All insurance policies and rewards shall be acceptable to Leader and that include a standard wage clause. Leader shall have the right to hold the policies and rewards to Leader and that include a standard wage clause.

4. Changes in tenancy, Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the property over this Security Interest, and leasehold payments of ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payment.

**3. Application of Payments.** Unless otherwise law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied first, to any unpaid charges due under the Note; second, to amounts payable under paragraph 2, third, to interest due, fourth, to principal due, and last, to any late charges due under the Note.

"Upon payment in full of all amounts secured by this Security Instrument, Lender shall promptly refund to Borrower any funds held by Lender by virtue of this Security Instrument."

If the Funds lends to Lender exceed the amounts permitted to be held by Borrower under applicable law, Lender shall account to Borrower for the excess funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender exceeds the amounts permitted to be held by Borrower under applicable law, Lender shall pay to Borrower the amount necessary to make up the difference. **6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds.** Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

**7. Protection of Lender's Rights in the Property.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

**8. Mortgage Insurance.** If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, as and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

**9. Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

**10. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

**11. Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

**12. Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

23. Waiver of Homestead. Borrower waives all right of homestead exemption in the property.

21. Acceleration of any covenant or agreement prior to acceleration following Borrower's breach of any covenant in this Security Instrument (but not prior to acceleration under paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the default to cure the default; (c) a date, not less than 30 days from the date the notice shall specify; (d) the action required to cure the default; and (d) the failure to cure the default on or before the date specified in the acceleration of the sums secured by this Security Instrument, unless specified by Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the acceleration of the sums secured by this Security Instrument, unless specified by Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the acceleration of the sums secured by this Security Instrument, unless specified by Borrower, by which the default must be cured.

**BORROWER AND LENDER FURTHER COVENANT AND AGREE AS FOLLOWS:**

As used in this paragraph 20, "Hazardous Substances" are those substances defined as to the hazardous substances by Environmental Protection Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum and heterocyclic substances; asbestos containing asbestos of formaldehyde, and radioactive materials.

**20. Hazardous Substances.** Borrower shall not cause or permit the presence, use, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not violate any applicable laws, regulations, or standards relating to the presence, use, storage, or release of Hazardous Substances on or in the Property.

19. **Slide of Notes: Change of Lessor Security.** The Note or a partial interest in the Note (together with this Security instrument) may be sold one of more times without prior notice to Thornton. A sale may result in a change in the entity (known as the "Lessor Security"), that collects monthly payments due under the Note and this Security instrument will be one of more changes of the Lessor Security. Seller will be given notice of the change in accordance with paragraph 14 above and applicable law. Seller will share the name and address of the new Lessor Security and the address to which payments should be made.

18. Borrower's Right to Remodel. If Borrower meets certain conditions, Borrower shall have the right to have an application filed in this Secrecy Instrument before sale of the Property pursuant to any such power of sale contained in this Secrecy Instrument, or (b) entitling him to a judgment entitling him to security instruments. Those conditions are that Borrower has paid all sums which he paid the due under this Secrecy Instrument and the Note as if no acceleration had occurred; (c) pays all expenses and default of any other securities or instruments; (d) pays all expenses incurred in enforcing this Secrecy Instrument; (e) pays all sums secured by this Security instrument until fully effective as if no acceleration had occurred; (f) pays all sums secured by this Security instrument until fully effective as if no acceleration had occurred; (g) pays all sums secured by this Security instrument, less estate taxes and attorney fees; and (h) takes such action as reasonably necessary to assure that the loan of this Secrecy instrument, less estate taxes and attorney fees, and (i) makes such arrangements as may be necessary to prevent the loss of his title to the property mortgaged by him.

If Lender exercises this option, Lender shall give Borrower notice of acceleration, the notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Interest in full. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Interest without further notice or demand on Borrower.

101. **Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any  
102. portion of the Property or a beneficial interest in Borrower is sold or otherwise disposed of by  
103. the Lender, the Lender shall have the right to require the Borrower to pay to the Lender the sum  
104. of the principal amount of the Note and all other amounts due under the Note and the  
105. Security Instrument as of the date of such transfer.

