

E. Defaults and Acceleration

1. Mortgagor shall pay each item of indebtedness herein mentioned, both principal and/or interest, when due according to the terms hereof. At the option of the holders of the Note and without notice to Mortgagor, all unpaid indebtedness secured by this Security Instrument shall, notwithstanding anything on the Note or in this Security Instrument to the contrary, become due and payable:
 - a. within three (3) days in the case of default in making payment of any installment of principal or interest on the Note, or
 - b. when default shall occur and continue for fifteen (15) days following the date of mailing of written notice of such default to Borrower in the performance of any other agreement of the Mortgagor herein contained, said option to be exercised at any time after the expiration of said fifteen day period, or
 - c. in the event Mortgagor or any other obligor default under any other document given by any of them to secure the obligations hereby secured or under the loan commitment of Lender and any and all revisions, modifications, and extensions thereto (the "Loan Commitment"), the provisions of which are incorporated herein by reference (the foregoing events are herein referred to as "Defaults").
2. Notwithstanding anything in the Note or Security Instrument to the contrary, the death of Mortgagor and/or all guarantors of the indebtedness herein mentioned shall be a default in the performance of an agreement of the Mortgagor hereunder and the holder of the Note shall be entitled to all rights and remedies given in the Security Instrument in the event of default in the performance of any agreement of the Mortgagor contained therein.
3. In the event that the holder of the Note shall, in good faith, deem itself insecure, the holder of the Note shall have the right to declare the loan evidenced by the Note to be in default and to accelerate the installments of principal and/or interest due hereunder.

F. Foreclosure

1. When indebtedness hereby secured shall become due whether by acceleration or otherwise, holders of the Note shall have the right to foreclose the lien hereof in accordance with the Illinois Mortgage Foreclosure Act, Ill. Rev. Stat. ch. 110 para. 15-1101, et seq. (1987) (the "Act"). In any suit to foreclose the lien hereof, there shall be allowed and included as additional indebtedness in the decree for sale all expenditures and expenses which may be paid or incurred by or on behalf of Lender, its successor or assigns for attorneys' fees, appraiser's fees, outlays for documentary and expert evidence, stenographers' charges, publication costs and costs (which may be estimated as to items to be expended after entry of the decree) procuring all such abstracts of title, title searches and examinations, title insurance policies, Torrens certificates, and similar data and assurances with respect to title as Lender, its successor or assigns may deem to be reasonably necessary either to prosecute such suit or to evidence to bidders at any sale which may be had pursuant to such decree the true condition of the title to or the value of the Premises. All expenditures and expenses of the nature in this paragraph mentioned shall become so much additional indebtedness secured hereby and immediately due and payable, with interest thereon at a rate equivalent to the post maturity rate set forth in the Note secured by this Security Instrument, if any, otherwise the prematurity rate set forth therein, when paid or incurred by Lender, its successor or assigns in connection with:
 - a. any proceeding, including probate and bankruptcy proceedings, to which any of them shall be a party, either as plaintiff, claimant or defendant, by reason of this Security Instrument or any indebtedness hereby secured; or
 - b. preparations for the commencement of any suit for the foreclosure hereof after accrual of such right to foreclose whether or not actually commenced; or
 - c. preparations for the defense of any suit for the foreclosure hereof after accrual of such right to foreclose whether or not actually commenced; or
 - d. preparations for the defense of any threatened suit or proceeding which might affect the Premises or the security hereof, whether or not actually commenced.

- beneficial interest of beneficiary in Mortgagor;
- a. may divert funds which would otherwise be used to pay the Note secured hereby;
 - b. could result in acceleration and foreclosure by any such junior encumbrancer which would force Lender to take measures and incur expenses to protect its security;
 - c. would detract from the value of the Premises should Lender come into possession thereof with the intention of selling same; and
 - d. impair Lender's right to accept a deed in lieu of foreclosure, as a foreclosure by Lender would be necessary to clear the title of the Premises.

