Any amounts disbursed by Lender under this paragraph shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, the amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

**8. Mortgage Insurance.** If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

**9. Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

**11. Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right, or remedy.

**12. Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey his or her interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

**13. Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

**14. Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

**15. Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

**16. Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

**17. Transfer of the Property or a Beneficial Interest In Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

**18. Borrower's Right to Reinstate.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

## ADJUSTABLE RATE RIDER ARM-T PERIODIC CAP

Loan No. 1<sup>2</sup>334817<sup>2</sup>4

THIS ADJUSTABLE RATE RIDER dated **MAY 29, 1992** changes and adds to the Mortgage, Deed of Trust, or Security Deed (the "Security Instrument") I signed this day. The Security Instrument secures my Note (the "Note") to

**GREAT WESTERN MORTGAGE CORPORATION, A DELAWARE CORPORATION** (the "Lender"), also signed this day, and covers my property as described in the Security Instrument and located at:

**409 NORTH EVERGREEN AVENUE  
ARLINGTON HEIGHTS, ILLINOIS 60004**

(Property Address)

**ATTENTION: THE NOTE CONTAINS PROVISIONS ALLOWING FOR ADJUSTMENTS TO MY INTEREST RATE AND MY MONTHLY INSTALLMENT. THE NOTE LIMITS THE MINIMUM AND MAXIMUM INTEREST I MUST PAY AND HAS THE POTENTIAL FOR NEGATIVE AMORTIZATION.**

The amount of my scheduled monthly installment could be less than the amount required to pay the interest due after a rate adjustment for that installment period. If so, the Note Holder will subtract the amount of my scheduled monthly installment from the amount of interest that I owe for that month and will add the difference to the outstanding principal balance of my loan. This occurrence is known as negative amortization. This unpaid interest is called "deferred interest." Under the Note, I must pay interest on the amount added to the principal balance at the same rate of interest I am required to pay on the outstanding loan balance each month.

### INTEREST RATE AND MONTHLY INSTALLMENT ADJUSTMENTS

The Note provides for adjustments to my interest rate and my monthly installments as follows:

Initial Interest Rate	6.150%	First Interest Rate Adjustment Date	SEPTEMBER 1, 1992
-----------------------	--------	-------------------------------------	-------------------

Initial Monthly Installment	\$ 770.07	Periodic Rate Adjustment Limit	2.000 Percentage Points
-----------------------------	-----------	--------------------------------	-------------------------

First Installment Due Date	JUL. 1, 1992	Installment Due Date	1ST
----------------------------	--------------	----------------------	-----

Maturity Date	JUNE 1, 2022	First Installment Adjustment Date	JULY 1, 1993
---------------	--------------	-----------------------------------	--------------

Minimum Rate*	6.150%	Maximum Rate*	13.600%
---------------	--------	---------------	---------

Rate Differential 2.300

\*The Minimum Rate and Maximum Rate are subject to adjustment as provided in Section 1(d).

**ALL TERMS AND CONDITIONS CONTINUED ON THE BACK  
OF THIS RIDER ARE PART OF THIS RIDER.**

**SIGNATURES OF BORROWERS:**  
(Please sign your name exactly as it appears below.)

BY SIGNING BELOW, I accept and agree to the terms and covenants in this Adjustable Rate Rider.