16. **Reparations**. Subject to the terms and conditions set forth in Article 15, the Note will be paid at the rate of 10% per annum from the date of the Note until the Note is paid in full.

15. **Guarantees and Security** This Schedule lists any guarantees or security provided by the Lender in respect of the Facility.

**13. Loan Charges.** If the loan exceeded so far as security instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interests of other loan charges will be collected in accordance with the loan charges, then: (a) any such loan charge shall be reduced from the amount necessary to reduce the charge to the permitted limit; and (b) any such loan charge shall be reduced for the purpose of making a direct payment to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a refund to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

## 7. BORROWER'S FAILURE TO PAY AS REQUIRED

### (A) LATE CHARGE FOR OVERDUE PAYMENTS

If the Note Holder does not receive the full amount of any biweekly payment on the date it is due, I will pay a \$25.00 processing charge to the Note Holder. If the Note Holder has not received the full amount of any biweekly or monthly payment by the end of 15 calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5 % of my overdue payment of the principal and interest. I will pay this late charge and processing charge promptly but only once on each late payment.

### (B) DEFAULT

If I do not pay the full amount of my biweekly or monthly payment on the date it is due, I will be in default.

### (C) CONVERSION FROM BIWEEKLY PAYMENTS

If any one of the following conditions exist, the Note Holder may increase the interest rate pursuant to Section 2 above and the amounts of future payments due under the Note and change the due date of each such payment from biweekly to monthly (this is called a Conversion):

- i) I fail to deliver my written authorization and voided check as required under Section 3(C) above;
- ii) I fail to maintain the account I am required to maintain under Section 3(C) above;
- iii) If for any reason (including but not limited to insufficient funds or unavailable funds in my account or processing errors made by an entity other than the Note Holder) the Note Holder is unable to deduct the full biweekly payment due on any three biweekly payment due dates during any twelve consecutive months of the loan term.

Upon conversion, automatic deductions will cease. All monthly payments will be due on the first day of each month and must be remitted by means other than automatic deduction. Once converted, payments can never be changed back to biweekly due dates.

The Note Holder will determine my new payment by calculating an amount sufficient to repay the balance which would be owed under the Note (assuming all payments had been made on time) at the increased interest rate in substantially equal monthly installments from the effective date of the interest rate increase to the Maturity Date. As soon as the Note Holder elects to convert payments to monthly due dates, a Conversion Notice will be sent to me specifying the effective date of the change to monthly due dates, the amounts of the new monthly payments, the new interest rate, the effective date of the interest rate increase; and the aggregate amount of any past due payments. The effective date of the change to monthly due dates will, however, precede the effective date of the interest increase. Monthly payments which precede the effective date of the interest rate increase will be calculated at the original interest rate and may include interest and principal payments for any number of days which fall between the last biweekly payment due date and effective date of change to monthly due dates. The amounts of these monthly payments will also be set forth in the Conversion Notice. After Conversion, I will pay all sums due, pursuant to the Conversion Notice, and if I still owe amounts under this Note on the Maturity Date, I will pay those amounts in full on that date in accordance with Section 4 above.

## B. BIWEEKLY PAYMENT AMENDMENTS TO THE SECURITY INSTRUMENT

1. Until Borrower's right to make biweekly payments is terminated under the conditions stated in Section A of this Biweekly Payment Rider, the Security Instrument is amended as follows:

- (a) The word "monthly" is changed to "biweekly" in the Security Instrument wherever "monthly" appears.
- (b) In Uniform Covenant 2 of the Security Instrument ("Funds for Taxes and Insurance"), the words "one-twelfth" are changed to "one twenty-sixth."

2. If Lender terminates Borrower's right to make biweekly payments under the conditions stated in Section A of this Biweekly Payment Rider, the amendments to the Security Instrument contained in Section B1 above shall then cease to be in effect, and the provisions of the Security Instrument shall instead be in effect without the amendments stated in this Biweekly Payment Rider.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Biweekly Payment Rider.
