Brenda Stackhouse - 10101 Linn Station Rd., Louisville, KY 40223 (502) 425-8022 Name, Position (if any), and address

Telephone No.

C. Identify Transferee:

Thornton Oil Corporation, A Delaware Corporation

Name and Current Address of Transferee

### III. NOTIFICATION

Under the Illinois Environmental Protection Act, owners of real property may be held liable for costs related to the release of hazardous substance...

- 1. Section 22.2(1) or the Act states:
- "Notwithstanding any other provision or rule of law, and subject only to the defenses set forth in subsection (j) of this Section, the following persons shall be hable for all costs of removal or remedial action incurred by the State of Illinois as a result of a release or substantial threat of a release of chazardous substance;
- (1) The owner and operator of a recility or vessel from which there is a release or substantial threat of release of a hazardous substance;
- (2) Any person who at the time of disporar, transport, storage or treatment of a hazardous substance owned or operated the facility or vessel used for such disposal, transport, treatment or storage from which there was a release or substantial threat of a release of any such hazardous substance;
- (3) Any person who by contract, agreement, ovotherwise has arranged with another party or entity for transport, storage, disposal or treatment of hazardous substances owned, controlled or rossessed by such person at a facility there is a release or substantial threat of a N release of such hazardous substances; and
- (4) Any person who accepts or accepted any hazardous substances for transport to disposal, storage or treatment facilities or sites 🛱 from which there is a release or a substantial threat of a release of a hazardous substance."
  - 2. Section 4(a) of the Act states:
- "The Agency shall have the authority to provide notice to any person who may be liable pursuant to Section 22,2(f) of this Act for a release or a substantial threat of a release of a hazardous substance. She practice shall include the identified response action and an opportunity for such person to perform the response action."
  - 3. Section 22.2(k) of the Act states:
- "If any person who is liable for a release or substantial threat of release of a har ardous substance fails without sufficient cause to provide removal or remedial action upon or in accordance with a notice and request by the gency or upon or in accordance with any order of the Board or any court, such person may be liable to the State for punitive damages in an account at least equal to, and not more than 3 times, the amount of any costs incurred by the State of Illinois as result of such failure to take such removal or remedial action. The punitive damage imposed by the Board shall be in addition to any costs recovered from such person pursuant to this Section and in addition to any other penalty or relief provided by this Act or any other law."
  - 4. Section 22.18(a) of the Act states:
- "Notwithstanding any other provision or rule or law, except as provided otherwise in subsection (b), the owner or operator, or both, of an underground storage tank shall be liable for all costs of preventive action, corrective action and enforcement action incurred by the State of Illinois as a result of a release or a substantial threat of release of petroleum from an underground storage and
- 5. The text of the statutes set out above is subject to change by amendment. Persons using this form may update to o reflect changes in the text of the statutes cited, but no disclosure statement shall be invalid merely because it sets forth an obsolete or superseded version of such text.

### IV. ENVIRONMENTAL INFORMATION

Regulatory Information During Current Ownership

1. Has the transferor ever conducted operations on the property which involved the generation, manufacture, processing, transportation, treatment, storage or handling of "hazardous substances", as defined by the Illinois Environmental Protection Act? This question shall not be applicable for consumer goods stored or handled by a retailer in the same form, approximate amount, concentration and manner as they are sold to consumers, provided that such retailer does not engage in any commercial mixing (other than paint mixing or tinting of consumer sized containers), finishing, refinishing, servicing, or cleaning operations on the property.

Yes X No

2. Has the transferor ever conducted operations on the property which involved the processing, storage or handling of petroleum, other than that which was associated directly with the transferor's vehicle usage?