1. **METHOD OF COMPUTING INTEREST RATE ADJUSTMENTS.**
- (a) **Adjustment Dates.** The interest rate will pay can be adjusted on the First Interest Rate Adjustment Date (shown on the front of this Rider) and on every installment date thereafter.
- (b) **The Index.** Beginning with First Interest Rate Adjustment Date, my interest rate will be based on an index. The Federal Cost of Funds Index published monthly by the Federal Home Loan Mortgage Corporation. The index is no longer published, the Note Holder may select an alternate index to permit interest rate adjustments and that alternate index shall be the "Index." Each published update of the Index is called the "Current Index."
- (c) **Calculation of Adjustment.** The Note Holder will determine each adjusted interest rate by adding the Rate Differential (shown on the front of this Rider) to the most recently published Current Index (the sum of the Current Index and the Rate Differential).
- (d) **The Interest Rate.** The Note Holder's adjusted interest rate each year will be less than the Periodic Rate plus the interest rate in the first loan or less than the Periodic Rate Adjustment Limit (shown on the front of this Rider). My interest rate in each of the twelve-month periods (loan years) following the first loan year may not be adjusted from my interest rate in the last month of the previous loan year by more than the Periodic Rate Adjustment Limit. (ii) My interest rate during the term of this loan will not be greater than the Maximum Rate unless the property is sold and the loan is assumed. Note Holders may increase the Maximum Rate and the Minimum Rate each time the property is sold and the loan is assumed; however, the Periodic Rate or Minimum Rate each time the property is sold and the loan is assumed must not exceed 7 1/2% of the previous anniversary following the calculation of increases or decreases to the loan. On the tenth (10th) anniversary, and each thereafter, the new installation date will be owing on the installation date by using the rate which is then in effect and the loan balance which would be owing on the adjustment date.
- (e) **Adjustment Dates.** My initially installed will be adjusted on the "First Installation Adjustment Date" (shown on the front of this Rider) and annually thereafter. The date the installation will be adjusted is called the "Installment Adjustment Dates." The new installation date will be calculated by using the rate which would be owing on the adjustment date.
2. **METHOD OF COMPUTING ADJUSTMENTS TO THE MONTHLY INSTALLMENT.**
- (f) **Calculation of Adjustments.** The new installation date will be calculated approximately 60 days prior to the next adjustment date.
- (g) **Adjustment Dates.** My initially installed will be adjusted on the "First Installation Adjustment Date" (shown on the front of this Rider) and annually thereafter. The date the installation will be adjusted is called the "Installment Adjustment Dates." The new installation date will be calculated by using the rate which would be owing on the adjustment date.
- (h) **The property is sold and my loan is assumed, the Note Holder may adjust the Maximum Rate up to five percentage points above the interest rate in effect on the date of the assumption. The Note Holder may also adjust the rate up to five percentage points below the interest rate in effect on the date of the assumption. The Note Holder's consent.**
- (i) **Minimum Rate.** Rate up to five percentage points (5.0%) below the interest rate in effect on the date of the assumption. The Note Holder may adjust the interest rate in effect on the date of the assumption up to five percentage points (5.0%) above the interest rate in effect on the date of the assumption. The Note Holder may choose not to increase my interest rate even if an increase is permitted because of an increase in the current index. The Note Holder is not required to give me advance notice of interest rate adjustments.
- (j) **The Note Holder may choose not to increase my interest rate even if an increase is permitted because of an increase in the current index.**
3. **METHOD OF COMPUTING ADJUSTMENTS TO THE MONTHLY INSTALLMENT.**
- (k) **Calculation of Adjustment.** The Note Holder will determine each adjusted interest rate by adding the Rate Differential (shown on the front of this Rider) to the most recently published Current Index (the sum of the Current Index and the Rate Differential).
- (l) **The Interest Rate.** The Note Holder's adjusted interest rate each year will be less than the Periodic Rate plus the interest rate in the first loan or less than the Periodic Rate Adjustment Limit (shown on the front of this Rider). My interest rate in each of the twelve-month periods (loan years) following the first loan year may not be adjusted from my interest rate in the last month of the previous loan year by more than the Periodic Rate Adjustment Limit. (ii) My interest rate during the term of this loan will not be greater than the Maximum Rate unless the property is sold and the loan is assumed. Note Holders may increase the Maximum Rate and the Minimum Rate each time the property is sold and the loan is assumed; however, the Periodic Rate or Minimum Rate each time the property is sold and the loan is assumed must not exceed 7 1/2% of the previous anniversary following the calculation of increases or decreases to the loan. On the tenth (10th) anniversary, and each thereafter, the new installation date will be owing on the installation date by using the rate which is then in effect and the loan balance used in the calculation over the remaining term of the loan at the interest rate used in calculating the subsequent installments.
- (m) **Adjustment Dates.** Date by using the rate which is then in effect and the loan balance used in the calculation over the remaining term of the loan at the interest rate used in calculating the subsequent installments. The increases and decreases which occur to the monthly payments to the Note Holder are described in Section 2(b) would result in a greater adjustment than monthly installments may exceed 7 1/2% of the previous anniversary following the calculation of increases or decreases to the loan. The Note Holder is called the "Borrower"; I am called the "Lender".
4. **ADDITIONAL COVENANTS.** In addition to the covenants and agreements made in the Security instrument, I further covenant and agree as follows:
- (a) **Transfer of the Property or a Benefit Interest in Borrower.** Paragraph 17 of the Security instrument is changed to read as follows:
17. **LENDER'S CONSENT REQUIRED.** Lender may declare all sums secured hereby immediately due and payable within 30 days after such declaration except as expressly limited by law, if Borrower without a day's prior written consent: (a) sells, conveys, contracts to sell, alienates or leases all or any part of the property, or (b) leases all or any part of the property for a term together with all excisable options all or any part of the property, or (c) leases the title or any connection with such lease, grants the lesser an option to purchase all or any part of the property, or (d) permits the title or any interest in the property to be divided, whether voluntarily or involuntarily, or (e) changes its general partners, interests in the partnership are transferred or assigned to third party who shall be responsible for the monitoring and payment of real estate taxes imposed on the Funds without thereby becoming liable to pay Borrower interest on the Funds.

