The fund shall be held in an institution the deposits of which are insured or guaranteed by a federal or state agency [including us if we are such an institution]. We shall apply the funds to pay the escrow items. We may not charge for holding and applying the funds, analyzing the account or verifying the escrow items, unless we pay you interest on the funds and applicable law permits us to make such a charge. \* Upon payment in full of all sums secured by this Mortgage, and termination of the Agreement, we shall promptly refund to you any funds held by us. Under paragraph 20, if property is held or acquired by us, we shall apply, no later than immediately prior to the sale of the property or its acquisition by us, any funds held by us at the time of application as a credit against the sums secured by this Mortgage.

The above and foregoing provisions contained in this paragraph 2 relating to payment by you to us of funds in escrow shall be excused so long as you are required on the date hereof, and continue after the date hereof, to make comparable payment of funds in escrow to the holder of a Note secured by a mortgage or similar security agreement on the property, which such mortgage or similar security agreement has priority over this Mortgage. **3. APPLICATION OF PAYMENTS.** Unless applicable law provides otherwise, all payments received by us under the Agreement and this Mortgage shall be applied, first to the Finance Charge stated in your oldest past due periodic Billing Statement, if any, and then (during the Closed-End Repayment Term) to the fraction of the Initial Closed-End Principal Balance due for the same Periodic Billing Statement. Payments will then be applied similarly to Finance Charges and the fraction of the Initial Closed-End Principal Balance due on the next oldest past due statement, and then to successive past due statements, until all past due Finance Charges and the fraction of the Initial Closed-End Principal Balance due are fully paid. The balance of your payments will next be applied to the amounts stated due on the current periodic Billing Statement in the following order: (1) insurance premiums billed and past due; (2) any Annual Fee which is due and payable; (3) any other charge, excluding insurance premiums, authorized by the Agreement; (4) Finance Charges billed but not past due; (5) insurance premiums billed but not yet past due as of the current statement; and (6) payment of any Outstanding Principal Balance. Any balance of payment will be applied to payment of all Finance Charges which accrue after the Periodic Billing Statement date and prior to the date payment was received by us. Any remaining amount will create a credit balance. Charges incurred pursuant to paragraph 7 hereof will be treated as Finance Charges for purposes of application of payments only.

If the restoration or repair is not economically feasible or our security would be lessened, the insurance proceeds shall be applied to the sums secured by this Mortgage, whether or not then due, with any excess paid to you. If you abandon the property, or do not answer within thirty (30) days a notice from us that the insurance carrier has offered to settle a claim, we may collect the insurance proceeds. We may use the proceeds to repair or restore the property or to pay sums secured by this Mortgage, whether or not then due. The 30-day period will begin when the notice is given.

Unless we and you otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the payments referred to in paragraphs 1 and 2 or change the amount of the payments. Unless you and we agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the rate provided in the Agreement and shall be payable, with interest, upon notice from us to you requesting payment.