2. In accordance with the foregoing and for the purposes of:
 - a. protecting Lender's security, both of repayment of the indebtedness and of value of the Premises;
 - b. giving Lender the full benefit of its bargain and contract with Mortgagor and/or beneficiary (if applicable) and Mortgagor;
 - c. allowing Lender to raise the interest rate and/or collect assumption fees; and
 - d. keeping the Premises and the beneficial interest (if applicable) free of subordinate financing liens, beneficiary (if appropriate) and Mortgagor agree that if this Paragraph be deemed a restraint on alienation, that it is a reasonable one and that any sale, conveyance assignment, further encumbrance or other transfer of title to the Premises or any interest therein (whether voluntary or by operation of law) without the Lender's prior written consent shall be an event of default hereunder. For the purpose of, and without limiting the generality of, the preceding sentence, the occurrence at any time of any of the following events shall be deemed to be an unpermitted transfer of title to the Premises and therefore an event of default hereunder:
 - (1) any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, all or any part of the title to the Premises or the beneficial interest or power of direction under the trust agreement with the Mortgagor, if applicable;
 - (2) any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, any share of stock of the Mortgagor (if a corporation) or the corporation which is the beneficiary or one of the beneficiaries under the trust agreement with the Mortgagor, or of any corporation directly or indirectly controlling such beneficiary corporation;
 - (3) any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, any general partnership interest of the limited partnership or general partnership (herein called the "Partnership") which is the Mortgagor or the beneficiary or one of the beneficiaries under the trust agreement with the Mortgagor;
 - (4) any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, any share of stock of any corporation directly or indirectly controlling such Partnership.

Any consent by the Lender, or any waiver of an event of default, under this Paragraph shall not constitute a consent to, or waiver of any right, remedy or power of Lender upon a subsequent event of default under this Paragraph.

L.

Assignment of Rents

1. To further secure the indebtedness secured hereby, Mortgagor does hereby sell, assign and transfer unto the Lender all the rents, issues and profits now due and which may hereafter become due under or by virtue of any lease, whether written or verbal, or any letting of, or of any agreement for the use or occupancy of the Premises or any part hereof, which may have been heretofore or may be hereafter made or agreed to or which may be made or agreed to by the Lender under the powers herein granted, it being the intention hereby to establish an absolute transfer and assignment of all of such leases and agreements, and all the avails thereunder, unto the Lender, and Mortgagor does hereby appoint irrevocably the Lender its true and lawful attorney in its name and stead (with or without taking possession of the Premises) to rent, lease or let all or any portion of the Premises to any part or parties at such rental and upon such terms as said Lender shall, in its discretion, determine, and to collect all of said avails, rents, issues and profits arising from or accruing at any time hereafter, existing on the Premises, with the same rights and powers and subject to the same immunities, exoneration of liability and rights of recourse and indemnity, as the Lender would have upon taking possession of the Premises.
2. The Mortgagor represents and agrees that no rent has been or will be paid by any person in possession of any portion of the Premises for more than two instalments in advance, and that the payment of none of the rents to accrue for any portion of the Premises has been or will be waived, released, reduced, discounted, or otherwise discharged or compromised by the Mortgagor. The Mortgagor waives any rights or set off against any person in possession of any portion of the Premises. Mortgagor agrees that it will not assign any of the rents or profits of the Premises, except to a purchaser or grantee of the Premises.
3. Nothing herein contained shall be construed as constituting the Lender as a mortgagee in possession in the absence of taking of actual possession of the Premises by the Lender. In the exercise of the powers herein granted the Lender, no liability shall be asserted or enforced against the Lender, all such liability being expressly waived and released by Lender.
4. The Mortgagor further agrees to assign and transfer to the Lender all future leases regarding all or any part of the Premises hereinbefore described and to execute and deliver, at the request of the Lender, all such further assurances and assignments in the Premises as the Lender shall from time to time require.
5. Although it is the intention of the parties that the assignment contained in this Paragraph 11 shall be a present assignment, it is expressly understood and agreed, anything herein contained to the contrary notwithstanding, that so long as Mortgagor is not in default hereunder or under the Note, it shall have the privilege of collecting and retaining the rents accruing under the leases assigned hereby, until such time as Lender shall elect to collect such rents pursuant to the terms and provisions of this Security Instrument.
6. The Lender shall not be obliged to perform or discharge, nor does it hereby undertake to perform or discharge, any obligation, duty or liability under any leases, and the Mortgagor shall and does hereby agree to indemnify and hold the Lender harmless of and from any and all liability, loss or damage which it may or might incur under said leases or under or by reason of the assignment thereof and of and from any and all