- Uniform Covenant 13 of the Security instrument is deleted.
- C. **LEGISLATION AFFECTING LENDER'S RIGHTS.**

**H. ASSIGNMENT OF RENTS; APPOINTMENT OF RECEIVER; LENDER IN POSSESSION.** Borrower absolutely and unconditionally assigns and transfers to Lender all the rents and revenues ("Rents") of the Property, regardless of to whom the Rents of the Property are payable. Borrower authorizes Lender or Lender's agents to collect the Rents, and agrees that each tenant of the Property shall pay the Rents to Lender or Lender's agents. However, Borrower shall receive the Rents until (i) Lender has given Borrower notice of default pursuant to paragraph 21 of the Security Instrument and (ii) Lender has given notice to the tenant(s) that the Rents are to be paid to Lender or Lender's agent. This assignment of Rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower: (i) all Rents received by Borrower shall be held by Borrower as trustee for the benefit of Lender only, to be applied to the sums secured by the Security Instrument; (ii) Lender shall be entitled to collect and receive all of the Rents of the Property; (iii) Borrower agrees that each tenant of the Property shall pay all Rents due and unpaid to Lender or Lender's agents upon Lender's written demand to the tenant; (iv) unless applicable law provides otherwise, all Rents collected by Lender or Lender's agents shall be applied first to the costs of taking control of and managing the Property and collecting the Rents, including, but not limited to, attorney's fees, receiver's fees, premiums on receiver's bonds, repair and maintenance costs, insurance premiums, taxes, assessments and other charges on the Property, and then to the sums secured by the Security Instrument; (v) Lender, Lender's agents or any judicially appointed receiver shall be liable to account for only those Rents actually received; and (vi) Lender shall be entitled to have a receiver appointed to take possession of and manage the Property and collect the Rents and profits derived from the Property without any showing as to the inadequacy of the Property as security.

If the Rents of the Property are not sufficient to cover the costs of taking control of and managing the Property and of collecting the Rents any funds expended by Lender for such purposes shall become indebtedness of Borrower to Lender secured by the Security Instrument pursuant to Uniform Covenant 7.

Borrower represents and warrants that Borrower has not executed any prior assignment of the Rents and has not and will not perform any act that would prevent Lender from exercising its rights under this paragraph.

Lender, or Lender's agents or a judicially appointed receiver, shall not be required to enter upon, take control of or maintain the Property before or after giving notice of default to Borrower. However, Lender, or Lender's agents or a judicially appointed receiver, may do so at any time when default occurs. Any application of Rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of Rents of the Property shall terminate when all the sums secured by the Security Instrument are paid in full.

**I. CROSS-DEFAULT PROVISION.** Borrower's default or breach under any note or agreement in which Lender has an interest shall be a breach under the Security instrument and Lender may invoke any of the remedies permitted by the Security instrument.
