THIS MORTGAGE IS A FOURTH MORTGAGE

37ER

MORTGAGE, ASSIGNMENT OF RENTS & SECURITY AGREEMENT (CHATTEL MORTGAGE) C-1

THIS MORTGAGE ("Security Instrument") is given on April 30, 1992, by Mid Town Bank and Trust Company of Chicago, not personally, but as Trustee ("Trustee") under Trust Agreement dated September 3, 1989 and known as Trust No. 1727; and 825 West Evergreen Building Partnership, an Illinois General Partnership ("Beneficiary" and collectively with Trustee herein referred to as "Mortgagor"). This Security Instrument is given to Mid Town Development Corporation, which is organized and existing under the laws of the State of Illinois, and whose address is 2021 North Clark Street, Chicago, Illinois 60614 ("Lender"). Mortgagor is justly indebted to Lender in the principal sum of Three Hundred Fifteen Thousand Eight Hundred Twenty-Eight and 00/100 (\$315,828.00) Dollars, which indebtedness is evidenced by a certain note dated of even date herewith ("Note"), which Note provides for payments of the indebtedness as set forth below:

**Interest**

Trustee promises and agrees to pay to Lender interest on the unpaid principal balance evidenced by the Note at the following rate: nine percentage points (9.00%) ("the margin") over the Prime Rate of interest per annum. For purposes of this Note the "Prime Rate" shall mean the prime rate of interest as announced by Lender from time to time. In the event Lender ceases to use the term "Prime Rate" in setting a base rate of interest for commercial loans, then the Prime Rate herein shall be determined by reference to the rate used by Lender as a base rate of interest for commercial loans as the same shall be designated by Lender to Borrower. Furthermore, Borrower acknowledges that the "Prime Rate" is a base reference rate of interest adopted by Lender as a general benchmark from which Lender determines the base rates chargeable on various loans to borrowers with varying degrees of creditworthiness, and Borrower acknowledges and agrees that Lender has made no representation whatsoever that the "Prime Rate" is the interest rate actually offered by Lender to borrowers of any particular creditworthiness.

Interest shall be computed on the basis of a 365-day year and charged for the actual number of days elapsed.

**Term**

The Note shall be due and payable in full on the maturity date which shall be December 1, 1996 (the "Maturity Date".)

**Required Payments**

Interest on the outstanding principal balance from the date of the Note and installments of principal shall be due and payable monthly beginning June 1, 1993 and on that day of each month thereafter, as provided in the Note, until all of said principal plus any remaining accrued interest and late charges, if any, are repaid in full.

This Security Instrument secures to Lender: (a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extensions and modifications; (b) the payment of all other sums, with interest, advanced under any paragraph herein to protect the security of this Security Instrument; and (c) the performance of Mortgagor's covenants and agreements under this Security Instrument and the Note and all other documents and agreements entered into in connection therewith (the "Loan Documents"). For this purpose, Mortgagor does hereby mortgage, grant and convey to Lender the following described property ("Land") located in Cook County, Illinois:

