**4. CHARGES; LIENS.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the property which may attain priority over this Security instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in Paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts

### 3. APPLICATION OF PAYMENTS. Unless applicable law provides otherwise, all payments received by Landor under paragraphs 1 and 2 shall be applied first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; and any sums payable by Borrower to Landor in accordance with the provisions of Paragraph 8, in lieu of the payment of mortgage insurance premiums; third, to interest due; fourth, to principal due; and last, to any late

Leender shall apply the Funds to pay the Escrow items when due. Leender shall give to Borrower an annual account listing of the Escrow Account, showing credits and debits to the Escrow Account and the purpose for which each debit from the Escrow Account was made. The Funds in the Escrow Account are pledged to Leender as additional security for all sums secured by this Security Instrument. Upon payment in full of all sums secured by this Security Instrument, Leender shall refund to Borrower any Funds held by Leender. Such refund shall be made within 30 days of Borrower's payment of all sums secured by this Security Instrument. Leender shall schedule a time to sell the Property, Leender, prior to the acquisition or sale of the Property, shall apply any Funds held by Leender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

Lender shall annually analyze each Escrow Account to determine the adequacy of the monthly Funds being collected for each Escrow Item; at its option Lender may analyze the Escrow Account more frequently. Lender shall estimate the amount of Funds needed in the Escrow Account; to pay future Escrow Items when due, on the basis of: (i) current data, including the anticipated disbursement dates for each Escrow Item; (ii) reasonable estimates of expenditures of future Escrow Items; (iii) the time interval between disbursements for each Escrow Item; and (iv) the amount of Funds in the Escrow Item needed in the time Lender analyzes the Escrow Account. At any time Lender's estimate of Funds in the Escrow Item needed in the time Lender analyzes the Escrow Item will not be sufficient to pay each Escrow Item when due, Lender may notify Borrower in writing and may require Borrower to pay Lender the amount of the deficiency. After receipt of notice from Lender, Borrower fails to timely pay Lender the amount of the deficiency, Lender may notify Borrower in writing and may require Borrower to pay Lender the amount of the deficiency. At any time Lender's estimate of Funds in the Escrow Item needed in the time Lender analyzes the Escrow Account, it is an approximation calculation. At any time Lender's estimate of Funds in the Escrow Item needed in the time Lender analyzes the Escrow Account, Lender and Borrower agree that Lender's estimate of the amount of Funds in the Escrow Item needed in the time Lender analyzes the Escrow Account will not be sufficient to pay each Escrow Item when due, Lender may notify Borrower to each Escrow Item in no more than 12 months. If Lender's Escrow Account analysis indicates that the amount of Funds in the Escrow Item needed to pay each Escrow Item exceeds the amount of Funds in the Escrow Item when due, Lender shall refund any such excess to Borrower within 30 days of the Escrow Account analysis. In addition to the Funds estimated as described above, and to ensure that the Funds in the Escrow Account will be available to pay future Escrow Items when due, Lender shall refund any such excess to Borrower to maintain in the Escrow Account an additional amount of Funds in the Escrow Item in the amount of the deficiency.

**2. FUNDS FOR TAXES AND INSURANCE.** Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to Lender's estimate, as described below, of (a) one-twelfth of each type of yearly taxes and assessments which may affect Lender's security instrument; (b) one-twelfth of the yearly leasehold payments or ground rents on the Property, if any; (c) one-twelfth of the yearly hazard or property insurance premiums; (d) one-twelfth of the yearly mortgage insurance premiums, if any, and (e) one-twelfth of any similar items which are commonly paid by borrowers to Lenders, whether now or in the future, in connection with a secured debt. The items described in (a) - (f) are called "Escrow Items".

The Funds shall be placed in an account ("Escrow Account") at an institution which depositors are insured by a federal agency, instrumentality, or entity including Lender, if Lender is such an institution or at any Federal Home Loan Bank.

Lender may charge Borrower for holding and applying the Funds, analyzing the Escrow Account and verifying the Escrow items, and Lender shall not be required to pay Borrower any interest or earnings used in providing for Lender's loss.

1. PAYMENT OF PRINCIPAL AND INTEREST, PREPAYMENT AND LATE CHARGES. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the

**THIS SECURITY INSTRUMENT** combines uniform coverages for national use and non-national coverages within limited varieties by jurisdiction to constitute a uniform security instrument covering real property. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the property is located.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligations secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of giving of notice.

5. HAZARD OF PROPERTY INSURANCE. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance, including floods or flooding, whether or not identified or existing at the time the loan is made. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with Paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Insurance proceeds shall be applied to restoration or repair of the Property damaged if, in Lender's sole determination, the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payment referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. OCCUPANCY, PRESERVATION, MAINTENANCE AND PROTECTION OF THE PROPERTY; BORROWER'S LOAN APPLICATION; LEASEHOLDS. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. PROTECTION OF LENDER'S RIGHTS IN THE PROPERTY. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and paying fees for periodic inspections of the Property. In addition to these actions Lender may enter on the Property to make repairs, change locks, replace or board-up doors and windows, drain pipes, eliminate building code violations or dangerous conditions, turn utilities on or off, or undertake whatever else is necessary to protect the value of the Property and Lender's rights in the Property. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this instrument shall become additional debt of Borrower secured by this Security instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate, subject to applicable law. Borrower agrees to pay the premium required to maintain the mortgage insurance coverage required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, for any reason, the mortgagee shall pay the premium required to maintain the mortgage insurance coverage required by Lender, if substantial payment to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgagor, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. INSPECTION. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection. 10. CONDEMNATION. The proceeds of any award of claim for damages, direct or consequential, in connection with a condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security instrument, whether or not the instrument has been foreclosed. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security instrument before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security instrument shall be reduced by the amount of the proceeds multipled by the fair market value of the Property immediately before the taking, and balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured by this Security instrument before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security instrument shall be applied to the sums secured by this Security instrument before the taking, and balance shall be paid to Lender.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condominium offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security instrument, whether or not then due.

Extension of the time for payment of principal or interest of a monthly payment referred to in Paragraphs 1 and 2 or 4, unless the amount of such payment is postponed the due date of the monthly payment by 120 days after the date of the due date of the monthly payment.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or modify the term of the Note or the maturity date of the Note. 13. LOAN CHARGES. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charges under the Note.

To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. BORROWER'S COPY. Borrower shall be given one duplicate of the Note and of this Security Instrument.

17. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in borrower is sold or transferred and borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. BORROWER'S RIGHT TO REINSTATE. If borrower meets certain conditions, borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

19. SALE OF NOTE; CHANGE OF LOAN SERVICER. The Note or a partial interest in the Note (together with this Security instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan servicer") that collects monthly payments due under the Note and this Security instrument.