## K. Restrictions on Transfer

1. In determining whether or not to make the loan secured hereby, Lender examined the credit-worthiness of Mortgagor and/or Mortgagor's beneficiary or guarantors (if applicable), found the same to be acceptable and relied and continues to rely upon same as the means of repayment of the loan. Lender also evaluated the background and experience of Mortgagor and/or its beneficiary or guarantor (if applicable) in owning and operating property such as the Premises, found the same to be acceptable and relied and continues to rely upon same as the means of maintaining the value of the Premises which is Lender's security for the loan. It is recognized that Lender is entitled to keep its own portfolio at current interest rates by either making new loans at such rates or collecting assumption fees and/or increasing the interest rate on a loan the security for which is purchased by a party other than the original Mortgagor and/or its beneficiary (if applicable). Mortgagor and/or its beneficiary (if applicable) further recognize that any secondary or junior financing placed upon the Premises, or the beneficial interest of beneficiary in Mortgagor:
  - a. may divert funds which would otherwise be used to pay the Note secured hereby;
  - b. could result in acceleration and foreclosure by any such junior encumbrancer which would force Lender to take measures and incur expenses to protect its security;
  - c. would detract from the value of the Premises should Lender come into possession thereof with the intention of selling same; and
  - d. impair Lender's right to accept a deed in lieu of foreclosure, as a foreclosure by Lender would be necessary to clear the title of the Premises.
2. In accordance with the foregoing and for the purposes of:
  - a. protecting Lender's security, both of repayment of the indebtedness and of value of the Premises;
  - b. giving Lender the full benefit of its bargain and contract with Mortgagor and/or beneficiary (if applicable) and Mortgagor;
  - c. allowing Lender to raise the interest rate and/or collect assumption fees; and
  - d. keeping the Premises and the beneficial interest (if applicable) free of subordinate financing liens, beneficiary (if appropriate) and Mortgagor agree that if this Paragraph be deemed a restraint on alienation, that it is a reasonable one and that any direct or indirect sale, conveyance, assignment, further encumbrance or other transfer of title to the Premises or any interest therein (whether voluntary or by operation of law) without the Lender's prior written consent shall be an event of Default hereunder. For the purpose of, and without limiting the generality of, the preceding sentence, the occurrence at any time of any of the following events shall be deemed to be an unpermitted transfer of title to the Premises and therefore an event of Default hereunder:
    - (1) any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, all or any part of the title to the Premises or the beneficial interest or power of direction under the trust agreement with the Mortgagor, if applicable;
    - (2) any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, any share of stock of the Mortgagor (if a corporation) or the corporation which is the beneficiary or one of the beneficiaries under the trust agreement with the Mortgagor, or of any corporation directly or indirectly controlling such beneficiary corporation;
    - (3) any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, any general partnership interest of the limited partnership or general partnership (herein called the "Partnership") which is the Mortgagor or the beneficiary or one of the beneficiaries under the trust agreement with the Mortgagor;
    - (4) any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, any share of stock of any corporation directly or indirectly controlling such Partnership.

Any consent by the Lender, or any waiver of an event of Default, under this Paragraph shall not constitute a consent to, or waiver of any right, remedy or power of Lender upon a subsequent event of Default under this Paragraph. Any consent may be granted or withheld at Lender's sole and absolute discretion.

## L. Assignment of Rents

1. To further secure the indebtedness secured hereby, Mortgagor does hereby sell, assign and transfer unto the Lender all the rents, issues and profits now due and which may hereafter become due under or by virtue of any lease, whether written or verbal, or any letting of, or of any agreement for the use or occupancy of the Premises or any part hereof, which may have been heretofore or may be hereafter made or agreed to or which may be made or agreed to by the Lender under the powers herein granted, it being the intention hereby to establish an absolute transfer and assignment of all of such leases and agreements, and all the avails thereunder, unto the Lender, and Mortgagor does hereby appoint irrevocably the Lender its true and lawful attorney in its name and stead (with or without taking possession of the Premises) to rent, lease or let all or any portion of the Premises to any part or parties at such rental and upon such terms as said Lender shall, in its discretion, determine, and to collect all of said avails, rents, issues and profits arising from or accruing at any time hereafter, existing on the Premises, with the same rights and powers and subject to the same immunities, exoneration of liability and rights of recourse and indemnity as the Lender would have upon taking possession of the Premises.
2. The Mortgagor represents and agrees that no rent has been or will be paid by any person in possession of any portion of the Premises for more than two installments in advance, and that the payment of none of the rents to accrue for any portion of the Premises has been or will be waived, released, reduced, discounted, or otherwise discharged or compromised by the Mortgagor. The Mortgagor waives any rights or set off against any person in possession of any portion of the Premises. Mortgagor agrees that it will not assign any of the rents or profits of the Premises, except to a purchaser or grantee of the Premises.
3. Nothing herein contained shall be construed as constituting the Lender as a mortgagee in possession in the absence of taking of actual possession of the Premises by the Lender. In the exercise of the powers herein granted the Lender, no liability shall be asserted or enforced against the Lender, all such liability being expressly waived and released by Lender.

Mortgagor agrees to indemnify Lender to the full extent of any damages, losses, costs and expenses, including attorney's fees and costs of defense, resulting from any claim or action brought against Lender by any governmental agency or any other person or persons for any damage or loss resulting from the removal or disposal of any hazardous wastes.
